REPORTS

HOMES FOR THE AGING REPORT

Reflection on the past year of life in our four Baptist Homes for the Aging is a reminder once again of the goodness of the Lord to us. We are constantly aware of the bountiful way in which He has blessed us, and this has been particularly true since our last report to the good people in our Baptist Associations.

During this time we have ministered to 172 deserving older men and women. All of these have been blessed by the love gifts of N. C. Baptist, through the Special Day Offering, received on the third Sunday of February each year, and through our share in the Cooperative Program. The large majority, at least 85%, have benefitted directly from these gifts and have actually been sustained at the point of their financial need.

The Special Day offering for 1966 is at an all time high and looks as if it might be $100,000.00 for the first time. This is very good, and we are profoundly grateful. We must not forget, however, that, even though there has been a 5% increase in the offering from last year, costs have advanced by 7%.

We are in the midst of miracles, and the past year has been one in which we have witnessed unusual blessings from the Lord. There have been fewer deaths than previously, and the critically ill, in many instances, have been brought back to a measure of reasonably good health. Nursing care has been of the highest quality, and you would rejoice to know how far your concern and your gifts go in ministering to the needs of the residents, particularly at the point of tender loving care in illness.

Perhaps the outstanding paradox in all of our Homes is that the first resident to receive a Medicare card, during this first year of the operation of Medicare, is our oldest resident, who never takes any medication at all and who does not need to see a doctor, or go to the hospital. She is Aunt Fannie Drumwright, who celebrated her 105th birthday in July.

It is anticipated that construction will begin on our fifth Home at Yanceyville during the coming year, and when it is completed, we will be able to minister in all of our Homes to 200 older men and women and relieve, in measure, the terrific pressure of a long waiting list of 170 people.

This ministry of love, in Christ's name, is dependent upon the concern, the love, the prayers, and the increased financial support of N. C. Baptists. We are, therefore, going to count heavily on you and believe that you will not disappoint the aging people who are looking to you urgently for help.

Respectfully submitted, C. Parker Poole

BIBLICAL RECORDER REPORT

Many important issues are facing North Carolina Baptists. Churches are making decisions on the Life and Work Curriculum, especially whether to use the Life and Work Sunday school lessons or the Uniform Lessons. For a period of at least six months, the RECORDER will run both lessons as a service to our churches.

In our state, changing conditions are raising serious questions about the fate of almost every institution we support. In the near future Baptists will have to decide our future course in higher education and in our Social Service institutions, especially in view of increased government participation in these areas. The RECORDER will present the issues and possible choices open to us.

In the Southern Baptist Convention, there is talk of a name change. The work of our Baptist colleges is being studied as never before. A great Crusade of the Americas is in the planning stages. All of us need to know about these developments.

In addition to issues within our own denomination, new and distrubing clouds are on the horizon elsewhere. Talk of a New Morality, the so-called Death of God Movement, and the drastic changes in young people's attitudes toward the church are being widely discussed. Christians need to be informed on these trends.

A drive is taking shape in North Carolina for liquor-by-the-drink. The 1967 General Assembly will consider such proposals and Baptists need a dependable source of information so they can act when necessary. The RECORDER will give on-the-spot coverage.

Instead of merely receiving this as a report, please take definite action to see that the RECORDER soon goes to every family in your church membership. All of us know that the RECORDER is just as important as other literature which our churches distribute, if not more so. No other publication can take the place of the BIBLICAL RECORDER.

In these inflationary times, it is refreshing to have something that is not out of reach financially. Under the Church Budget Plan, the RECORDER is availabe for $2 a year -- the same price it was more than 100 years ago. Your church will be a stronger church with every family receiving our State paper each week. Don't delay this important decision, especially in view of the issues facing North Carolina Baptists in the coming year.

Respectfully submitted, Mrs. Ralph Faires.

MILITARY MINISTRIES REPORT

This has been a year of greater challenge in military ministries. For several months during the year there was a great exodus of the military from the area and our churches due to overseas commitments. Although we watched these go from our churches with a great amount of regret, we rejoiced in the fact that there departed from us more dedicated witnesses. In recent weeks the military communities have grown to equal or surpass the military population of a year ago. Due to increasing overseas commitments, families are moving more frequently, therefore the ministry becomes more difficult, not only because of the increased number that needs to be reached, but because we have less time in which to develop them to the extent that they add strength and stability to the church.

The ministry to the military has become more difficult also because great numbers of those arriving for duty are locating in areas remote to our churches. Due to the number of prospects already residing in the fields of the established churches and missions we face an urgent and increasing need for more Baptist missions.

The ministry has been strengthened during the year by the establishment of a mission at Aaron Lake by Snyder Memorial Baptist Church and a mission

Lake Rim by Mt. Gilead Baptist Church, Associational wide concern and ɔoperation has been demonstrated by several churches touring the military ɾeas and expressing their concern by increased financial support and comitment to provide mission facilities.

Still untapped is the need for a ministry to the single service man. ɔwever, it is believed that this ministry will become a reality in the assoation.

The ministry to the Japanese ladies continues to be most encouraging d rewarding. The Japanese minister and his wife have returned to Japan ɔwever, the Baptist State Convention is endcavoring to provide further minisy to this language group.

Our greatest need continues to be more Baptist who are willing to witss for Christ and we thank God for those Pastors of our military Churches ho are ministering so willingly and effectively while endeavoring to instill e same degree of devotion in the lives of the members of their congregations.

Respectfully submitted, James Sasser

SUPERINTENDENT OF MISSIONS

These past months have been filled to capacity as efforts have been ade to make Associational Missions more vital and personal in the interest reaching as many lost people for Christ as possible, as well as involving ose already won in a fuller stewardship of their total Christian potential.

The Metropolitan Associational Development Program, presented last ear in the Annual session, has been constantly before us as we have sought to ilize the tremendous resources God has given us within our own Association. e know the task suggested by the Program is tremendous in scope, but we so have the confidence that the members of the sister churches within our ssociation will increasingly see "the fields that are white already unto arvest" and take whatever action is necessary to more adequately implement d undergird a more fruitful, well-rounded and all inclusive Christian Proam of Service and ministry to all people within area of our responsibility.

Two major events were scheduled for the year 1965-66. The Central raining School planned for the winter season was "snowed out" after getting f to a wonderful start on Monday evening. We look forward to the future for "return engagement" in a Central Training School.

The Schools of Missions just so recently completed has been very helpl we believe and from the comments expressed we are confident that a rger percentage of our churches will participate in this program in the future.

Two Missions have been started during the year. Aaron Lakes organized January sponsored by Snyder Memorial and Lake Rim started in July ponsored by Mt. Gilead.

Through a proposed enlargement of Committees and more frequent meetgs of the Associational Executive Committee closer correlation of plans and ork of the Association will be realized and future effectiveness enhanced.

Some of the work for the year includes some 27,000 miles of travel, ervices and/or messages responsible for in at least 25 different churches, ith 20 churches visited or worked with in committees, as well as working losely with Brother Sasser and Brother Leath Johnson in the Mission at aron Lake.

Respectfully submitted, Charles A. Stevens,
Associational Missionary

EVANGELISM REPORT

This seems to be the age of rebellion. People everywhere are rebelling gainst constituted authority. Rioting mobs cover the streets at night in our rge cities, firing guns at random and throwing fire bombs with precision. awlessness seems to be the order of the day. Man is bewildered and doped ith despair. He searches for the answer but it seems to elude him.

Do we have the answer? We can positively say we do have the answer. God's answer is in New Testament churches, preaching the Gospel of Jesus Christ, preaching both by precept and by example. We must become living epistles, demonstrating Christ's love and power through the working of the Holy Spirit.

God's answer to the critics and persecutors of the Church has been the hot and holy fires of revival. From Pentecost to the last real revival in the local church, God's answer has been conclusive and complete.

Southern Baptists' attention is directed to the Crusade of the Americas in 1969. Twenty-one countries are cooperating in the crusade. We must get ready. Our God is a God of planning and purpose. Now is the time to get every church committed to the crusade date for 1969.

We shall continue with our calendar of evangelism as suggested by the Division of Evangelism of our State Convention month by month.

Respectfully submitted, Roy E. Walker, Chairman

BAPTIST FOUNDATION

Sometimes in writing an annual report we are tempted to make a very large mistake to discover that people really read the report. The only mistake in this report may be one of over-enthusiasm for the fine way the Baptists of North Carolina are beginning to understand and use the Foundation. I wish it were possible for me to share with you all of the responses we have been privileged to participate in during the past year. This has been a good year in Baptist Foundation work and we are eternally grateful to each one of you for having a part in promoting the work of the Foundation.

We are indeed grateful to the pastors of this state for the wonderful cooperation they have accorded the Baptist Foundation. They have encouraged us greatly by furnishing the names of individuals who may be interested in the Foundation; they have invited us to their church to speak on various occasions; they have been most generous with their time in discussing with us the problems, programs, and purposes of the Foundation whenever we had the opportunity to discuss it with them. Many of our lay friends, lawyers, bankers, trust officers, and other interested individuals have given of their time and have helped us materially in promoting our work.

Assets of the Foundation have increased during the past year and at the last accounting, around December, the total assets of the Foundation had reached approximately one million dollars including our real estate. Right many of our people are setting up memorial funds, trust agreements, annuity agreements, and are using other services provided by the Baptist Foundation. We believe we are organized in such a manner that we can answer most any request an individual makes of us, either through the church or as an individual, if he will make his wishes known to us. By this I mean that we can visit him individually and explain the work of the Foundation and how he may participate in it, or we can go to any group meeting that would provide an opportunity to discuss will making and uses of the Foundation. We covet your continued prayers for this work and hope that in the future you will make use of the facilities of the North Carolina Baptist Foundation.

VACATION BIBLE SCHOOL REPORT 1966

The New South River Baptist Association had two Vacation Bible School linics this year. The first clinic was held at Salemburg Baptist Church n March 28, from 3:00 until 9:00 p.m. 91 workers were present. Bunce ar-B-Q served the evening meal. The second clinic was held at Trinity aptist church on March 29 from 9:00 a.m. until 3:00 p.m. 140 workers ere present. Harold's Bar-B-Q served the noon meal. Workers paid for eir meals. Meals for conference leaders were provided. There was no ake-up clinic this year.

Conference leaders for the Vacation Bible School Clinic this year were: eneral Officers, Dr. James Berry, supervisor of the Week Day Bible Study nd Kindergarten work for the Southern Baptist Convention and Mr. E. C. atson. Associate in the Sunday School Department of the North Carolina aptist State Convention; Intermediate workers, Mr. Clarence O'Briant, inister of education Second Baptist Church and Rev. Curtis E. Nester, astor of Calvary Baptist Church; Primary workers, Mrs. W. H. Ledbetter, utaw Heights Baptist Church, Beginner workers, Mrs. Talmadge Martin nd Mrs. Don Hyman, Snyder Memorial Baptist Church; Nursery workers, Irs. Ralph Faires, Eutaw Heights Baptist Church.

We wish to express our appreciation to the churches that permitted us o use their facilities for the clinics and to everyone participating in the linics. We are most grateful to those who attended the state clinic at Vingate and taught in our local clinics.

RECOMMENDATIONS:

1. That clinics in the future have two classes for each age group workers. ne conference for new workers and one for those what have worked with the ge group in Bible School before.

2. That the schedule for the clinics be changed so that the first clinic s a morning clinic and the second clinic an afternoon clinic. This makes it ossible to have a morning to move and prepare for the second clinic. This ill prevent a great inconvenience on behalf of churches serving as host and n VBS Clinic Leadership.

3. That careful consideration be given to budgeting funds for the Vacaion Bible School Clinic to be properly publicized and supported.

SCHOOLS

We have received to date reports of 70 church schools and 17 mission r extension schools making a total of 87 schools. Nine Standard Schools

ave been reported for this year. They are: Autryville, Bonnie Doone, Cutaw Heights, First Spring Lake, Highland, Mingo, Snyder Memorial, toney Point, Walstone Memorial. Nine Schools reported AA Grade, Five chools reported A Grade, three Schools reported BB Grade, five Schools eported B. Grade.

The churches of New South River Baptist Association are to be commended for their outstanding contribution to missions. Many children live n our community for a brief period of time that might never learn of the love f God if they did not have the privilege of attending a Mission Vacation Bible chool. We encourage each church to look now for a place that they might ave a mission Bible School in 1967. Let us begin now to prepare for one of he greatest years of Bible School work ever in 1967.

BAPTIST HOSPITAL REPORT

Our Baptist Hospital and Medical School are a center of healing for body, nind and spirit, a center of training of medical personnel and Christian vorkers, and a center of scientific research for the advancement of medical :are.

Without a vast amount of medical research, there would be no heart urgery today by which lives are saved in our Baptist Hospital almost every veek; and the same would be true of almost every new method of treating us vhen we are sick. Without schools for the training of doctors, nurses, echnicians and others, there soon would be no skilled persons in our hosoitals or in our communities to care for us when illness comes. Without a staff of highly trained and experienced specialists and a vast amount of expensive specialized equipment, our Baptist Hospital could not offer the ighly skilled medical care which is available to us when serious illness strikes and a fine medical center is needed. Another very important fact is hat the skilled medical care of our Hospital is made available to people vho need it and cannot pay for it. These important services are the work of our Medical Center in Winston-Salem.

The kind of medical care provided by our Hospital is very expensive, nd the Hospital has no choice but to ask full payment of all who can pay. The Hospital has been spending in free care for our people far more than it receives from our Mother's Day Offerings, the Cooperative Program, and all welfare agencies combines. This has caused the Hospital to run into debt the past two years and the same has been happening this year. Of course, the Hospital simply cannot continue to operate this way. Medicare is not going to change the situation greatly. Our people need to understand this and to recognize that we are going to have to provide much greater support if the Hospital is to continue to provide free service in the same measure for those who cannot pay for it.

While some of our churches support the Hospital well indeed, most of them could do far more than they have been doing. We want to bring this to your attention, asking you to go back to your church and give this information to your people and help to lead them to give serious consideration to the Hospital's vital ministry and its urgent need.

SEMINARY EXTENSION REPORT

During the 1965-66 session the Seminary Extension Center held classes in one Center. This Center was in Fayetteville, with Rev. Roy E. Walker as teacher. The Course studied was Evangelism 123.

The attendance at this session was far short than that hoped for. Plans are now being formed to encourage more support and participation in the courses being offered through our Seminary Extension Center. It is hoped that each of you will consider the fruits that can be obtained through studies in the courses offered, and give us your support.

Respectfully submitted, Glen C. Henderson, Chm. Sem. Extension

REPORT ON HIGHER CHRISTIAN EDUCATION

The interest of North Carolina Baptist in Higher Christian Education is readily evident when one considers the total outreach of our seven Baptist colleges. As a representative of the excellent work done by these institutions we present some interesting facts about Campbell College located in Buies Creek, North Carolina. With 2,258 students enrolled for this term, the 122 dedicated faculty members have their responsibility clearly before them. Campbell is currently operating under a $3,280,000.00 budget. Of this amount a full 55% is spent on Faculty salaries. Because of limited endowment the college must place the burden of this budget upon the student body. At the present time these students are responsible for over 75% of total income of the school.

Budget breakdown:

76.43% - Income from Student tuition and fees
3.32% - Farms and auxiliary enterprises
3.89% - Public Property income
6.02% - Foundations
1.29% - Endowments
6.32% - Convention (Co-operative Program gift)
2.73% - Capital needs from Convention
(Total Convention support 9.05% of total budget.)

At the present time it would require about 22 million dollars to replace the college facility.

As Campbell moves toward her final phase of accreditation as a four year senior college, she is also looking for a new President. Let us pray that the fresh wind of God's breath will blow upon our college campuses, and that the Lord will indeed build the House of Christian Education in our state.

SUNDAY SCHOOL REPORT

One of the many ways to insure that we shall have larger Sunday Schools is to have better Sunday Schools. There is a growing conviction on the part of many of our Southern Baptist Sunday School leaders that the quality of our Bible teaching leaves a lot to be desired. If we are able to lift the level of our teaching in our church schools, we will see an increase in our enrolment. At the same time, we will have less trouble getting those to attend who are already enrolled.

One of the contributing factors to our lack of quality teaching is a lack of training on the part of our teachers. In some cases where training is done, it is on a half-hearted basis.

Our Associational Sunday School staff stands ready to help the churches lift the level of their teaching. The problem involved in getting Associational Sunday School work done is getting into the churches that are in need of help. In other words, we can only go where we are invited!

Several projects are planned for this year to help make your Sunday School a better organization. Plans have been made to help you expand your Sunday School Ministry through a Director-led Sunday School Enlargement Campaign.

Watch the Associational Calendar and the Newsletter for dates and places of the various opportunities. If you have need of help in any specific area of your Sunday School work, we stand ready to help you. Please feel free to call on us at any time.

Respectfully submitted, W. Harold Bridges, Supt.

HOME MISSION REPORT

As an agency of the Southern Baptist Convention, the Home Mission Board a channel through which Southern Baptists extend their witness into areas need throughout the homeland and assigned territories. It belongs to all outhern Baptists, who control it through the election of a representative oard of Directors as well as by specific actions taken; through the Constiution; Bylaws and Business and Financial Plan of the Convention; and through ie Charter of the agency, which cannot be amended without approval of the onvention.

Our directors are missionary minded, warmhearted, concerned, progressive Christians who give liberally of their time and energy to fulfill eir missionary responsibilities as members of this Board.

Directors are elected for three-year terms, and may be reelected for a econd full term. They serve without remuneration. The Board covers eir expenses in connection with meetings of the Board and its committees.

The full Board meets three times each year in the spring, in the summer, nd in the winter. The annual meeting comes at the end of November and eals with basic matters such as the annual budget.

We who comprise the administration and staff are grateful for these en and women who supply great encouragement in the challenging effort to aim "Our Land for Christ."

All Southern Baptist are indebted to these who represent us so well in e direction of this Board.

Southern Baptists can expect new methods and a stepped-up tempo to eir national growth efforts in the immediate future.

Last November the denomination's Home Mission Board heard its top xecutive call for more than 500 churches a year to keep up with population owth and for a creative approach to stay abreast with today's changes.

The agency revealed through a record $8 million Budget (which primarily pports evangelism, new churches and more than 2500 missionaries - with 5 1/2 million loan funds used to start and build new churches), new rsonnel, and program decision that a new era has begun in sharing its sponsibilities toward making the nation Christian.

FOREIGN MISSION REPORT

Lights burn late in the treasurer's office of the Foreign Mission Board these lines are being written.

It is budget time. The vast array of recommendations from mission elds all over the world have been reviewed and are now in process of being ought together in the budget for 1967.

The Foreign Mission Board in its annual meeting on October 12 will udy and take action upon budget proposals for the ensuing year.

With almost 2,200 missionaries already at work in 62 countries the total dget reaches a large figure. The 1967 budget will be in excess of $27 illion. This will be $2 million larger than the 1966 budget.

A budget must provide support for missionaries and operating expenses r ministries of evangelism and church development, Christian education, edical work, publications, radio and television, good will centers, and ner avenues of witness on mission fields. It must also provide funds for nstruction of mission residences, churches, hospitals, schools, publishg houses, and other needed structures.

Funds to provide our budget come through two main channels: The operative Program and the Lottie Moon Christmas Offering. These two urces of missionary support come flowing together as two tributaries to rm one great river of compassion flowing out into a needy world.

Whatever we do in mission effort represents the combined reinforcement brought about through the Cooperative Program and the Lottie Moon ristmas Offering.

Missions advance has come about because both these streams have continued to increase year by year. If either had failed to grow it would have been impossible for missions advance to continue. They have grown in parallel lines and the reliance of the Foreign Mission Board upon each of them remains constant through the years.

The Cooperative Program plus the Lottie Moon Christmas Offerings - mingled with dedicated lives and intercessory prayer - yield an outreach of mission effort that brings life and joy throughout the world.

Respectfully submitted, Mrs. N. E. Barefoot

ANNUITY BOARD

THE SOUTHERN BAPTIST PROTECTION PLAN - For the first time in two years, all ministers who are not enrolled in the Southern Baptist Protection Plan are being informed about its benefits. A direct mail campaign has been conducted to give ample information to prospective ministers in each state convention.

Sthe Southern Baptist Protection Plan provides benefits for age, disability and widow. Cost for the protection is based on the minister's salary, and is 10 per cent of any amount up to $4,000 a year. The minister's church is encouraged to pay the total cost. In some cases the minister and church share the cost. The maximum amount a church can pay in the basic plan is $400 a year if its minister is under 60 years of age.

THE HEALTH BENEFIT PLAN - Enrollment has reached 10,054 in the Health Benefit Plan. During the past year, promotional emphasis has been placed on this plan.

The Health Plan is an all-inclusive program of hospital, surgical and major medical benefits. Enrollment is open on a semi-annual basis. The next enrollment will be open early in the fall with the deadline on November 30, 1966.

BENEFITS PAID - In 1965, almost $4 million was paid in age retirement, disability or widow benefits to annuitants through the Annuity Board's protection program. The annuitants' checks vary in amounts, depending on the length of time each was a member and the amount of dues he paid.

Since the beginning of the Annuity Board in 1918, almost $51 million has been paid out in benefits which annuitants have termed "manna from heaven."

MEMBERS IN ANNUITY BOARD PLANS - Today more than 16,660 churches are providing protection through the Protection Program for their ministers. Approximately 10,764 of these churches are paying the 10 per cent dues.

There are 135 of the 176 educational institutions, hospitals, children's homes, homes for the aged and other Convention agencies who have protection programs with the Annuity Board. There are more than 28,000 members in the retirement plans of the Annuity Board.

There are seven states with 70 per cent or more of the churches in the Program. At present, North Carolina has 48 per cent of the churches in the Protection Program for ministers.

Rev. Guy Cain promotes the Protection Program in North Carolina. He is jointly employed by the Annuity Board and North Carolina Baptist Convention. For information about any of the plans in the Protection Program contact Rev. Guy Cain, 301 Hillsboro Street, Raleigh, North Carolina 27603, or write the Annuity Board, SBC, 511 North Akard Building, Dallas, Texas.

REV. COLON W. MYRICK

These minutes, by vote of the New South River Baptist Association, Meeting in Annual Session, October 19, 1967, meeting at Trinity Baptist Church, Fayetteville, are respectfully dedicated in memory of The Rev. Colon W. Myrick.

Colon W. Myrick was born on November 7, 1909 in Randolph County but lived in and around Greensboro most of his boyhood days. He was ordained to the Ministry by the Rocky Knoll Baptist Church and served as assistant pastor until the Osborne Chapel Baptist Church of the Piedmont Association was organized. He became its first pastor.

In 1940, while serving as Pastor of Piney Wood Baptist Church, Brother Myrick was called to the Union Springs Church in Cumberland County as part-time pastor. When the church went full-time in 1957 the Union Springs Church (now known as the Cumberland Baptist Church), he was called as their full-time pastor and served there until his death, September 4, 1967.

Brother Myrick served the Cumberland Baptist Church for 27 years. While the Cumberland Church was part-time, he served as pastor at various times both the Highland Baptist Church and The First Baptist Church of Hope Mills, N. C. The New South River Baptist Association was blessed by his presence among us. He was well-known as a counsellor and friend to many people in all walks of life. A number of pastors now serving were nurtured in the faith during their early years by the loving patience and guidance of this Christian minister.

As a tribute to Brother Myrick, one of our pastors wrote: "He lived a courageous life and bore a mighty witness even under a serious physical handicap. When we are tempted to stay home from God's House, to give less of ourselves, and to become bitter because of life's burdens, we would do well to look at a man like Colon Myrick. It is such men that inspire and Challenge us to "keep on" for Christ's sake."

REPORTS

EVANGELISM

We are grateful to God for every person who has been brought to confess Jesus Christ as Lord. We call upon our churches to give themselves to the work that brought Christ from heaven to earth, evangelism. Evangelism is the heart of our churches' existence. Evangelism must be a two-pronged thrust. We must publicly proclaim that Gospel, that is the power of God unto salvation, and we must personally win others to Christ. "Every Christian, a Witness" must be more than a slogan, it must be a reality in our lives.

Our churches face a tremendous evangelistic challenge in the Crusade of the Americas. This is more than just a two-week period of revivals. It is an emphasis on evangelism that should occupy our churches throughout 1968-'69 and '70. Our churches have been challenged by one of our mission fields, Brazil, to give ourselves to the work of evangelism and world missions for 1968-69. Some of the challenges in the Crusade of the Americas are:

NATION-WIDE EMPHASIS ON PRAYER: Two days of prayer, January 14, 1968 and January 12, 1969; PACT: A program of "prayer partners" with individuals, groups, and churches on the "Other Americas" initiated in July-August 1968; Watch Night Prayer Service December 31, 1968.

NATION-WIDE SEARCH FOR PROSPECTS: May-June-July-August 1968

NATION-WIDE VISITATION WITNESSING: September-November 1968

NATION-WIDE CRUSADE OF THE AMERICAS REVIVALS: March 16-30; April 6-20; April 27-May 11, 1969. Our association will observe March 16-30.

NATION-WIDE EMPHASIS ON NEW MEMBER ORIENTATION: Following the Crusade of the Americas Revivals. Study of book "Daring Discipleship" and launch new member orientation.

SPECIAL EMPHASIS IN NORTH CAROLINA ON CHRISTIAN MATURITY: January 1-December 31, 1970

Adequate guidance material for cooperation with and in preparation for the Crusade of the Americas is provided for us in the 1967-68 Evangelism Plan Book already available to us and in the 1968-69 Evangelism Plan Book which will be available after July of 1968 from the Division of Evangelism, 301 Hillsborough St., Raleigh, N. C. 27603.

EXECUTIVE COMMITTEE

Your Executive Committee met six times during the year. Each meeting was significant and many items of concern were brought before the group. Reports were received from various phases of our Associational work. This report is by no means comprehensive but affords a summary of the high lights of the various meetings.

Action taken by the committee at each meeting is as follows:

NOVEMBER 7, 1966-

Recommended that the trustees of our Association be authorized to sign the papers with First Citizens Bank and Trust Company on a 10' x 55'

(Continued)

mobile unit being given to the Association by the Elizabeth, Roseboro and Long Branch Churches. They have signed the necessary legal papers committing the churches to making payment through the Association for the unit. The use of this unit will be responsibility of the Missions Committee. One hundred and one dollars be sent by church to the Association per month. Total cost of Trailer $2,195.

JANUARY 2, 1967-

The Missions Committee presented a letter from Shaw Heights Baptist Church requesting New South River Baptist Association to assume sponsorship, or to seek some church to assume sponsorship to Shaw Heights, with Shaw Heights becoming a Mission.

The Missions Committee recommended that the request be accepted and that the Association assume sponsorship with the understanding that no financial aid will be needed now, and that if financial aid is given at a later date it will be with the approval of the Executive Committee. Also included in the recommendation was that sponsorship of a Church or Churches continue to be sought for this work.

MARCH 20, 1967 - Pleasant Grove

The Missions Committee made the following recommendations:

1. The first matter of business was a motion that Mr. Stevens write the Home Mission Board requesting a mobile unit to be used in the department of Metropolitan Missions for associational use. Motion carried.

2. The Missions Committee announced its policy in the future of requesting the pastors of the various missions to meet with the Missions Committee, that they might be more up to date with the mission activity within the association. These Mission Pastors would attend occasional meetings on invitation from the Missions Committee.

3. Motion that move toward hiring of a Christian Social Service Minister, subject to the approval of the Finance Committee and the securing of financial support from the local churches. This motion carried.

MAY 8, 1967 - Mt. Gilead Baptist Church

1. The announcement was made that the Associational Camp would be held August 7-11 at Campbell College and the cost to be $15.00 per camper.

2. The Evangelism Committee moved that our Association participate in the Crusade of the Americas, March 16-30, 1969.

3. Superintendent of Missions mentioned Area Stewardship meetings in June.

JULY 10, 1967 - Carroll Memorial Baptist

The treasurer's report was made and Mr. Stevens mentioned that 51 churches contributed during the past quarter. Only 33 had contributed during the same period last year and the receipts for the quarter just closed were nearly half again more than those of the same quarter of last year. The year was ended with an overage.

AUGUST 7, 1967 - Lebanon Baptist Church

The Missions Committee recommended that authorization be given to place an order with Taylor Construction Company for a double unit mobile sanctuary with optional equipment in the amount of about $10,500.00. The motion was seconded and carried unanimously.

SEMINARY EXTENSION

During this past year we operated one Center and offered two Courses; Christian Education 115 and Biblical Backgrounds. This was for the Spring Semester. Due to the lack of enrollment we had to cancel the Biblical Background Course. We had 14 students enrolled in the Christian Education Course, "Teaching For Results," taught by Dr. Perry Langston was we are happy to report that all 14 completed the study and received credit toward

(Continued)

their Christian Education Certificate. We met at the First Baptist Church in Fayetteville on Tuesday nights for nine weeks.

At the present there is a Center in operation at the Cedar Falls Baptist Church, with the pastor, Rev. Paul Rasor, doing the teaching.

We would like to see more of our Churches feel the need of such a ministry for the purpose of leading our people to a better understanding of the Scriptures and a deeper commitment of their lives to our Lord and Saviour Jesus Christ.

We hope to offer more Courses this fall and trust that you will support them.

VACATION BIBLE SCHOOL

The New South River Baptist Association had two Vacation Bible School Clinics this year. The first clinic was held at Village Drive Baptist Church on March 27, from 9:00 until 3:00 p. m. Harold's Bar-B-Q served the noon meal. The second clinic was held at Roseboro Baptist Church on March 28, from 3:00 until 9:00 p. m. The church served the evening meal. Workers paid for their meals. Meals for conference leaders were provided. There was no make-up clinic this year.

Conference leaders for the Vacation Bible School Clinic this year were: General Officers, Leath Johnson, Snyder; Intermediate worker, Mr. Clarence O'Briant, minister of education Second Baptist Church; Junior Worker, Roger Benton, First Baptist Church; Primary worker, Mr. and Mrs. Charles Tyndal, Shaw Heights Baptist Church; Beginner worker, Mrs. Muriel Rogers, Bonnie Doone; Nursery worker, Mrs. Ralph Faires, Eutaw Heights Baptist Church.

We wish to express our appreciation to the churches that permitted us to use their facilities for the clinics and to everyone participating in the clinics. We are most grateful to those who attended the state clinic at Wingate and taught in our local clinics.

RECOMMENDATIONS:

1. That clinics in the future have two classes for each age group workers. One conference for new workers and one for those that have worked with the age group in Bible School before.
2. That the schedule for the clinics be changed so that the first clinic is a morning clinic and the second clinic an afternoon clinic. This makes it possible to have a morning to move and prepare for the second clinic. This will prevent a great inconvenience on behalf of churches serving as host and on VBS Clinic Leadership.
3. That careful consideration be given to budgeting funds for the Vacation Bible School Clinic to be properly publicized and supported.

SCHOOLS

We have received some type of report from all of our church schools and mission schools. Ten Standard Schools have been reported for this year. They are: Baptist Chapel, Bonnie Doone, Central, Eutaw Heights, First, Spring Lake, Grace, Highland, Salemburg, Walstone, Arran Lakes. Seven schools reported AA grades, eight A grades, eight B grades, seven BB grades.

The churches of New South River Baptist Association are to be commended for their outstanding contribution to missions. Many children live in our community for a brief period of time that might never learn of the love of God if they did not have the privilege of attending a Mission VBS.

Respectfully submitted, Leath C. Johnson, Superintendent

SUNDAY SCHOOL

There seems to be a wholesale lack of concern on the part of our Sunday chool leadership in the churches. We had planned for a Sunday School En- rgement Campaign (Director led) this past year. Much time and effort was xpended in arranging for outside help in this effort and then too few churches xpressed interest to carry the project through. There are many exciting hanges ahead in the almost immediate future for the Sunday School ministry. owever, we must be concerned enough to avail ourselves of the materials nd methods that will be place at our disposal.

It is my prayer that the churches will give strong support to our new unday School Staff under the leadership of Brother Leath Johnson. I know hat these dedicated individuals will have much to offer that will enhance our unday School ministry on the Associational level.

The Associational staff can only go where they are invited. Please use hem to improve your Sunday School ministry.

Respectfully submitted, W. Harold Bridges

TRAINING UNION

In checking over the records of the past year in our church Training rogram I find that many of our churches are really beginning to realize hat we must have trained leaders. Our Church membership in the Associa- ion last year dropped close to 500 members, our Sunday School enrollment as off 1,000, our Baptisms dropped from 995 to 819 while our Church raining Program had increased over 200 members. We are not so concerned ver the number of members but we are really concerned that we are not win- ing the lost to Christ in our Association as we should.

Your Church Training program is not just another Sunday evening serv- ce. We can train our leaders, new members anytime and any place. Every astor and Training Director should work with your Church Council in plan- ing the Training program for the year. We must train our new converts, ur church members, Deacons, Sunday School workers and other members of ur church organizations if we are to have a church winning people for Christ. our Association has spent over a thousand dollars this year in trying to rain our Church leaders and only have an average of 225 members taking art. We ask your Prayers in helping our people realize that we must train urselves to be better witnesses and know what to do, when to do and how to lo in winning our people to the Lord.

We are proud of our Training Program and feel that with all the new naterial and Trained Leadership we will see many changes in our Churches.

We have had many special projects this year with great results. Our outh retreat at Cashwell was a great day for our Youth under the leadership f Rev. Dick Brown of Snyder Memorial Church. We had 32 churches repre- ented in our tournaments with our Intermediates a State winner again this ear.

I thank you for your Prayers, assistance and support in our Church raining Program. If we can help you in your church planning a Training rogram, please call on us.

Respectfully submitted, W. H. Ledbetter

MISSIONS

As each year passes, Associational Missions becomes increasingly ignificant in the total structure of our Baptist work across our convention. he next years will see even greater changes as newer and various concepts re brought into focus in our constant effort to reach the multitudes for Him.

During this associational year new work has been realized and our vision to the future is being constantly enlarged--this we believe has been a direct result of a greater awareness of the need, and more definite prayer support.

We assumed sponsorship of the Shaw Heights work in the early part of the year. With "Shared Leadership" voted by Eutaw Heights in the persons of Mr. and Mrs. Ralph Faires to undergird this need and by calling the Brother Charles Tyndal as full-time pastor the work has made tremendous stride during the year. This group of faithful Christians are beginning to realize even more fully what can be accomplished. A strong summer program for the community became a reality under the additional leadership of Don Saunders, a summer worker.

Lake Rim, sponsored by Mt. Gilead, received great encouragement in their new work through the purchase of a single mobile unit by the Long Branch, Elizabeth and Roseboro Baptist Churches to be used as additional Sunday School space.

Arran Lakes has recently occupied a large double mobile unit in their expanding effort to reach this area more quickly for Him. This Double-mobile unit chapel has been provided by the Snyder Memorial Church, the sponsoring church, and other churches such as Lebanon, Temple, Cedar Creek, and Village Drive.

During the year we have seen the regular church contributions increase over $5,000.00 above last year, to a total of over $30,000.00. Many of our churches have indicated in their church letter to the association an increase per-centage wise over last year's letter with some 23 churches giving 3% and above. Some of these do not include their local Building Fund in the percentage indicated. We would urge our churches in the budget making process to be sure they plan for an increase for the coming year. Only in this way can we move on to greater things.

On June 22, Mrs. Mary Phillips resigned to accept another position after serving very efficiently and faithfully for almost five years. Her dedication and faithfulness was a constant source of encouragement to all of us who worked with her in and through the office. "Thank you, Mary, for a job well done."

Mrs. Glenda Moore, a member of Eutaw Heights Church assumed the vacancy in July. We are grateful for her willingness to serve with us in this work.

Continue in prayer for us that God, this year, may lead us to even greater heights.

Respectfully submitted, Charles A. Stevens

MILITARY MINISTRIES

Our nation is still engaged in one of the longest wars in its history. Sinc it is limited to a small area, requiring a relatively small number of men at any one time, we seem to accept it as a routine military action. Nevertheles as far as the churches in Fayetteville and Spring Lake are concerned, we are far closer to all out war than we would care to be. During this year, thousan of men from our church fields have departed to war. Many of them were remembered by memorial services. Thousands of families moved into our are to replace those who departed. Our churches have faced the burden of consta loss of leaders and workers, yet under the leadership of the Lord and some o the most devoted pastors in the world, our churches have managed to increas in number, grow spiritually and care for His sheep. We are not contented wi our works, because the military ministry is a perpetual ministry and we are always seeking God's leadership into new fields with more zeal and greater power.

God's leadership is evident in the tremendous support given by the churches in the association this year which has enabled us to strengthen the

(Continued)

ministry in several of the military missions. This growing concern of our churches to be a part of this mission ministry will enable us to meet the needs as they increase year by year in this expanding metropolitan area.

Our efforts will continue to be to make our people aware of the existing needs, with the belief that Baptist will respond and meet the challenge of ministering to God's people whatever the need.

Let us support our military personnel, their families, and those who minister to them with our prayers. We who are more closely associated to these potential missionaries in uniform will, during this year, endeavor to truly minister to the total needs of the military family.

STATE MISSION

We in the New South River Baptist Association have more reason to support state missions than we possibly realize. In this report we will simply mention one of the ministries of the State Department of Missions. I refer to "church lot assistance." In the Division of Missions report contained in the 1966 North Carolina Baptist Annual we find the following information:

Four churches in the New South River Association received lot assistance money during the year. Churches receiving aid were: Gethsemane, Lake Lynn, Reilly Road, and Stoney Point.

Of course, in addition to lot aid, we received aid on the Associational Missionary's Salary, aid on Pastor's Salary for several of our churches and other benefits too numerous to mention. Even now our Association stands on the threshold of a new ministry, "Juvenile Re-habilitation," which will be a co-operative effort with the Dept. of Missions.

As we give to the Cooperative Program we help to support this vital ministry in our state.

Respectfully submitted, W. H. Walker

HOMES FOR THE AGING

Your North Carolina Baptist Homes for the Aging have been on the move during the past year. In fact, we will be ready to move into our new Home at Yanceyville in September and will be able to receive 30 more dear old people into the family of our Homes. When the Yanceyville Home, our fifth, is occupied, we will have a total of 200 deserving older men and women in our care in all the Homes.

As you know, we now have four Homes and an Infirmary in operation. Resthaven and the Hayes Home in Winston-Salem; the Albemarle; the Hamilton Home at Hamilton.

In these Homes you have an eternal investment and can rejoice in the loving care which you are making possible for our older people. The majority are financially needy persons, and are supplemented through the love gifts of North Carolina Baptists. Two sources of income from the churches are increasingly vital in the support of our residents--the Special day Offering, received on the 3rd Sunday of February each year, and our share in the Cooperative Program.

The Special Day Offering for 1967 is at al all-time high and has increased by 10% over last year. This is most commendable, but when we face the reality of costs, which have advanced by 20%, and the maintenance of a new Home and the care of 30 additional residents at Yanceyville, we could face a real crisis during the next year, unless the gifts from our Baptist people continue to increase in proportion to our needs.

We wish to thank all of our Baptist people across the State who are enabling us to minister to the aging in Christ's Name, and we want all of you to know that each of your 5 Homes exists for the people from all over our

(Continued)

great State. We could not operate without your love, your prayers, your concern, and your financial support.

In the midst of our joys have been our sorrows. Our oldest resident, Aunt Fannie Drumwright, passed away in June, just short of her 106th birthday. She came to live with us at the age of 93, and the 13 years of her presence with us have been a shining example of the special significance of a Christian ministry to older people. The compassionate nursing (are alone) which this little lady received is reason enough to thank God for the people called Baptist, whose vision and conern for mankind have included the aging in answering the Master's call in the service of the Lord.

BIBLICAL RECORDER

Does your church have a definite plan for getting information on the Baptist world wide mission effort to your church members?

Is there any definite plan to acquaint the membership with Baptist doctrine and policy?

Do your members have any way of knowing what other churches are doin and what is being done through cooperative efforts?

Is there any systematic plan for placing good Christian literature in the homes?

Do your deacons and church officers have a regular source of informatio as they help shape the policies of your church?

Is there a planned way to get accurate information and helpful suggestion to your church leaders?

The simplest and most economical way to get all this information into the homes of your members is through the BIBLICAL RECORDER. Under the Church Budget Plan, this can be done for only 4¢ a week.

Consider just one thing the RECORDER did this year: In reporting accurately and courageously the doings of the General Assembly in Raleigh, the RECORDER performed a significant service for Baptist, as well as other denominations. A number of daily newspapers, including the Charlotte Observer, credited the RECORDER with being a major factor in the defeat of a liquor by the drink bill. But we cannot sit back and relax. Supporters of liquor by the drink have warned that they will be back to push their cause in the 1969 General Assembly. The RECORDER will be there to keep you poste and to urge you to act.

As another example of service to its readers, the RECORDER is continu ing to run both Sunday School lessons--the Uniform Lessons and the Life and Work Curriculum Lessons. Outstanding writers have been secured to do thes lessons.

In addition to the weekly ministry in nearly 89,000 homes, the RECORD-ER editor now writes a weekly religious newscast which is heard on more than 75 stations throughout the state. The Radio-Television Commission produces and distributes the program. This is another opportunity to spread the good news of the Gospel.

Nothing else can take the place of the BIBLICAL RECORDER in Baptist life. If you doubt this, try it in your church.

BAPTIST FOUNDATION

In the widest sense Stewardship "is the maximum use of one's life for the glory of God and the good of mankind." The Foundation also en-courages the Stewardship of Accumulated Possessions by single block giving

t infrequent intervals from accumulated income during one's lifetime and/or t one's death. You will note that the Baptists have put the major emphasis n the Stewardship of Current Income. The Baptist Foundation seeks to put stronger emphasis on the Stewardship of Accumulated Income. There are nany ways that the Foundation assists a person in making his gifts through ccumulated income such as: 1- by living trust, 2- by gift annuity, and 3- by equests in wills.

The Foundation also serves by meeting with you and your attorney upon our request in connection with preparation of legal documents where the aptist Foundation is to be involved. The Foundation offers services to in- ividual churches, associations, and to all of our Baptist agencies and nstitutions.

We have been emphasizing the making of Christian wills. We have two lms, "God's Will Through Yours" and "Treasurers In Heaven," on hristian will making, which are available to any organization upon request.

BAPTIST MEDICAL CENTER

In this day of rapid change in almost every area of our lives, there are ew places in which change has been more rapid than in the field of medicine. n the last twenty-five years we have witnessed in medical care a transforma- on as dramatic as in almost any other area of life.

This period parallels the period of development of our Baptist Medical enter in Winston-Salem. This began in 1941, when our Hospital and our Medical School were joined to form the first and only such Baptist combina- on. Today it stands as one of the very fine medical centers of our country, eflecting the vast progress which has come in the field of medical care. ll indications are that this progress will continue at an ever growing rate.

It is a day of increasing specialization, with men and women highly rained and dedicated in their special fields of medicine. It is a day of ex- anding research in medicine, as in industry, agriculture and business.

Many of the fruits of this work seem almost like modern miracles. here are new means of diagnosing our ills, such as the brain scan and the se of sound waves. New drugs are being developed almost daily for com- atting disease, including antibiotics and new chemicals. There are new echniques in treating our ills, as in heart surgery, inhalation therapy, and eplacing of organs of the body. There are new instruments to perform these niracles, as the cobalt machine, the heartlung pump, the pacemaker for the eart, the laser beam in surgery. There are new facilities for better care f the patient, such as the intensive care unit and the progressive or minimal are unit.

There has developed a new concept in medicine in recognizing the patient s a person, and not just as a virus or a broken bone. He is now treated as whole person, including his emotional and spiritual needs as well as his hysical problems. Psychiatry has developed, spiritual therapy is an im- ortant factor, and pastoral care is a part of the total care of the sick.

Such important progress necessarily means greatly increased cost in nedical care. But the high cost is more than offset by service which gives s better health, more relief from suffering and handicaps, and added years o life.

This is not the work of an institution alone - it is a cooperative enter- rise. It is a ministry in which we as churches and individual Christians oin hands with those who serve in our Medical Center. If this service is nade available to all our people who need it, we of necessity have to provide nuch of the means, for there are many who cannot pay for it. This is a vonderful opportunity when we by simply giving our money can share in so mportant a service to our brother in need - and even hear a Well done,"

BAPTIST COLLEGES

As of October 1, 1966, there were enrolled in the Baptist Colleges of North Carolina 11,347 students. This is approximately the same number who were enrolled the previous year. This year, 1967, there are about 11,500 students. Limited facilities both in housing and instruction, have made it necessary to turn away many qualified students. Enrollments are as follows: Campbell, 2,267; Chowan, 1,234; Gardner-Webb, 1,262; Mars Hill, 1,371; Meredith, 930; Wake Forest University, 3,022; and Wingate, 1,561.

These Baptist Colleges of North Carolina, and elsewhere throughout our Convention are training most of those who serve our Baptist Churches as full and part-time Christian servants. There is, however, and ever-increasing concern about continually decreasing number of young people who are answering the Call of God to full-time Christian service. For example, there were nearly 600 students at Southeastern Seminary in 1962 as compared with a few less than 500 in 1966. Likewise, our other seminaries have reported similar decreases in enrollment. This lack of response to the Call of God is also being experienced by other Christian denominations.

Many theories have been advanced concerning the reason for this decline. Many of our young people are entering medical and allied scientific fields because of the greater financial compensation. Other young people say that the minister is not respected as he once was. And, others cite the numerous examples of churches firing their pastors as a primary cause of the decrease there is no "job security."

Whatever the reason, or reasons, and certainly we cannot point to one specific reason; the trend needs to be reversed. All Christian leaders may be instrumental in leading our young people to heed the often unanswered Call of God. We should encourage rather than discourage. We also can do more to support these Baptist Schools, that they may be able to open their doors to more of our young people, especially to those who are seriously considering a church-related vocation.

HOME MISSION

A missionary force of over 2,100 assists Southern Baptists in their efforts to bring men to God through Jesus Christ in a period characterized by national and international tensions, inflationary economy, growing population, moral problems, and mounting social changes. This force was reinforced in 1966 by the appointment of 427 missionaries, with 119 on career status. However, the total number reported represents a decrease that is strictly on paper from the previous year, as a careful recheck of personnel lists eliminated names that should have been removed earlier.

To cope with the changes the agency has continued to experiment with and to search for relevant methods in missions, such as those to be used in resort communities, industrial situation, juvenile delinquency, and high-rise apartments. Studies continued in transitional areas, with downtown churches and with ministries to ex-prisoners.

Record support came during the year through the Cooperative Program ($4.7 million) and the Annie Armstrong Offering ($4 million). The goal for the Annie Armstrong Offering was reached for the first time since 1961.

Some pressing needs remain unmet in missionary appointments: 70 Spanish missionaries, 8 Italian, 18 Slavic, 14 Indian, 25 US-2, 25 other

language groups, 9 couples and 11 single women for Baptist centers and weekday ministries, and 1 couple for migrant missions.

Viet Nam Military Forces were served by one hundred of the 849 Southern Baptist military chaplains serving on active duty. Strengthened efforts have also been made for ministries by chaplains with hospitals, institutions, and in industry, and with churches in meeting the needs of military personnel near them or from their membership who are away on active duty.

Metropolitan Missions is implementing a significant and comprehensive pilot program for the Miami Beach area, and the department also is cooperating in an urban studies seminar in Washington, D. C. with Southeastern Seminary and the District of Columbia Convention.

In Christian Social Ministries there has come a new awareness among Southern Baptists of the necessity to minister to all the needs of man; especially has this been noticed in the interest in weekday ministries. A research project is being conducted to discover how the church can make its message and ministry relevant to young people who are considered predelinquents or delinquents.

FOREIGN MISSION

Our Foreign Mission Board, with its home office at 3806 Monument Ave., Richmond, Va. 23230, has a staff of 143 regular employees, and part time and hourly workers are employed as the situation demands it.

At the close of 1966, there were 2,208 missionaries under appointment by the Foreign Mission Board for service in 65 countries. Included in this number were 65 missionary associates and 92 journeymen. These missionaries receive basic salaries as follows: single missionary, $2,000; married couple, $3,600; each child under ten years of age, $250; and each child over ten, $300. Inflationary conditions throughout the world require cost-of-living supplements to be added to these figures in most countries, however.

The total budget of the Foreign Mission Board for 1967, providing for support of missionaries, ministries on mission fields, and necessary building construction is $28,022,300. 93 percent of this amount is being spent on mission fields abroad. The Cooperative Program and the Lottie Moon Christmas Offering are the two main sources of funds which provide support for foreign mission.

At the close of 1966, our missionary pastors, with the help of 3,904 national pastors, witnessed of the love of God for all mankind through 4,707 organized churches and 6,542 mission points. 62 mission nurses ministered to the physical and spiritual needs of 598,055 patients in 20 hospitals and 56 clinics and dispensaries. 1,181 Baptist schools, enrolling 185,050 students, were staffed by 387 missionary teachers and 6,256 national teachers. 23 publishing houses produced 21,406,794 pieces of literature. These publishing houses are staffed by 68 missionaries and 530 nationals. 13 orphanages, enrolling 793 boys and girls were in operation and 19 good will centers reported an enrollment of 7,959. Thus, our Foreign Mission work is carried on through various institutions: churches, schools, hospitals, publishing centers, orphanages, and good will centers. All of these institutions work together and have one common goal: to share the message of life with all people everywhere.

Special evangelistic efforts are being undertaken during 1967 in Jordan, Japan, Indonesia, East Africa, Portugal, France, and Chile, and preparation is in progress for the Crusade of the Americas scheduled for 1969. Great blessings are anticipated from this effort on all Latin American mission fields.

Baker J. Cauthen, Executive Secretary of the Foreign Mission Board, said: "The call to lift our eyes to a new horizon of 5,000 missionaries has

brought an encouraging response. We interpret this only as God working in the hearts of his people..... We praise God for his blessings and grace and are confident that Southern Baptist will continue responding to his call by laying their lives upon the altar and their gifts at our Master's disposal....."

May we in the New South River Association continue to pray about world missions and to give generously through the Cooperative Program and the Lottie Moon Christmas Offering.

ANNUITY BOARD

Response to the New Southern Baptist Protection Program of family and retirement protection during the first quarter of 1967 indicated enthusiastic acceptance by ministers and denominational employees. During the first three months of 1967, more than 1,000 persons joined some part of the three-plan program as compared with only 685 during the first quarter of 1966.

The new Program, called the Southern Baptist Protection Program, provided additional benefits for disability, new benefits for children, education of children and dependent parent.

The new Protection Program incorporates the three plans into one certificate, which formerly required separate certificates for each plan. The three plans are: Southern Baptist Protection Plan, which is now Plan "A"; Age Security Plan, now called Plan "B", and Variable Benefit Plan, now Plan "C".

In 1966, more than $4,256,244 was paid in age retirement, disability or widow benefits to persons who had participated in the Protection Program. The checks naturally varied in amounts, depending on the length of service and the amount of dues paid into the Program by the member.

As of December 31, 1966, some 1,492 persons had joined Plan "A" of the Program. A total of 18,328 churches were providing the Protection Program for their ministers and staff members. Almost 12,600 of these churches were paying both member and church dues.

At the present time we have 44 churches participating in this Program in the New South River Association.

But the cost of living continues to climb. A retirement program based on $4,000 salary is no longer adequate to meet the needs of a minister when he retires. There seems to be no hope of a leveling off of the inflationary trends. Thus, the new Protection Program was started so churches could help their pastors increase their retirement protection. Now a church may participate on the total salary of its pastor or other employees. Ten per cent dues on total salary are recommended as minimum.

Any church desiring additional information may contact the Associational Representative, or Rev. Guy Cain, 301 Hillsboro St., Raleigh, N.C. 27603, or write the Annuity Board SBC, 511 N. Akard Building, Dallas, Texas 75201.

COMMITTEE ON CONSTITUTION

The Missions Committee recommended to the Executive Committee, August 2, that a statement relative to the administrative responsibility of the Superintendent of Missions be adopted. This was unanimously adopted with further action requesting the Constitution Committee to include this action in the constitution. Therefore the Committee is recommending that under By-Law VI - Superintendent of Missions:

Section 2, read: "The Superintendent of Missions is the Chief Administrator of the total associational program and its related ministries."

The present Section 2 will become Section 3. This is not a change in methods. It is simply a matter of it being included in the Constitution.

Respectfully submitted, D. H. Lowder, Chairman

WMU MINUTES FOR 1967

The 1966-67 annual session of the New South River Baptist WMU association met at the First Baptist Church in Spring Lake on April 10, 1967 at 7:30 P. M. This was our 71st session. Mrs. Johnnie Rice, President, presided. A copy of the program is attached to these minutes. The theme was, "In His Name." Mrs. Donald Beard, Prayer Chairman, spotlighted a poster with the "Praying Hands" and the words, "Lord Teach Us to Pray." She read the names of the Missionaries on the Prayer Calendar and had prayer for them.

Mrs. Wilkes Elkins, President of the Spring Lake WMU cordially welcomed all.

Rev. Lloyd Hales, pastor of Spring Lake, took his devotional thoughts from Nehemiah, when he obtained permission from the king to build up the torn down walls of his city and the Temple. He said that Nehemiah was obedient to the purpose God has for us. He stressed walls we need to build up, such as: a program for our youth; new missions; mobile units for Churches; strengthening weak Churches; buying lots for new Churches where land is getting scarce; witnessing to the military with a military center. He said the closest place for a retreat for our youth is Southport.

Mrs. Rice announced the following dates: May 7 - G. A. Rally - at Judson Church. Aug. 14-18 - Sunbeam Day Camp at Walstone Church. Aug. 7-11 - G. A. and R. A. Camp at Salemburg. And stated that the cost of the Camp would be increased. She stated that the Heck-Jones material will be late. A nursery is provided now for this session.

Under miscellaneous business, an insert is attached to these minutes containing the list of new officers and committees of 1967-68; the various recognitions for achievements. The churches with honor recognitions were asked to stand. We have 274 organizations with 4657 members and 71 recognitions. Mrs. A. C. Jackson gave the treasurer's report for 1965-66. Next year session was announced to be at Pleasant Grove Church.

Hymn for the year, "O Master Let Me Walk With Thee" was sung.

Rev. Charles Stevens, Supt. of Missions, displayed pictures of happenings of the GA and RA Camp at Salemburg in 1966. He announced a Conference of the Christian Social Ministries at Grace Baptist Church, Durham on April 17; and a retreat for young people of the 10, 11, 12 grades and college-age people at Southport May 12-14. He emphasized the need for Christian work for the love of our children using an acrostic "F-L-O-C". He presented Dick Brown, assistant Pastor of Snyder Memorial Church, and Associational Chairman of our Christian Social Ministries Activities. Mr. Brown told us that we need to help in juvenile rehabilitation, with foster homes for youth offenders, with our military, with races, with helping prisoners to find work, with combating alcoholism.

He said our young people can do some things better than adults because they have enthusiasm and endurance. They put us to shame with the work they do in our Mission Vacation Bible Schools.

(Continued)

Mrs. Robert Strickland, program chairman, introduced the Rev. Ernest Glass, our Missionary Speaker. Mr. Glass works in Singapore, Malaysia, having been appointed in 1956. He works at the Jerong Baptist Mission Center and he also works at a church where services are conducted in Chinese and English. He stated that the Government doesn't allow them to witness to the Malay people, but they can witness to Chinese, Indians and other nationalities. He said if he were to witness to the Malays, his visa would be revoked. He asked us to pray that the doors may be opened. He stated that the believers of Islam are free to practice their religion but not free to change it.

The new officers were presented.

The benediction was given by Mrs. Wayne Lee, new president. 116 were registered for the night session.

The 71st session resumed at 9:30 A. M. on April 11, 1967. Mrs. Richard Whitley, Chorister, led in the singing of "God of Grace, and God of Glory". Mrs. A. C. McInnis was at the piano. Mrs. Earl Parker, Community Missions Chairman, gave the name of those missionaries on the calendar of prayer and led in prayer.

Mrs. Wilkes Elkins welcomed all and announced that the nursery was open. Registration for the day session was 136 adults, 18 babies, 2 nursery workers. Mrs. Rice and Mr. Stevens both added their words of welcome.

Rev. Berkley Helms, pastor of Temple, gave the devotional, using words from Matthew 16, "But whom say ye that I am", stating that Christianity is a very personal thing and asking "Who is Christ to you?" He also continued with Christ asking Peter, "Lovest thou Me more than these?" if so, "Feed my Lambs". We are to feed His lambs spiritual food.

Treasurer's Report of 1965-1966 was adopted. The Budget for 1967-1968 was adopted. A copy of each is attached to these minutes. Mrs. Agnes Hardin, Chairman of the Time and Place Committee, announced the 1968 meeting to be held at Pleasant Grove. The time is to be set by the President and Program Chairman when they go to meet with the presidents of the 6 other associations of the Eastern Region. Mrs. Rice reviewed the recognitions and other statistics listed on the insert. She said midyear reports are overdue.

Nominations of officers was presented by Mrs. Vernon Goodwin. All were elected except a Stewardship Chairman.

The report of the committee on committees was presented by Mrs. A. R. Teachey. All were elected.

Hymn "O Master Let Me Walk With Thee" was sung.

Rev. Boyd Lambert, Pastor of Pleasant Grove and pastor of the R. A. and G. A. Camp at Salemburg this summer 1967, have a preview of the plans for the camp. He stated the cost would probably be about $15.50 or $15.75. He pleaded for more pastors and counselors and said that all counselors would be adults this year. They would like to help the boys and girls to realize that (1) God may be calling them to be Christians. (2) God may want them for special service. (3) God may want them to be missionaries.

Hymn "To God Be The Glory" was sung.

Mr. Stevens introduced Rev. Ernest Glass, Missionary to Malaysia.

Special music was rendered by Mrs. Richard Whitley, "How Long Must We Wait?"

Mr. Glass displayed dolls with various kinds of dress to represent the different types of people in Malaysia and also tracts in both English and Chinese. Many pictures, clothing and other things depicting customs in Malaysia.

His text was "One Soweth; Another Reapeth", and "The Fields are White unto Harvest."

He stated that never before has there been such opportunities, such challenges, such responsibilities as today. We must meet them now or they will be lost. The world will not wait.

(Continued)

The new Officers and committees were installed. Mrs. Brownie Tew led in the prayer of dedication.

Mrs. Wayne Lee pledged to do her best and asked for our cooperation.

Benediction and blessing were given by Rev. Lloyd Hales, Pastor of Spring Lake.

Respectfully submitted, Mrs. R. G. Creech, Secretary
Mrs. Johnnie Rice, President

REPORTS

ASSOCIATIONAL MISSIONS REPORT

The concept of Associational Missions is all inclusive in Article II of the Constitution "Purpose".

> "It shall be the purpose of the Association to advance Christ's world redemptive mission among men, to foster and nurture fellowship among the Baptist Churches within the bounds of the Association, and to promote the causes of the Baptist State Convention of North Carolina and of the Southern Baptist Convention."
>
> "The means of accomplishing these ends shall be in strict conformity with the teachings of the New Testament."

The task remains basically the same; that is, to assist, undergird, support, strengthen the churches in their efforts to do the work committed to them by our Lord. Through this Christian fellowship and cooperative relationship (interdependence or togetherness), greater things can be attempted and completed than can ever be accomplished alone (or independently).

The methods of Associational work are not only continually changing, as is true in all of our church work, but the changes are coming with increasing acceleration. One thing is certain, all that we do should be Christ centered and people oriented. In years past Associational leadership "was available" if called upon - much of the time was spent visiting from place to place simply to "put in an appearance" or waiting - waiting to be called on for supply or in some emergency.

In our day, the pace of life in the average community has so accelerated, and problems and needs have been so compounded that ours is not a "waiting game" any longer, but rather one of pioneering, trying, experimenting with a consciousness that we must be out on the cutting edge, out on the "front lines" of service, seeking to lead out in areas of need formerly unknown and unmet, but always attempting to relate churches and/or individuals to these needs.

Because of the unparalleled spiritual challenges we face today, we need to remember that the work of the Lord deserves the very best in personnel and "tools". The skills that the best qualified person brings to the position become even more valuable through dedication and commitment to the will of

l. Too often we are tempted and are willing to settle for the average, or n less, when God's work is worthy of the best we can afford or give to it. So far as our personal lives are concerned, we have a tendency to "coast" her than give of our best.

May it be in these days of unprecedented opportunities, that we will mit ourselves without reserve to the will of God and to the leadership and er of His Holy Spirit. Only in this power can we dare to attempt and e to achieve "the impossible".

Some of my responsibilities during the year have included:

4 Deacons Ordination Services
5 Study Clinics of at least 3 nights each, for 5 different churches
4 Studies Taught, 672 Personal Conferences, Some 31 Group Meetings, 55 Committee Meetings

The Expansion of the Associational program has required much of my e this year in planning and implementing so much more than we thought ld be done. Our Christian Social Ministries program is well underway, ough Brother John Halbert, a bookkeeper/office assistant has eased the d in the office in an outstanding way, our Newsletter circulation now is a weekly basis instead of every other week and has been increased from 46 to almost 3,000. We are in the best position ever to more adequately der service to our churches and to promote the work in the Association.

How grateful we are to you, the members of our New South River Bap- Association, for the fine cooperative support you have given this year for the encouragement we have been given to move on out in greater as of ministry. Continue in prayer for us.

Respectfully submitted, Charles A. Stevens
Superintendent of Missions

MILITARY MINISTRIES REPORT

More progress has been made this year in ministering to the military n any single year in the past. This progress has been due to increased rts on the part of pastors and church leadership in the implementation of or different ways and methods.

Several pastors under the guidance of capable leadership of the Cumber- d County Mental Health Center are exploring ways and methods of minis- ing to the wives of service men who are in Southeast Asia. Cedar Falls rch has implemented this program. Several churches are using their ng people in their summer programs of mission Bible Schools in order rovide for more schools to reach more children and have learned that ir youth are dedicated, sincere and sufficiently matured spiritually to form certain ministries.

Statewide concern for the spiritual needs of military families is reflected the increasing request from Associations throughout the state for the itary ministers to participate in World Missions Conferences, assemblies Camps. Two statewide Military Ministries Conferences were conducted he state this year. Nationwide interest in Military Ministry is expressed the increased emphasis in Brotherhood and WMU mission action books other denominational literature.

Through the ever increasing devotion and prayerful concerns of the rches of our Association, our military missions are continuing to be able xpand and provide facilities in which to meet and worship. The need for churches to help these small missions in the military areas will continue very possibly increase since we have large and fastly expanding un- ched areas.

Efforts are continuing and the possibilities look very favorable for the uisition of land for mission cites in two additional large housing sub- isions.

The close relationship of our state convention and the military is ex- plified by the arrangement of the Baptist Assembly at Caswell to be used

by the Fort Bragg Chaplains Division in providing weekend retreats for the young service men during the off-season of the assembly facilities.

The Oriental ministry continues to be a strong and meaningful influence in the lives of these ladies. Even though many depart our area each year, the three churches have been able to continue their work. The statewide Oriental fellowship was held at Fort Bragg this year.

We are thankful to the Association for calling John Halbert to work in the field of Christian Social Ministries. Many of the unmet needs in the lives of our service families are in the field of his ministry and his work will enhance our efforts to minister to their total needs as we endeavor to reach them for Christ and to serve them in His name.

We always covet your prayers and continually want you to know that we "thank you".

Respectfully submitted, James Sassar

CHRISTIAN EDUCATION REPORT

North Carolina Baptists have traditionally been known for their educational institutions; and today, as never before, they face perhaps their greatest challenge in the area of Christian education. With its seven colleges having an enrollment of over 12,000 students one can quickly see the opportunity that is presented to the Baptists of North Carolina. Yet, the challenge will not be met until the churches of our State and Association make an honest attempt to inform its members as to what our colleges are attempting to do and something of their financial needs.

Perhaps part of the problem lies in the average Baptist's lack of understanding of what our colleges should be. Some say that a Baptist College should teach traditional Baptist beliefs, protecting our students from any "liberal" ideas. We must remember, however, that it is impossible to build a wall around our students and protect them from being exposed to liberal thought. There are others who think our Baptist Colleges should be little "Bible Schools". There is nothing wrong with Bible Schools, but it is rather difficult to have grade "A" institutions meeting the qualifications of accredited organizations with restrictions that some Baptists would place on our colleges. We must make our schools strong academically, but we must also present the call and challenge of Christ.

What can we do? First, we can pray for our institutions rather than criticize them. Second, we can find out the truths about our colleges, rather than accept as truth what we hear. Third, we can begin to recognize the handicap under which they work. They work under financial difficulties, suspicion on the part of misinformed people, and with students the Baptist homes and churches send them.

Respectfully submitted, Colon Jackson

CHRISTIAN SOCIAL MINISTRIES REPORT

In serving the needs of society the church's concern is to re-create the social order within which people live both near and far. This endeavor may express itself in many ways but always it is the activity of the Holy Spirit at work through the church in the fostering of human relationships after the pattern of the gospel. This serving ministry includes concern for the physical, Social, mental and spiritual well being of all individuals. Thus the ministry of healing is made manifest not only in medical services, pastoral care, counseling - both educational and therapeutic, but also as a means of reconciliation. It is evidenced by bringing together, in a context of good will, conflicting people and groups so that quarrels may be resolved, hatreds transcended and wounds healed. Through this ministry of reconciliation both persons and society may be made whole.

The church serves, caring for the sick, the old and the fatherless, giving relief to the poor, building hospitals and schools. For these actions, the

hurch finds ample precedent in the scriptures. It has as an example the ife of its Lord and Head who "went about doing good". He healed the sick in ody and mind and specifically exhorted His disciples to do the same. He poke of feeding the hungry, clothing the maked, taking the stranger and isiting those in prison and our Lord made it clear that He accounted this ervice to Him. Paul was equally specific: "Bear ye one another's burdens nd so fulfill the law of Christ." (Gal. 6:2).

Involvement in Social Welfare work keeps the church as a corporate body n touch with the needs of the less fortunate both within and without the church. A church is always in danger of becoming self-satisfied, each one concerned vith his own affairs.

It needs to testify to its faith that man can be redeemed, to its under- tanding that needs met and not needs ignored is the measure of the churches wareness, effectiveness and commitment.

Can a helping relationship, man to man, open the door to a saving re- ationship with Christ? How can we better meet the needs around us? Is the hurch and God concerned about all aspects of life? Have Christians realized heir responsibility that accompanies their acceptance of Christ? These uestions and like ones are being asked by the relevant church.

The concern of our denomination is evident by the literature and planning f W.M.U. and Brotherhood materials, by the denominational out reach in reas of special ministries. This concern is evident in our Association as hown by the interest of our churches and in their endeavors to "reach out". Much is being done now by our churches in the area of expressing the love f Christ.

Our task is to enable Christians to become involved in fulfilling their ommitment to Christ. By helping others, we are allowing Christ to work hrough us.

Respectfully submitted, John E. Halbert

SUNDAY SCHOOL REPORT

The 1967-68 Sunday School year for New South River Baptist Association had an excellent beginning. In cooperation with the Training Union, an Action-Mobilization Week was conducted at Snyder Memorial Baptist Church, October 2-5. Twenty-four courses were offered to the churches of our association during this week and a large percentage of the churches participated.

A second joint meeting with workers of the Sunday School and Training Union was held at LaFayette Baptist Church and Pleasant Grove Baptist Church. We were delighted with the interest shown in this meeting.

The year 1968-69 is to highlight Missions and Evangelism. The Crusade of the Americas will be a strong emphasis for the Sunday School ministry. The Sunday School has an important job to do in the Crusade of the Americas. Check with your church leadership now concerning the responsibilities that your Sunday School will be given in your crusade. You will find that you have at least seven tasks to perform that will undergird the Crusade ideals:

1. Create a climate of concern for the unreached in your community.
2. Discover the prospects in your community.
3. Cultivate these prospects.
4. Enlist the prospects in your Sunday School for Bible study.
5. Teach the prospects the gospel and its claims on their lives.
6. Witness to the prospects about salvation through Jesus Christ and church membership.
7. Include new church members in the life and work of your church through the Sunday School.

Plans are already in progress to help you better interpret the Crusade of the Americas through Sunday School conferences this year. We urge you to lead your church in participating in these conferences.

MISSIONS COMMITTEE REPORT

The Missions Committee of the New South River Association is charged with the task of promoting the work in the Association and leading and assisting in organizing new churches and in beginning new mission stations.

One major task this year was new job descriptions for the office personnel. Many hours were spent by the committee before the completed copy was sent to the Executive Committee for approval. The job descriptions have been reassuring to the Association office in that the job descriptions have been spelled out, yet at the same time personal initiative has not been hampered.

The Missions Committee has been vitally interested in the missions in the association.

Two members of the Missions Committee were asked to serve in an advisory capacity on the Lake Lynn pulpit committee. Assistance has been rendered to all the missions when necessary and requested.

The Committee is grateful for the progress which has been made this year at Shaw Heights. A Mobile Chapel has been provided for the work there. The Mission Center, including work day programs, have been begun and the existing program strengthened under the leadership of the pastor, Rev. Charles Tyndall and the "shared leadership" of Mr. and Mrs. Ralph Faires of the Eutaw Heights Church.

The expansion of the program at Lake Rim has required us to give some attention to specific needs such as additional Sanctuary space by recommending to the Executive Committee the approval of a Mobile Chapel.

During the year, a long time dream has been realized in the employment of Mr. John Halbert as Director of Christian Social Ministries. The entire association has realized the impact of his ministry.

Recognizing the rapid growth of our association, the Superintendent of ssions and the Missions Committee realized the need of restructuring me of the organization, specifically the Missions Committee. This was proved by the Executive Committee to be presented at the Annual Meeting. stead of a Missions Committee of twelve members, there would be a Mis- ons Council composed of the Chairmen of seven sub-committees (nine embers each).

With the expansion of the associational program, additional office sistance has been provided through the recommendation of the Missions d Finance Committees and approved by the Executive Committee.

Because of the tremendous needs, and our seeing the potential being ore fully realized, your continued financial and prayerful support and rsonal involvement is of the utmost necessity.

May we ever keep before us the Great Commission of "Go Ye into all e World and Preach the Gospel".

Respectfully submitted, T. Q. Whitmire

HUMAN RELATIONS COMMITTEE REPORT

Your committee on Human Relations has not, as a committee, given adership to the churches for progress in Human Relations, but the churches the association have made progress in the areas of their particular re- onsibility. There is evidence that the influence of our churches has been lpful in our area to avoid the spread of strife and violence at a time when ese have been much in evidence elsewhere. We respectfully suggest that e churches prayerfully consider the following suggestions from the South- n Baptist Convention:

"Our nation is at the crossroads. We must decide whether we shall be ited in good will, freedom, and justice under God to serve mankind or be estroyed by covetousness, passion, hate, and strife.

"We urge all leaders and supporters of minority groups to encourage eir followers to exercise Christian concern and respect for the person nd property of others and to manifest the responsible action commensurate ith individual dignity and Christian citizenship.

"We appeal to our fellow Southern Baptist to join us in self-examination nder the Spirit of God and to accept the present crisis as a challenge from od to strive for reconciliation by love.

"We appeal to our fellow Southern Baptist to engage in Christian ven- ures in human relationships and to take courageous actions for justice and eace.

"We believe that a vigorous Christian response to this national crisis s imperative for an effective witness on our part at home and abroad.

"Words will not suffice. The time has come for action. Our hope for ealing and renewal is in the redemption of the whole of life. Let us call nen to faith in Christ. Let us dare to accept the full demands of love and he lordship of Christ in human relationships and urgent ministry. Let us be dentified with Christ in the reproach and suffering of the cross.

"We therefore recommend to the messengers of the Southern Baptist Convention that:

1. We approve this statement on the national crisis.
2. We rededicate ourselves to the proclamation of the gospel which includes redemption of the individual and his involvement in the social ssues of our day.
3. We request the Home Mission Board to take the leadership in working with the Convention agencies concerned with the problems related to his crisis in the most effective manner possible and in keeping with their program assignments.

4. We call upon individuals, the churches, the associations, and the state conventions to join the Southern Baptist Convention in a renewal of Christian effort to meet the national crisis."

BIBLICAL RECORDER REPORT

This is a period in history when some church publications are struggling to exist. Smaller circulation, rising cost of publication, mergers, and other factors are creating hardships for many publications.

Your BIBLICAL RECORDER is not immune from some of these problems, but there is a brighter side to its ministry. In January, the RECORDER had its 135th birthday so this indicates it is durable and hardy. While circulation did not set any new records in the past year, a healthy gain was noted. Inflation, accompanied by increased printing costs, caused the RECORDER to have to buckle its belt, but necessary economy steps were well-accepted by our Baptist people. One of these was to let the churches pay the state sales tax, thus saving the RECORDER nearly $5,000 a year.

There is every indication that the RECORDER is continuing to be read closely. Letters to the editor reflect this growing interest on the part of readers. This is healthy and is one of the strong points of Baptist democracy. The RECORDER runs well over 200 letters a year, many of them expressing strong feelings on a variety of subjects. Baptists are individualists and since this is part of our heritage, the RECORDER is glad to receive letters on the issues facing Christians today. There must be dialogue among Baptists and the RECORDER is glad to serve our denomination in this capacity.

The tragedy is that more of our Baptist people don't get the RECORDER. Although hundreds of churches send it to every home, there are too many churches that do not have it in the budget. Frequently the interest and hard work of one person can mean the difference. Try it and see.

The RECORDER staff rededicates itself to the job of getting out the best paper possible in these days of serious upheaval. Speaking the truth in love is the goal of the RECORDER at all times. The support of all Baptists is needed in carrying out this objective.

Respectfully submitted, Mrs. Ralph Faires

HOME MISSIONS REPORT

One special emphasis of Home Missions work is on "The Church Fulfilling Its Mission Through Evangelism and World Missions". The Crusade of the Americas and Project 500 will seek to magnify the ultimate purpose of all home mission effort. . . . to lead people to know and follow Christ.

Many rallies have been held in preparation for the Crusade of the Americas. Much planning and prayer has gone into this great evangelistic effort to be climaxed in 1969.

Project 500 locations have been selected and plans are being made for the establishment of these congregations during the two year emphasis. More than seventy-five million people in the United States are unchurched. Surely the Christian task in our homeland demands our greatest effort.

Home missionaries total almost 2,300, representing a gain of over 100. Most of them are jointly employed with a state convention, association, and/or local congregation.

This association is indeed fortunate to have a new staff member, Mr. John E. Halbert, serving as Director of our Christian Social Ministries. The program of Christian Social Ministries is expanding throughout the convention and we are pleased with the advance made in this area.

Cuba is still a source of great concern. David Fite continues to be in prison and Herbert Caudill is under house arrest; twenty-five pastors are yet in prison.

Good news includes a report that the Cooperative Program and the Annie rmstrong offerings provided the largest support in the history of the agency. so, new quarters for the Home Mission Board Staff and office force were cured in Atlanta at 1350 Spring Street, N.W. (30309). This new building ll nearly double the space provided by the old building purchased more an twenty years ago.

Respectfully submitted, Mrs. Roger Benton

BROTHERHOOD PROGRAM REPORT

We are happy to report that the churches are showing a great deal more terest in the Brotherhood program. This includes a Baptist Men, Baptist oung Men and Royal Ambassadors. We emphasize that a church should not ait until it thinks it can have all these units before starting any one of them. art anywhere you can, but start!

Our associational officers have been active in helping individual churches ith Baptist Men's units and with Royal Ambassador chapters.

Approximately 100 men were involved in the conferences held at our ssociational Workshop last year.

Mr. Edward Green, our Royal Ambassador Leader, has effectively led RA overnight events. In addition there were two Royal Ambassador Base- all Leagues in the association, planned and led by RA leadership and astors. The concept book, The Brotherhood Program of a Baptist Church, as taught in two nights in an associational study held at Spring Branch Bap- st Church in September. There was an average attendance of 60 men.

We urge the men from the churches to attend the Brotherhood Workshop o be held at Pleasant Grove Baptist Church, Monday and Tuesday nights, ovember 25-26, 1968.

Our associational officers will help you anyway we can at any time. We an help more of you at one time through associational meetings.

FOREIGN MISSIONS REPORT

As of August 1, 1968 our Foreign Mission Board's overseas staff otaled 2,276 missionaries. Of this number, there are 2,114 career mission- ries, 105 missionary associates, 55 missionary journeymen, and 2 medical roject personnel. These individuals are under appointment to 68 different ountries.

In these 68 countries there are 4,918 organized Baptist churches (South- rn Baptist oriented), of which 3,211 are self-supporting. In addition, there re 6,463 mission points, providing a total of 11,381 centers of worship and itness.

There are 1,295 Baptist mission schools with 181,639 students. Hospitals umber 20 and publication work is carried on in 24 centers. There are 15 hildren's homes caring for 1,168 boys and girls and 25 good will and com- munity centers.

Beginning in 1967, extended orientation lasting sixteen weeks was in- augurated at Ridgecrest, designed to better prepare the new missionary for ervice overseas.

The above statistics, and others that could be quoted, indicate some de- gree of progress in the missionary enterprise. Nevertheless, informed Baptists cannot escape the fact that such statistics will continue to have little meaning until we who are so consistent in praising God become equally deter- mined to serve Him by taking seriously the difficult teachings of Jesus in our own real life situations.

Respectfully submitted, Earl D. Farthing

BAPTIST HOMES FOR THE AGING REPORT

The past year in your Baptist Homes for the Aging has been one of the
ost eventful in the history of the Homes. Of primary significance was the
ening of the Yanceyville Home on November 1, 1967, and dedicatory
rvices on April 25, 1968, with Governor Dan K. Moore as the principal
eaker.

When the Yanceyville Home, accommodating 31 residents, is filled to
pacity, the number living in all of our Homes will reach 200. Residents at
nceyville, Resthaven, the Albermarle Home, the Hayes Home, the Ham-
on Home, and the Infirmary constitute a large and ever-growing family of
derly people who receive compassionate and tender care.

The waiting list for admission to one of our five Homes continues to
ow, but has been revised and is a bit more realistic than ever before. The
ening of the Yanceyville Home has relieved the pressure greatly on this
aiting list, and persons are encouraged to make application from the various
ctions of our great State.

Baptists of North Carolina can be grateful for their record in ministering
the residents in their five Homes for the Aging. Recent reports reveal
at our Baptist Homes for the Aging are giving more financial assistance to
eir needy aging than any other denominational Home in North Carolina.
bout 85% of the residents ministered unto receive assistance through the
ve gifts of North Carolina Baptists. These love gifts from our Baptist
urches come from two main sources: (1) The Special Day Offering,
ceived on the 3rd Sunday of February each year, from which the Homes
rive 22 1/2% of their total support; (2) The Cooperative Program from
hich we receive 12 1/2% of total income. Gifts for 1967 through these two
ources were at an all time high and amounted to around $200,000.00. The
968 Special Day Offering, at this time, is reflecting an encouraging increase.
nless these two vital sources of income are increased considerably, your
aptist Homes cannot be maintained, either on the basis of quality of care,
r quantity.

More than in any previous years the ministry of the Homes has been ex-
nded beyond the day to day care of the residents to our local churches and
ommunities. Experiences have been shared in more than one Association,
n World Missions Conferences, Family Life Conferences, High School
lasses in Family Living, etc.

Life among the residents in the Homes is most interesting, and if one
onders about activity among those whose average age is 80, let him come
nd see. Let everyone who is contributing to this great area of human need
e grateful to the Lord to be a part of a great denomination that has had the
ision to plan for the aging, and is moving forward in meeting the needs of
his very deserving group.

Respectfully submitted, William A. Poole

MUSIC REPORT

It has been the desire of the Associational Music Council to be of maximum help and assistance to the churches during the past year. We have worked with other organizations in the association in an effort to correlate our work so as to be as effective as possible. Ideas and plans have been shared in various ways including the planning of the annual session of the association.

A highlight of the year was our second Hymn-Playing Festival. There was good participation and excellent response. In the final analysis, we believe such a program can be a great benefit to the individual participant as well as to the church he represents.

A one-night "Church Music Clinic" was planned for the music leadership of our churches. Two conferences were held simultaneously - one for directors and one for instrumentalists - under the direction of capable out-of-town leadership.

As we look ahead, we will endeavor to be sensitive to the music needs of our churches and then plan our program of work in these areas.

Respectfully submitted, Jack Alexander

ORDINATION COMMITTEE REPORT

The Committee on Ordination was called into session twice during this year. First by the Immanuel Baptist Church to examine Brother Larence Tew. Second by Eutaw Heights Baptist Church to examine Brother Charles H. Tyndal.

The Committee directed the questioning to the following:

1. The genuiness of his conversion experience.
2. The definiteness of his call to the Gospel Ministry.
3. The thoroughness of his knowledge of the basic doctrines of the Bible.
4. His willingness and readiness to cooperate with fellow Baptist pastors and churches.

The Committee after deliberation voted unanimously to recommend Brother Tew and Brother Tyndal to their respective churches for ordination should said congregation deem it wise to act favorably upon our findings.

Respectfully submitted, G. N. Ashley

ANNUITY BOARD REPORT

Important Date for all New Members in Plan "A" - The three-plan Southern Baptist Protection Program has one provision in Plan "A" that will affect all prospective new members soon; this provision is called "Delayed Participation", commonly known as a "grace period". The grace period provision will become effective on January 1, 1969. The provision states that the grace date is established in one of three ways: (1) as of January 1, 1969; (2) on the member's 26th birthday; or (3) one year from the date he first becomes eligible, whichever is the latter. This simply means that if a member joins Plan "A" of the Protection Program later than his grace date, the disability, widow, child, education and dependent parent benefits will be proportionally reduced. The reduction will be the ratio which such years of delay bear to the total years from the grace date to the normal retirement date. Therefore, it is important that all who are now eligible join the Program before January 1, 1969.

Response to the new Program has been good. During 1967, 3,146 members joined some part of the three-plan Program. The plans in the Protection Program are: Plan "A", formerly called the Southern Baptist Protection Plan, and the plan in which benefits were increased and new ones added; Plan "B", the Age Security Plan; and Plan "C", the Variable Benefit Plan.

Information about the Protection Program, including the "grace period" rovision, may be obtained from the annuity secretary in your state at the aptist Building, or from the Development Division, Annuity Board, SBC, 1 North Akard Building, Dallas, Texas 75201.

Annuitants Receive "13th" Check - For the second consecutive year, all ersons receiving a life benefit were mailed a "13th" check. Each check as for an amount equal to 12 per cent of his annual benefit. These checks ere made possible because of interest earnings in excess of what the plans equired. The trustees approved, two years ago, the issuance of "13th" ecks, providing the Board realized such excess interest earnings.

Dues to Total Salary Encouraged - Inflation continues to affect the buying ower of the dollar for everyone, including those who have retired. No sign a leveling off period of the inflationary trend is indicated. The Protection rogram is designed to help any church provide as much retirement income r the minister and staff as it desires. Manu churches are moving to ten er cent dues on total salary, recommended as a minimum by the Annuity oard and state convention secretaries.

Report for 1967 - As of December 31, 1967, 1,202 new members had een issued certificates in Plan "A" of the Protection Program. A total mber of 17,400 churches were providing the Program for their ministers.

Of the 174 agencies in the state conventions and the Southern Baptist Con- ention, 145 were providing the Program. The total number of employees overed in the agency programs was 7,140.

Rev. Guy Cain promotes the Protection Program in North Carolina. He jointly employed by the Annuity Board and North Carolina Baptist Conven- on. For information about any of the plans in the Protection Program con- ct Rev. Guy Cain, 310 Hillsborough Street, Raleigh, North Carolina, or rite the Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 5201.

Respectfully submitted, D. M. Clemmons

COOPERATIVE PROGRAM REPORT

What the budget is to the local church, the Cooperative Program is to e denomination. It is support for all missionary causes at home and abroad, 's preaching the gospel - it's healing in the name of Jesus through hospitals nd clinics everywhere - it is teaching and training Christian leaders for all e great tasks of Kingdom endeavor.

As our people worship with tithes and offerings Sunday by Sunday and as our church channels a worthy part of its income through the Cooperative rogram, we enter into partnership with God and one another in obedience the command, "Go... preach... teach...!"

Let us resolve to pray earnestly for all Kingdom work through the Co- perative Program and support our prayers with sacrificial giving of self nd substance. The Yates Association had 100% of their churches giving rough the Cooperative Program during 1967.

A new Eight Day Stewardship Program will be available from the tewardship Commission of the Southern Baptist Convention on April 1. It ill suggest visitation of every family in the church by the Deacons, prayer y every church member and a Week-end Stewardship Revival. Many of the ilot churches have found this an effective way to increase giving and pledge e church's budget.

According to records available our association gave approximately 160,000 during the last year for World Missions through the Cooperative rogram.

We recommend:

(1) That each church plan, vigorously promote, and subscribe a worthy budget.

(2) That each church have a special prayer for Cooperative Program causes during each church service in October.

(3) That each church give regularly, a worthy percentage of each offering plate dollar through the Cooperative Program.

Respectfully submitted, T. J. Fulk

AMERICAN BIBLE SOCIETY REPORT

Christianity enters the space age with a handicap to its hopes because of a world shortage of Scriptures. Seven out of eight Christians do not possess a New Testament; 50% of all Christian families do not have Bibles and more than 2 1/2 billion of the 3 billion people in the world are without any portion of the Written Word at all.

Christianity will conquer the inner spaces of man's lives only as they encounter the Living Word of God.

The American Bible Society, a vital arm of the church, has existed for over 150 years for the sole purpose of preparing and supplying Scriptures to all mankind, in a language he can understand. Printing without note or comment... supplying the blind with special Scriptures and distributing without profit, ABS has reached millions of people in the world. At least one book of the Bible has been published in 1,326 different languages and dialects to date but there are still over 1,000 languages to go.

Southern Baptists have always been in the fore-front of active participation and cooperation with ABS ministries, leading the 74 denominational groups in financial support.

North Carolina Baptist churches contributed $7,614.25 to the ABS cause in designated gifts through the Convention office last year. Officials of ABS continue to urge churches to make their contributions in this way, in order that more accurate records may be kept for our own information.

Because of those gifts, and other contributions, ABS continues to minister through institutions, armed forces, hospitals, prisons, schools and other vital targets. One request recently brought more than 2600 N. C. residents of several different insitutions copies of the Scriptures from ABS grants. These included Samarcand Manor, McCain Prison Unit, McCain Hospital, Leonard Training School, Odum Prison, Morrison Training School, Barium Springs Home, Jackson Training School, Florence Crittenton Home and one public school requesting portions for 550 children.

Miss Ruth Culley, Special Ministries Secretary for ABS (1865 Broadway, New York, N. Y. 10023) welcomes any request for information concerned with assistance to institutional ministries.

The American Bible Society depends entirely upon concerned churches and individuals who have the vision to feed men's souls.

The world will not wait. And it need not, as long as dedicated Christians continue to manifest their concern for God's world by their increased support of the translation, publication and distribution of His Word.

TRAINING UNION REPORT

These are very important days in the ministry of Training Union. Many new ideas, new materials, and a new seriousness to our need for Christian Training are coming to us through our Training Union.

This has been a good year for Training Union in our association. Your Director has traveled over 1100 miles, visited in 19 churches, worked in three clinics and organized two new Training Unions.

We had thirty nine Juniors taking part in the Junior Memory work representing eleven churches. Our Intermediate sword drill winner was state winner. We are looking for many more of our Juniors, Intermediates and young people to enter this year as well as some of our Adults in the scripture reading. Another highlight of our work again was our associational Youth Retreat at Eashwell. We had about 85 of our fine young people attending.

Our goal for next year is not for numbers but to Train our church members to be better leaders, teachers and to serve and witness for Christ. We feel this is one of our greatest needs is to train our church members to be better Christians, better leaders that all our members may serve, witness and be involved in Christian action.

May I urge each of you to study and stay up-to-date with the currect Training Union materials, especially the Training Union Magazine. This is essential in order to know what is going on in Training Union.

Also, may I thank each of you for your prayers, assistance, and support in carrying on the Training Program. I beg you to support and use your Training Union as a means toward a more effective Christian witness through the local church.

Respectfully submitted, W. H. Ledbetter

BAPTIST FOUNDATION REPORT

During the past year, The North Carolina Baptist Foundation, Inc. has made regular and systematic progress. More and more of our Baptist people are inquiring about the services of the Foundation and are following these inquiries with concrete evidence of their concern. Some have made direct monetary contributions through the Foundation for a particular agency or institution. Others, with the help of their lawyers, have made provisions in their wills that through the Foundation, Christian causes have been remembered.

One of our major emphases has been in the area of will making. Our pastors, associational superintendents, and our church representatives have given encouraging help in this educational campaign. The response in each instance, whether in an association or individual church, has been most gratifying.

We solicit your prayers and your continuing cooperation. The Foundation remains ready to assist you in any phase of our endeavors. Please call on us if we can be of assistance to you.

Respectfully submitted, C. Gordon Maddrey

WOMAN'S MISSIONARY UNION REPORT

The W. M. U. Executive Council met six times during the year to plan and discuss important business of the organizations. I will briefly mention a few highlights of our years' work.

In September a Leadership training course was held at Spring Branch Church which involved all W. M. U. officers with approximately 155 people attending. Another course was held in November at Pleasant Grove Church with approximately 50 in attendance. Most of this number received Leadership Training Cards for having attended both nights.

Two Mission Study Institutes were held by Mrs. Juanita Cain. One in October at Lebanon Church and the other in January at Mt. Gilead.

Our annual meeting was held in April at Pleasant Grove Church, the minutes of which are printed elsewhere in these minutes.

Sunbeam Day Camp was held for three days the last week in July with 62 in attendance, representing 13 of our churches.

We were well represented at the State W. M. U. meeting held in Asheville in March. We extended an invitation to the State W. M. U. to meet with us in Fayetteville, N. C. during the year 1970. Our invitation was accepted most graciously by the assembly.

The work of W. M. U. has been a great challenge to me this year. I have greatly appreciated the cooperation I have received. We hope to do more in the next year.

Respectfully submitted, Mrs. C. Wayne Lee

STEWARDSHIP REPORT

In 1967, North Carolina Baptists gave through their churches, for all purposes, $65,363,684.00. In total gifts this is an impressive figure, but it represents a mere $1.65 per week per capita gift by the resident members of North Carolina Baptist Churches.

In the New South River Baptist Association, 18,363 resident members gave $1,621,802.00, which is $1.70 per week per capita gift. One-third of the churches are listed as not promoting a budget nor any stewardship emphasis. Of the 18,363 resident members in our association, only 3,381 are listed as tithers. This represents a drastic loss of kingdom potential.

We propose that New South River Baptist Association keep before each church and member the need for a continual examination of the stewardship of money. Four effective programs for stewardship development and the enlisting of tithers are available. They are: (1) The Forward Program of Christian Stewardship, (2) Venture in Stewardship for the Christian Family, (3) Growth in Christian Stewardship, and (4) Tithers Enrollment Week. Information concerning these may be obtained by calling the Associational office.

We propose a goal of fifty churches participating in Stewardship Development Programs with a goal of 10,000 tithers in our association.

Respectfully submitted, Dwight Cooper

CAMP COMMITTEE REPORT

The Camp Committee of the New South River Baptist Association is charged with the responsibility of the Camp, securing the Director and all other staff members, setting up the date, the courses of study, planning the schedule and selecting the place the Camp is to be held.

The Camp was held at Campbell College, Buies Creek, N. C. the week of August 5-9, 1968. It was a good Camp under the great leadership of our Camp Director, Boyd Lambert, and Associate Director, Ben Gualt. There were several decisions for the Lord, 17 professions of faith and 23 rededications. The enrollment for the Camp was 411 which was 104 more than last year. The charge to each camper was $16.00 and the cost of camp was $6,187.00.

We are proposing to return to Campbell College in June of 1969. It is hoped that every church will be represented with children and counselors.

We, the Camp Committee, thank you for your help and prayers for a successful Camp.

Respectfully submitted, Edward E. Rogers

DEPARTMENT OF PROGRAM SERVICES REPORT

The Department of Program Services promotes the total Baptist program through the divisions of the General Board, agencies, institutions and associations. It is a department that is primarily public relations and is incorporated in the Division of Stewardship Promotion. The work of the department may be divided as follows:

I. AUDIO VISUAL AIDS.

A. Film Library - During the past year, the department booked more than 12,000 free rental films. We estimate that approximately 60% of the churches in the Convention are using audio-visuals regularly. A large number of day-care centers and kindergartens are making use of this library in their week-day ministries and this number is steadily growing. The department encourages planning for a basic library of audio-visuals at both associational and church levels, with supplementary titles provided by the department library. MINUTES OF THE W.M.U. ASSOCIATION

The 1967-1968 annual session of the New South River W.M.U. Association met at Pleasant Grove Baptist Church in Vander on April 1, 1968 at 7:30 p.m. This was the 72nd session. Mrs. Wayne Lee, President, presided.

The meeting opened with the singing of the Hymn "To God Be the Glory", with the choir of Pleasant Grove leading. Mrs. Colon Cashwell, Prayer Chairman, read the names of the missionaries on the prayer calendar and read Psalms 119:140 and lead in prayer and the choir sang the response to Mrs. Colon's prayer.

Mrs. Johnnie Rice, President of the Pleasant Grove Baptist W.M.U., cordially welcomed all.

Rev. Boyd Lambert, Pastor of the Pleasant Grove Church, took his devotional thoughts from Matthew 8:23. There were several descriptions given and questions. Would you follow Jesus into a stormy sea? The tempest who is unable to see his faith. The people had never dreamed that Jesus could have controlled the weather. What a reward if we could predict the weather. Jesus Christ is the God of weather and he also has power over all creation. The world tries to control the minds of men, but really God controls the minds of men. Our country is divided, it needs God. Our people today do not feel secure, our resources are being used and everybody is wanting hand outs. Do we understand our mission task? Rev. Boyd Lambert closed with prayer his devotional thoughts.

Mrs. Wayne Lee, W.M.U. President, made the following announcements:

1. W.M.U. Week at Ridgecrest August 8-12, 1968.
2. Y.W.A. Council meeting at Calvary Baptist Church, April 4, 1968.

Mrs. Ragan stated that they needed: workers, counselors, and leaders from the churches in the association to help, because these leaders could return to their own churches and combine leadership in an area for their own Day Camp.

The treasurer gave the number of churches that have paid their associational W.M.U. dues for the 1967-1968 calendar year, which was 51 churches with $541.75 in the amount of dues.

The President stated that the insert of the program was incomplete due to mailing records to the committee chairman, which you will find filed along with the minutes.

Hymn of the year was sung "Where Cross the Crowded Ways of Life" and following the Hymn, the President, Mrs. Lee, introduced Miss Sarah Ann Hobbs from the State W.M.U. office who gave the "Interpretation of W.M.U. Plans", Miss Hobbs began with a commercial announcing the Heck-Jones Program for the month of June. The goal for the Heck-Jones this year is $62,500.

There were number of changes in W.M.U. programs discussed by Miss Hobbs as follows:

1. Director - W.M.U. President
   W.M.S. Director - Officer
2. Leaders - Y.W.A., G.A. Counselors
   Adult Leaders for any of these groups.
3. Envolvement - Not sufficient to give just a small amount, but 1968 W.M.S. will bring envolvement as never before.
4. W.M.U. - begins when W.M.U. Director is selected. There might

not be any groups but the Director would have responsibility to help the pastor with mission offerings.

   No more standing committees, committees to help in organization, Mission Action, groups rather than circles.
8. No officers in W.M.S.
9. Study Groups - 4 types.
10. Terminology different.

Mrs. Robert Strickland, the program chairman introduced the guest speaker, Rev. William T. Roberson of Candor, North Carolina. Following the introduction of Rev. Roberson, the choir of Pleasant Grove Baptist Church gave a message in song "Christ Has No Hands But Our Hands", by Mallory.

The Rev. William T. Roberson was the guest speaker at the 72nd annual W.M.U. meeting of the New South River Baptist Association at Pleasant Grove Baptist Church of Vander, North Carolina. The Roberson's have four children and they have served as missionaries to Vietnam during 1965-1966. Rev. Roberson took his text from Romans 1:8-10 about Paul's writing to the city of Corinth and following the reading of the scripture he led in prayer.

He stated that people might take Christ to our church, home, work, play, jobs and anything we endeavor to do, and that Jesus Christ might be real in our lives. He shared things upon his heart and asked us to have faith and courage about the Vietnam people. He stated that this area probably had more loved ones in Vietnam than any other area in the world. The Vietnamese are finding God and so are quite a few of the American boys. In his final remarks, he stated "Thank God".

The Benediction was given by Rev. Charles Stevens, the Superintendent of Missions of the New South River Baptist Association.

EVANGELISM REPORT

The first great responsibility of Baptists today is to proclaim the message of the Gospel clearly, plainly and under the empowering of the Holy Spirit. The second is to see that the new life and purpose of God found in Christ is in the foreground of all our motives, attitudes and actions in personal cultural and organizational life and that this involves us in helping meet the needs of all people. To express the same things another way is to say evangelism is our first great responsibility and the second is to follow our Lord Jesus Christ obediently, as taught in the Scriptures, that the true fruits of evangelism may issue from our total lives. Therefore, it must be of utmost concern to every Spirit-filled Baptist to know there is a reliable source of divine knowledge found in the Bible to preach the Gospel of Christ one must know what the Gospel is, and this God has revealed and written for us in the Bible.

To move with God this year and next in the Crusade of the Americas means that we must be diligent in searching the Scriptures and proclaiming the glorious Gospel of Christ revealed therein; and that we must walk daily with God in the fellowship of prayer. Leaders in the churches must make sure these two most vital matters are constantly practiced in their lives and that these matters are always kept before the people in the churches. This done faithfully and sincerely day by day across the weeks and months will bring individuals and churches into vital relationship with God.

It is urgently important that every church be confronted with the opportunity and responsibility of participating with other Baptists across the Western hemisphere in prayerful concern for a spiritual awakening to be experienced in the simultaneous revival meetings next spring. Messengers of this association are therefore urged to see that every church rightly faces this challenge. For details on the Crusade consult the GUIDEBOOK FOR BAPTISTS OF NORTH CAROLINA which has been mailed to all pastors, Sunday School superintendents, Training Union Directors, W. M. U. presidents, and Brotherhood presidents.

In our association the following churches have voted to participate in the Crusade: Antioch, Autryville, Bonnie Doone, Cedar Creek, Center,

Clement, Faymont, First, Spring Lake; Harmony, Immanuel, Macedonia, Massey Hill, Pleasant Grove, Snyder Memorial, Trinity, Wade, Arran Lake, Baptist Chapel, Carroll Memorial, Cedar Falls, Central, Concord, First, Roseboro, Grace, Highland, Lake Rim, Magnolia, Mt. Pisgah, Pleasant Union, Second Fayetteville, Temple, Village Drive,

CHILDREN'S HOMES REPORT

"The Son of Man came not to be ministered unto but to minister". Matthew 20:28.

The Baptist Children's Homes have taken a directive from our Lord to minister to people in need. Helping children grow and develop towards a Christian maturity is one of the greatest challenges we can have. Through the various facilities of the Baptist Children's Homes, we are attempting to provide the warmth, love and understanding that will help the children we serve grow and develop into responsible, productive citizens.

The agency offers a number of services to children and families who find themselves in real difficulty. Mills Home serves about 300 children on a very beautiful campus in Thomasville. Kennedy Home serves about 150 children at Kinston, the total property being approximately 1200 acres. The home provides some of its needs through its farm program consisting of a dairy herd, swine as well as vegetables. The Odum Home at Pembroke has accommodations for 24 children and most of these children come from the immediate area which is predominatly Indian. This home is on a 50 acre tract of ground and provides some of the vegetables for use in the home.

Greer Home at Chapel Hill is a small home that is set up for children ing emotional problems, and they work closely with the psychiatric vices in the area. The Wall Home is designed to minister to boys having cial needs. Many of these lads have been in some type of difficulty with law. Consideration is being given to develop a similar type service for ls having special needs.

At the present time, the agency has 7 regional case work centers with newest office being in Fayetteville. Each local office is staffed by a ined social worker and is available to provide counseling service for the ious churches and individuals in need of specialized help. Every effort nade to rehabilitate the family and keep the children in their own home. en the need arises group care is provided at one of the facilities mentioned ve.

Another facility is our foster home program. There are foster parents oss the state who play a vital part in the ministry to children. Just re- tly, a young couple in this association took a child into their own home.

A new concept in group care is the family type cottage where children m various families live together in one cottage. This is a group of children, h boys and girls, of various ages living together in a setting which would as near to their home setting as possible. There are family type cottages Kennedy Home and also Mills Home.

The Child Development Center was established to serve the local com- nity as a means of strengthening family life and to provide a demonstration informational program which can offer assistance to churches in provid- care and education for pre-school children. During the past year, several rches within our Association have set up a service for pre-school chil- n. These churches have been assisted by a representative of the Baptist ldren's Homes. The Western Home, a facility for 50 children, is under- to be built between Waynesville and Clyde. This facility will provide up care for children in the Western part of the state have come to Thomas- e which is a long distance from relatives and friends.

In addition to the Western Home, the Baptist Children's Homes are in process of developing a service for unwed mothers. Plans are being de to set up a home for unwed mothers somewhere in the Winston-Salem a. This facility would work closely with the Baptist hospital in this area. conjunction with this service, there would be an adoption service which is ther new service.

Some people within the Association have maintained close contact with um Home at Pembroke. These people have visited the home and minis- ed to the children there and have opened their homes for a visiting re- rce for children who have been unable to visit in their own homes. Even ugh our people have maintained a contact at Odum Home, there are im- ssions that many people do not know of the work there. A Sunday School ss at Snyder Memorial has taken as a project for the coming year to olcize the work at Odum Home. Open House is scheduled for Saturday ernoon, November 23, and we encourage our people to attend and support s very important and meaningful ministry. Let us not only support the rk by our means, but through our prayers and giving of ourselves in order t we might help these children come to know a richer and fuller life.

Respectfully submitted, Allan Jarratt,
Social Work Supervisor

SPECIAL COMMITTEE REPORT ON PORNOGRAPHY

On the day of January 24, 1968, Mr. Charles Rose III, Cumberland County osecuting Attorney, met with Mr. and Mrs. Fulton Tyler, owners and erators of Carolina News Distributors. At this meeting Mr. Rose confronted give the titles of these books; suffice it to say that they were full of the thiest language that the most perverted mind could ever imagine. These

two books were shown to Mr. Rose by the Committee of 3.

Mr. Tyler then informed Mr. Rose that the above mentioned titles would be removed from the newsstands as would any other literature that would appeal to the prurient interests of man. Mr. Tyler further suggested that a committee be formed for the purpose of reviewing any such literature distributed by his company; and that, upon receipt of a letter requesting removal of any particular title, such removal would promptly follow. Mr. Tyler further agreed to furnish the titles for review to the committee at no cost.

RECOMMENDATIONS of this Committee:

1. It is recommended that The New South River Baptist Association extablish a committee consisting of five (5) members to be hereafter known as The Associated Book Review Committee. This committee would be elected by The Pastor's Conference of The New South River Baptist Association for the purpose of reviewing and identifying any literature that would appeal to the prurient interests of the reader. Steps would then be taken by the committee to make sure that this literature would no longer be available to any person in Cumberland County, North Carolina.

2. We further recommend that this committee be composed of three (3) members of The Pastor's Conference of The New South River Baptist Association and two (2) members appointed by the Sheriff of Cumberland County. It is believed that the Chairman of this committee should be a member of The Pastor's Conference of The New South River Baptist Association.

3. This Book Review Committee would compose guide lines by which its actions would be governed.

4. We recommend that this Book Review Committee be a rotating committee, new members being elected by the Pastor's Conference of The New South River Baptist Association and The Cumberland County Sheriff's Department every four (4) months.

5. This Committee of Three also recommends that this Book Review Committee submit a written report to the Pastor's Conference of The New South River Baptist Association and to The Cumberland County Sheriff's Department every thirty (30) days.

6. Finally it is recommended that the Committee of Three continue to work toward a similar agreement with the motion picture theater owners of Cumberland County.

In the Executive Committee Meeting held March 4, a motion was made by Harold Bridges that we favorably receive the report and that it be referred to the annual session this fall for further consideration or rejection. It was understood that some technicality of wording may be involved and would be dealt with before being presented at the annual session. The possibility of this study including other areas of ethical and moral issues was mentioned. The motion was approved.

Respectfully submitted, James Hester

DEPARTMENT OF INTERRACIAL COOPERATION REPORT

"Fresh winds are blowing and new excitement is in the air!" These rds from W. C. Fields' Trumpets in Dixie express the outlook of the work the Department of Interracial Cooperation as 1968 draws to a close. Aid- ; tremendously in the work with National Baptist throughout North Carolina s been the "Statement Concerning the Crisis in Our Nation", adopted by e Southern Baptist Convention on June 5, 1968. Also, the literature, "We ld These Truths", has opened many avenues for discussion groups to con- nt the problems of human relations within their churches and communities.

The department has experienced growth in practically every area during 68. In January a record number of General Baptists attended the statewide ication Bible School Clinic at Wingate College. A series of five conferences human relations were held in April with a total attendance of 800, They re held at Oakmont, Greenville; Brookwood, Jacksonville; Forest Hills, leigh; Madison Avenue, Goldsboro; and North Kannapolis, Kannapolis. eaders for these conferences were the Reverend Raymond F. Harvey, skegee Institute, Alabama, and Dr. Victor T. Glass of the Home Mission ard.

Thirteen small scholarships were provided this year for ministerial udents at Shaw University, North Carolina College, A. & T. University, d Southeastern Seminary. Three new Week Day programs were held during e summer in churches located in Asheville and Brevard. An increasing mber of seminars, youth retreats, institutes, discussion groups, etc., e being held in churches and associations with the goal of finding ways to itiate or increase a program of work with National Baptists.

Looking toward 1969, the annual statewide conference on evangelism eeting in Greensboro in January will be jointly sponsored by the two Baptist ate Conventions. Also in keeping with the Crusade of the Americas the aptist Men and Boys annual convention for the first time next year will be intly sponsored by the Brotherhood Department of the Baptist State Conven- on and the Layman's League of the General Baptist State Convention. This eeting is scheduled in Winston-Salem, March 28-29.

The department has been actively engaged with these and numerous other ans to promote an ever strengthening program of work with National Baptists.

We further urge our own people and other Christians to personally observe Sunday in ways that are in accordance to the Scriptures and in agreement with Christian doctrine. We furthermore encourage all concerned individuals to express their feelings and convictions to all businesses engaged in operations on Sunday and any considering such, and any groups which have power in this area, such as city and county councils, and legislative members. BIBLICAL RECORDER REPORT

The year 1969 has been one of the most significant in the 136-year history of the Biblical Recorder. True, we cannot point to any spectacular gains in circulation, but each week the Recorder is read by almost 300,000 North Carolina Baptist in some 90,000 homes. For almost a century and a half the Recorder has played a vital role in the life of our convention and state, and it will continue to do so.

Our pages this year have carried a variety of reports of the activities of Baptists all across the state. Early this spring membership in our 3,454 churches passed the one million mark--an historic milestone. We also carried numerous stories and reports of the progress of the Crusade of the Americas.

The first half of this year, of course, saw much of the news interest focused on the General Assembly. Possibly more than any other assembly to date, this year's session was of vital importance to Baptists and other Christians across our state. Because of this importance, the Recorder, gave special emphasis to reporting moral and social issues being considered by the legislature. Our readers responded in marvelous fashion, making the impact of the church felt throughout the state.

Whenever something significant was happening among North Carolina Baptist, our readers were aware of it. We hope to offer expanded coverage in the future and will always strive to improve our effort. We want to be good stewards to the trust North Carolina Baptists have placed in us.

Naturally, we hope that this stewardship will be rewarded with more participation in readership in our churches. The Recorder should be in every Baptist home.

We will continue to speak the truth in love.

Respectfully submitted, Mrs. Lester Carter, Sr.

STATE MISSIONS REPORT

On September 21, 1969 more than 3,400 Baptist churches across North Carolina will tell the story of State Missions and seek to meet the goal of $250,000.00 in support of more than thirty missionary activities.

State Missions as supported by the Baptist State Convention means giving assistance to the smaller congregations who are struggling towards the day when the church can purchase a lot and erect a building. More than $84,000.00 helps supplement pastors' salaries with over $44,000.00 invested in church lots each year to enable them to have an effective ministry.

State Missions provides a chaplain at Samarcand Manor where more than 260 girls need help with problems of parental neglect and their own behavior. It is also witnessing to the patients, including the prisoners suffering from tuberculosis at McCain Sanatorium at McCain, North Carolina. It is witness to service men at Fort Bragg, Cherry Point and Camp Lejeune. It serves many other worthwhile causes throughout the state.

The New South River Baptist Association has been very fortunate in securing services from the State Missions Board. Many lots have been purchased with the help of State Missions and many pastors in and around Fayetteville have been assisted in payment of their salaries. State Missions is doing a great work here and we should support it liberally.

Respectfully submitted, R. W. Boling

FOUNDATION REPORT

The assets of the North Carolina Baptist Foundation, Inc., have now reached beyond the one million dollar ($1,000,000) mark, including trust funds and real estate. Since the reactivation of the Foundation, around 1962, the total assets have increased from $350,000 to the present excess of slightly over one million. This is positive proof that the Baptist of North Carolina have discovered that the Foundation is really a service arm of the Baptist Convention of North Carolina.

As mention above, the Foundation renders a service to: (1) God, (2) individual Baptists, and (3) Baptist agencies and institutions. Every Baptist has an opportunity through his Foundation to provide for continuing stewardship in the agencies and institutions in which he has an interest.

The Foundation has again this year put particular interest upon the making of wills. Several of our churches have used the facilities of the Foundation to conduct Will Clinics and reports from these clinics indicate that they were most successful. We have also had an opportunity to counsel with many people concerning their own wills, and in some instances we have provided the information and direction necessary for inclusion of Baptist causes in their will.

We have had a most successful year and can attest to the fact that the Foundation is on the move and is rendering service to individual Baptist in a most concrete way.

Respectfully submitted, C. Gordon Maddrey

CAMP COMMITTEE REPORT

The Camp Committee of the New South River Baptist Association is charged with the responsibility of the Camp, securing the Director and all staff members, setting up the date, the courses of study, planning the schedule and selecting the place the Camp will be held.

The Camp was held at Campbell College, Buies Creek, N. C., the week of August 11-15, 1969. It was a good camp under the leadership of Camp Director, Rev. Harold Smith and Associate Director, Rev. Lloyd Hales. There were several decisions for the Lord. The enrollment for the Camp was 309. The charge to each camper was $16.00 and the cost of the camp was $4600.00. Our camp was fortunate this year to be able to use the sanctuary of the First Baptist Church, Buies Creek, for most of our assemblies and for this we are most grateful to this great church and their pastor, Rev. Weldon Johnson.

We are proposing to return to Campbell College in June 1970. It is hoped that every church will be represented with children and counselors.

We, the Camp Committee, thank you for your help and prayers for a successful Camp.

INTERRACIAL COOPERATION REPORT

Baptist in the two state conventions have strengthened some established work during 1969 while opening new avenues of service together.

Members of the General Baptist State Convention shared in the annual statewide Vacation Bible School clinic at Wingate College in January. A new feature on the program was an inspirational message delivered by Dr. Leon Riddick, a Negro pastor from Charlotte. The clinic is planned by the Sunday School Department.

For the second time, the statewide conference on evangelism held in Greensboro was sponsored jointly by the two conventions. The first statewide Men and Boys Convention to be co-sponsored was held in Winston-Salem in March. The meeting was arranged by the Laymen's League of the General Baptist State Convention and the Brotherhood Department of the Baptist State Convention. A record attendance of over 7,000 was recorded.

The annual series of conferences on human relations was held in April and utilized the talents of Dr. W. R. Grigg and Dr. Emmanuel McCall of the Home Mission Board. Conferences were held at the Yates Baptist Church, Durham, the University Baptist Church, Chapel Hill, and the First Baptist Churches of Ahoskie, Wilson and Gastonia.

Other departments utilizing Negro talent in statewide activities included the Baptist Youth Convention, held at Lumberton in May, and featured Dr. F. G. Sampson, a pastor from Louisville, Kentucky. This convention was planned by the Church Training Department. Also, Dr. and Mrs. C. R. Edwards of the First Baptist Church, Fayetteville, served as the first Negro conference leaders at the North Carolina Baptist Assembly, Southport, during World Missions Week in June.

Various churches and associational have encouraged the program of work with National Baptists on the local level. Successful biracial revivals were planned and held in Robeson and Anson associations this year. Several associations invited Negro speakers to participate in their annual meetings. A growing number of white pastors and congregations are seeking ways of dialogue with Negro congregations.

Scholarship aid was provided for 22 students at Shaw University, North Carolina College at Durham, Fruitland Bible Institute, Union Christian Institute, and Hardbarger Business College.

Vacation Bible School work continues to improve in quantity and quality with the department helping with 52 schools this year enrolling 5,132 people. Exciting efforts with Week Day Bible camps were held at the Mount Zion Baptist Church, Asheville, and the Bethel "A" Baptist Church Brevard.

Those who serve with the department in addition to the Secretary are Mrs. Mary E. Washington, Office Secretary; Rev. C. C. Craig, Raleigh; Rev. J. Z. Alexander, Raleigh; Rev. Marvin Williams, Rocky Mount; Rev. Benjamin Daniels, Winston-Salem; and Mrs. Alcovia O. McCall, Asheville. In addition to these there were 8 adults and 9 young people employed as summer workers. The Home Mission Board sponsored two of the summer workers.

HOMES FOR THE AGING REPORT

Never before have your Baptist Homes for the Aging been more conscious of the Lord's Presence and of His Goodness than during the past year. At a time when the economy of the Homes was at its lowest ebb, with a sizeable deficit looming larger by the moment, when the weather was at its severest on the 3rd Sunday of February, the day of the Special Offering, the churches came through with an offering that promises, at this point, to be the greatest in the Homes' history. The Lord, who is in charge of the weather and in charge of the Baptist Homes for the Aging, has surely rewarded our faith and moved upon our Baptist people to see the urgency of our needs, and we are grateful.

Ours shall continue to be a relationship of trust in the Lord and faith in our Baptist people. We earnestly hope that a continued and sustained effort will be made by our churches to increase and strengthen the amount of the two main means of support for our ministry to the Aging--the Special Offering, and the Cooperative Program. Through these two sources, one-third of the total income for the Homes is derived, and 85% of the residents, who are financially dependent, are cared for and supplemented. If we are to continue to assist these many needy persons, and if we are to reduce the deficit in the operation of the Homes, brought about by the rising cost of living, we must have more liberal support from our churches.

We do not believe that our Baptist people would want to curtail any of the vital ministries of the Homes and that they will respond to this urgent appeal.

Since last year, the Yanceyville Home, our newest Home, has been filled to capacity, and we now have almost 200 deserving older men and women living in our midst there and in our other four Homes--Resthaven, and Hayes Home, in Winston-Salem, the Albemarle Home, in Albemarle, and the Hamilton Home, in Hamilton. These wonderful people are finding much happiness in Christian companionship with persons of their age group, and great security in knowing that they will be loved and cared for in sickness as well as in health.

It is a deeply rewarding experience to see the light and joy of Christ on an Older person's face and to hear words of deep appreciation almost daily for the Christian love and nurture that North Carolina Baptists are making possible through this ministry. We believe, therefore, that our Baptist people will want to have an ever-increasing part in so worthy a labor of love in the Master's Name. We know that the Lord will not fail us, and we also believe that our people will want to be as faithful as possible.

BAPTIST CHILDREN'S HOMES REPORT

Among church supported agencies, North Carolina Baptist are fortunate o have one of the finest programs in the nation for the care and development f dependent children and for strengthening and supporting family life. This s an application of the teaching and example of Christ in His earthly min- stry. More than 1200 children and their families are served annually.

The Children's Homes, through a variety of quality services, is recog- ized as a family service agency. This is made possible by well trained nd professional staff who provide leadership for group care programs, oster home care, family services, consultation with churches in preschool rograms and planning for higher education of children who have been incare. his program unfolds on six campuses and through the work of regional asework centers throughout the State.

More requests for services are now coming to the Baptist Children's Homes than at any time in our previous history. All agency beds are filled nd all available money is being utilized. We, too, have been caught in the rising costs of living and in an inflationary economy. A wider variety of uality services are being demanded to meet the needs of children who are he products of today's complex society. Present economic conditions make t necessary to have additional operating income with which to maintain the current program before any further expansion of services can be considered.

Friends of the Children's Homes, in Western North Carolina, have re- sponded generously to the Founders and Builders Program to raise funds with which to establish the Broyhill Home to serve children in Western North Carolina. Sufficient funds have been given and pledged to purchase he land, to prepare the site and to construct the first two cottages for chil- dren. When the campus has been completed provision will have been made or four cottages for children, a multi-purpose administration and activities uilding and a home for the superintendent. With the support and coopera- ion of Baptists and other friends of the Homes another ministry is being eveloped in Asheville. A home in which to serve unwed mothers and their offspring will be opened during the fall of 1969.

By the use of designated gifts and bequests from individuals and families, significant progress is being made in the long range plans for upgrading of facilities. Two cottages are now under construction at Mills Home. A recreation building and an infirmary at Kennedy Home and two cottages for children at the Broyhill Home are scheduled for construction during the next year.

The contribution of our Baptist people through the Cooperative Program, the Thanksgiving Offering and special gifts are essential to our continued operation and are received with deep appreciation. An increasing number of friends are finding a rewarding stewardship opportunity through the estab- lishment of trusts for the Homes and by means of wills and estate planning for the needs of dependent children. Members of the staff are available for consultation in estate planning and the preparation of wills.

CHRISTIAN EDUCATION REPORT

The Division of Christian Higher Education of the Baptist State Convention functions chiefly through the Council. The Council membership is made up of the eighteen members of the Education Committee of the General Board, seven college presidents, seven chairmen of boards of trustees, and seven academic deans. Ex-officio members include the president of the Convention, president of the General Board, General-Secretary Treasurer of the Convention, and the president of the state Woman's Missionary Union.

Dr. Ben C. Fisher is director of the Division of Christian Higher Education and executive secretary of the Council. Miss Grace Yow is secretary to Dr. Fisher.

North Carolina Baptists now have a university, four senior colleges, and two junior colleges: Wake Forest University, Winston-Salem; Campbell Senior College, Buie's Creek; Mars Hill Senior College, Mars Hill; Meredith Senior College, Raleigh; Gardner-Webb Senior College, Boiling Springs; Chowan Junior College, Murfreesboro; and Wingate Junior College, Wingate.

There are currently enrolled in all North Carolina Baptist Colleges approximately 12,000 students.

In these institutions there are more than 500 young men and women preparing for full-time Christian service. This includes those preparing for the gospel ministry, to be missionaries, educational directors, directors of church music, Christian college teachers, chaplains, and denominational workers.

In each college catalog may be found a statement of Christian purpose. The Christian college operates on the basic assumption that apart from religious commitment life can have no ultimate meaning. Jesus Christ is the foundation of all truth and provides the frame of reference in which all knowledge can be examined and used for the good of man and for the glory of God, and the two cannot be separated.

The North Carolina Baptist College curricula provide courses in the study of Bible, Church History, and related subjects which give students new insights and commitments to the Christian faith.

All colleges have regularly scheduled chapel services which provide an opportunity for worship, meditation, scripture, prayer, music, and preaching. Baptist colleges are not only concerned with the special role of training the Christian vocational worker, but they are also concerned with teaching and training churchmen who will take Christian views and sympathies into any vocation which they enter.

The Cooperative Program is the Baptist college lifeline. Administrations, faculties, students, trustees, and alumni are deeply grateful to North Carolina Baptist for this support. The Baptist College Day offering has become another significant means of financial support to our Baptist colleges, and each church is urged to participate.

SUPERINTENDENT OF MISSIONS REPORT

During the year there have been several things that have taken place worthy of note. Perhaps first of all we need to mention a reorganizational structure that greatly facilitated the work of the associational committees and organizations. A Missions Council and Educational Council was used for the first time during the year. The Missions Council has perhaps realized the value much more fully than any other group.

During this next year we believe even greater things will result for good through the use of the Council System. There will probably be a greater emphasis on the work of the Educational Council.

Another great area of progress was that found in the Christian Social

Ministries work. With John Halbert so ably leading, many areas of service and ministry were investigated and attempted. We have been made more aware of the great aching needs all about us - we have also more fully seen how difficult it is for us to change our traditional, sanctimonious self-righteous ways. We do not accept new things very readily nor are we really interested in making adjustments that are absolutely necessary if we are to meet the needs of all people about us.

We have had a good indication of what a program of Christian Social Ministries can do. Brother John Halbert resigned some weeks ago, but there are many activities involved in Christian Social Ministries that we as an association can and must be concerned about and in which we must participate. Much can be done to let others know that we care.

During the summer we attempted a new program through the assistance of the Metropolitan Missions Dept. of N. C. Baptist State Convention. It is our prayer that this effort in special ministries to mobile home parks and that of coordinating youth work will be carried forward more fully in the months just ahead. Our youth is the future - we dare not fail them nor "short-change" them, because of Him.

With the increase of needs and our attempt to meet these needs we have been more than grateful for the competent and consciencious young couple, Kenneth and Mary Phillips, who have done more than their share in lightening my load. They have anticipated many needs, worked under pressure of work and time and have been in fact, "Laborers together with God".

The needs of those associated with the military are always with us. It seems that these needs are compounding more and more. This results in increased frustration as attempts are made to lead our churches in an effort to reach the unreached multitudes. Brother Sasser has continued with his almost impossible task of leading and encouraging churches in reaching the military and meeting their needs. It is our prayer that somehow during these months just ahead a greater and more effective impact can be made in reaching the multitude of service folk all about us.

Among other things my work this year has included:

Participate in at least 6 Ordination and/or Examining Services of Deacons and Ministers.
2 Deacons Schools (11 sessions)
2 weeks of Revivals (18 services)
Home Mission Study taught (2 times)
Foreign Mission Study taught (1 time)
Supplies in at least 25 regular worship services
2 weeks of conferences in Nashville, Tenn. (The South-wide 70's Onward Conference, The Church Administration Conference.
3 days for Associational Missionaries Conference at Fruitland
Participated in two sessions of the N. C. State Convention Long-Range planning committee meetings
Attended regional meetings such as: Brotherhood Baptist Hospital Area Meeting, a Metropolitan Missions Conference, Durham; Two planning meetings on Military Ministries, Statewide Oriental Fellowship; Statewide Evangelistic Conference (3 days); Youth Camp (1 week); and Youth Retreat (3 days).
Planned and participated in (2) Rural Church Conferences; (3) Stewardship Clinics, Associational Promotional Emphasis in June (10 group meetings).
Specific visits or participation in services or activities of at least 46 churches of the Association
94 Committee Meetings.

PORNOGRAPHY COMMITTEE REPORT

The Pornography Committee made the following recommendations to the Executive Committee on September 8, at the Trinity Baptist Church:

(1) That the New South River Associational Committee on Pornography be enlarged to a membership of twenty-five members.

(2) That other than Baptists be allowed to serve as members-at-large with full voting rights. These would be appointed rather than elected.

(3) That this committee meet as soon as possible after the Annual Session to elect the new chairman and plan its work. This was read for information.

(4) That the following names be elected to serve with the present committee to bring the full complement to 12 as provided in the original document: Mr. Jack Barnes, Carroll Memorial; Mr. Mack Lee, Macedonia; Mr. Roger Gibbs, Macedonia; Mr. James Ed Hall, Temple; Mr. G. T. Lewis, Temple; Rev. A. C. Tatem, Carroll Memorial.

These recommendations were presented by the chairman of the committee and they were seconded and passed. The rotation of this committee was given as: rotating off October 23, 1969: James Hester, Ben Gault, Paul Razor; Jan. 1, 1970: Julian Gruber, Berkley Helms, Mrs. J. H. Taylor; March 1, 1970: G. T. Lewis, James Ed Hall, A. C. Tatem.

BAPTIST HOSPITAL REPORT

Our Medical Center continues a high quality program of medical care, training of medical personnel, and research in the causes and treatment of the diseases which afflict us. In the face of serious financial problems, the hospital staff is working more diligently than ever to minister to our people in keeping with their needs and to the limit of the hospital's resources.

The hospital has instituted more efficient admission procedures regarding patients' financial resources and plans for payment of hospital bills. Training counselors are interviewing patients and their families regarding advance payments which are now required and for getting more accurate information on those who will need help. In this way they are able better to discover those patients who may be eligible for medical care assistance through Social Services departments or other health agencies, and can start proceedings at once for getting these patients certified if this has not already been done. These agencies pay a major part of the cost for a patient they certify, but not the total cost, and the Mother's Day Fund must pay the balance. A member of the family must go to the agency and give the necessary information, and getting this done is often a real problem. Many of our pastors have helped in this connection and have rendered important service for the patients and the hospital.

If it were not for the help which comes from these health agencies, our Mother's Day Fund would not last for three months. After paying the difference between what the agencies pay and the total cost for these patients, the Mother's Day Offerings are used to help as many as possible of those who are not eligible for certification and who themselves cannot pay the total cost of their care. First preference must be given to those patients whose needs are greatest and most urgent. The free care the hospital gives must now be limited in keeping with the funds provided for this purpose, however, because the hospital cannot continue to go deeper in debt.

It is important that our people understand that all of the Mother's Day Offerings and designated gifts for this ministry are used for this purpose alone, and the hospital makes them go as far as it possibly can. The Trustees and Administration of the hospital are most grateful for the fine cooperation our pastors and our people are giving, and they earnestly solicit our understanding and generous support.

Respectfully submitted, Dr. William Newman

WOMAN'S MISSIONARY UNION REPORT

This has been an important year in W. M. U. work. We have experienced many new changes in our work which I hope we are becoming adjusted to by now. I will briefly mention a few important things that we did during the year.

Our Executive Council met six times to plan and discuss importnat business of the Organizations.

In September a Leadership Training Course was held at Spring Branch Church for two nights. There were approximately 375 ladies who received their leadership Cards for completing the course. There seemed to be much interest among those who attended and everyone was anxious to learn the new changes in our work.

Two Mission Study Institutes were held, led by Mrs. Juanita Cain. One for Foreign Missions held at Mingo Church in October, another for Home Missions at Lebanon Church in January.

Our Annual W. M. U. Meeting was held in April at Cedar Creek Baptist Church, the minutes of which are printed elsewhere in these minutes.

Sunbeam Day Camp was held for three days in July at the Associational Camp Site with 78 in attendance, representing 14 of our churches.

The work of W. M. U. always presents a challenge to me. I greatly appreciate the cooperation I have received. I trust we shall be able to do even more in our local churches during the coming year.

Respectfully submitted, Mrs. C. Wayne Lee

INSTITUTIONAL MINISTRIES AND CHAPLAINCY PROGRAM REPORT

A survey was made of the churches in the association to determine how many were working with our rest and nursing homes. Nine churches in the Fayetteville area showed that they had a ministry in one of the homes.

We held a conference at Temple Baptist Church on May 26, 1969 with 57 present for those interested in working with older adults.

We contacted both Cape Fear Valley and Veterans Hospitals to find out how we could be of assistance. Cape Fear Valley said donations were needed for the Chapel which is being built and furnished. This information was passed on through the News Letter. The Veterans Hospital stated people were needed to work in the recreational program. A booklet "You are Needed - Volunteer for a Helping Service" was given out those present at the Conference held by Mr. John Halbert on April 15, 1969 at Trinity Baptist Church and also at the conference on Older Adults at Temple on May 26th. This booklet was written by the Cumberland Coordinating Council on Older Adults, Inc. It explains ways we can help as individuals and churches. It also lists the hospitals, Family Care Homes, Rest Homes and Nursing Homes, the telephone numbers and names of the persons to contact if you are interested in this work and the age groups needed. We hope many of our churches have used this information and found a way of serving in this capacity. This booklet will also be available to our churches at the Annual Associational Meeting. Mrs. Louise Saunders, Executive Director of the Cumberland County Council on Older Adults has offered her assistance in getting groups started in this ministry in our institutions.

Respectfully submitted, Mrs. T. E. Koontz

ASSOCIATIONAL MUSIC REPORT

The main trust of the associational music work during the past year has been through other existing organizations in the association and in cooperation with specific areas of emphasis. In other words, we have tried to work through the present associational set-up rather than as a separate organization. An example of this has been the cooperation of the Music Council in planning and providing the music for the annual sessions of the

Association. Another special emphasis was the music for the Crusade of Americas Rally on February 25, 1969 in the Cumberland County Memorial Auditorium. There was an exceptionally large turnout for the rally choir, accompanied by organ, piano, and brass ensemble. Our special guest in music was Dr. Claude Rhea, Music Consultant of the Foreign Mission Board, Richmond.

Let us ever be aware of the important place of music in the ministry of the church, in worship, education, and proclamation. May we ever strive toward the use of music that will glorify God.

ANNUITY BOARD REPORT

INFLATIONARY TREND CONTINUES - During 1968, neither inflation nor the economy showed any evidence of a slow down. Even as late as the second quarter of 1969, there was no sign of a leveling off by the inflationary trend. The cost of living rose 4.7% pushing the Consumer Price Index to a record 123.7 in December, 1968. This was the greatest increase since 1951.

This inflationary trend continued to affect the buying power of everyone, including the retired.

To meet the needs of retiring minister, church staff members, and denominational employees, the Annuity Board has developed the Southern Baptist Protection Program to provide an adequate retirement income. As the inflationary trend continues, many churches and agencies are upgrading their retirement programs by contribution 10% of total salary. The Annuity Board and state conventions heartily recommend this action.

Response to the three-plan Protection Program was good during 1968. The Program includes: Plan "A", the basic retirement fund; Plan "B", the supplementary fund; and Plan "C" the variable fund. Response was also good in the Life and Health Benefit Plans.

HIGHLIGHTS OF 1968 -

1. 3,451 new members in the Southern Baptist Protection Program
2. 23,714 members now participating in Plan "A", 1,538 more than in 1967
3. 18,086 churches providing protection for their pastors
4. 145 agencies providing protection for 9,894 employees
5. $173,863 given in relief grants
6. $6,543,169 paid in total relief and protection benefits
7. 3,106 applications for Health Benefit Plan, 1,677 net gain
8. 790 applications for Life Benefit Plan, 134 net gain

THIRD YEAR FOR "13th CHECK" - For the third consecutive year, the Annuity Board issued a "13th check" to all recipients of life retirement benefits. The extra check, amounting to 12% of each person's annual benefit, was made possible by interest earnings in excess of the amount necessary to pay the retirement benefits. The excess earnings are distributed to plans of active members as well as to retired persons.

Information about the Protection Program and the Life and Health Benefit Plans can be obtained from your state Baptist building or from the Development Division, Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

New South River Association - 48 churches with 53 persons enrolled in the Protection Program. Also the Association is enrolled with 1 person. (3-31-69)

COOPERATIVE PROGRAM REPORT

When the word "stewardship" is used, most of us begin to see dollar signs $$! If we think of stewardship only in terms of money, we miss the mark in our concepts. Stewardship means responsibility -- responsibility in all areas of life. We are stewards or trustees of our time, our talents, and our abilities. The Christian attitude is that we are responsible beings and must one day give account to our Maker for all that God provides.

The worship of God with tithes and offerings through our churches provides a way for expressing our gratitude for His blessings.

Those of us who are privileged to leadership are dedicated to teaching and training in the Biblical doctrine of stewardship and try to give our very best to this ministry.

Materials for informing our people are produced and distributed by the Department of Stewardship Development. R. T. Greene is Secretary and Mrs. Susan Cochrane is office secretary.

Teaching and training in the Forward Program, Growth in Christian Stewardship and Simple Plans for Stewardship Development is the responsibility of Harold White and his associate, Cleve Wilkie. Mrs. Dorothy Smith is office secretary.

Mrs. Smith is also office secretary for the Annuity Department, Guy Cain, Secretary.

The distribution of films, filmstrips and other audio visual materials and a radio and television ministry is carried on by L. J. Morriss. Mrs. Ester Kidd, office secretary, is assisted by Mrs. Frances Riley and Mrs. Sylvia Neely in this work.

O. J. Hagler is Director of the Division and Mrs. Lacy Coates is secretary.

The Cooperative Program is the main channel for supporting World Missions, Christian Education, Social Services and an ever expanding State Mission program. The goal for these causes this year is $6,750,000.

A special State Missions Offering goal of $250,000 is a challenge to all Baptist churches. Other approved special offerings -- The Lottie Moon Christmas Offering, The Annie Armstrong Easter offering, The Heck-Jones Memorial Offering, the Hospital Special on Mothers' Day, the Thanksgiving Special for the Baptist Children's Homes, Christian Education on Fathers' Day and the offering for the Homes for the Aging in February -- all combine to an amount that will approach ten million dollars in 1969.

As dedicated Christian stewards, will you try to lead your church:

1. To use a stewardship program to help subscribe your own church budget.
2. To increase the percentage of the offering plate dollar given through the Cooperative Program.

On your invitation, we stand ready to assist in every way possible.

Respectfully submitted, T. J. Fulk

STEWARDSHIP REPORT

It has been said: -- ONE MORE REVIVAL - ONLY ONE MORE - IS NEEDED, THE REVIVAL OF STEWARDSHIP, THE DEDICATION OF THE MONEY POWER TO GOD!

Perhaps at no other time has there been more interest in budget planning, promoting, and pledging in American churches. This is rightly so, because never before have there been such unparalleled needs.

New buildings are needed - local programs must be enlarged - world missions needs are increasing. All of these require committed Christians and dedicated resources (wealth). The need of the churches and their mission programs for additional funds is tremendous, almost overwhelming. But greater still is the need to deepen the spiritual lives of the members by leading them at least to the minimum level of Christian stewardship, which is the tithe.

In deed another revival is needed - the revival of New Testament economics. To help bring this about the Stewardship Commission has created the following programs.

1. Forward Program of Christian Stewardship: "If You Really Care - Share!"
2. Growth in Christian Stewardship
3. Christian Family Stewardship
4. Tithers Enrolment Week
5. Weekend Stewardship Revival

Thirteen years of use by thousands of churches and pastors prove the integrity and validity of these programs.

Another area of work, in the field of stewardship, is that of endowment and capital giving. This aspect of the Stewardship Commission's program embraces wills, trusts, estate planning, insurance programs, etc.

The really new development is the program designed to help institutions and churches raise capital needs money. It is increasingly important that large sums of money need to be raised before additional funds are borrowed. The debt load of far too many of our churches is excessive and so the Stewardship Commission, through the program of endowment and capital giving, is prepared to give our institutions and churches the help they need in capital funds needs. A do-it-yourself program of capital needs fund raising is available to your church. In addition, there are trained, skilled capital needs fund raising consultants who can give leadership to your church in this area.

Your committee is delighted to bring this report. We desire to make the following recommendations:

1. We recommend that all of our churches in our association consider using one of the five stewardship development programs produced by the Stewardship Commission of the Southern Baptist Convention.
2. We recommend that our association accept a goal of _____ tithers, to be achieved during 1970.

MILITARY MINISTRIES REPORT

It has been said that the proximity of a church to a military installation has no bearing on its responsibility to the military service; it only has a bearing on the way the church fulfills its responsibility. Nearness to a military installation only makes the responsibilities more obvious.

We are grateful to those churches that are not so near the installation but have supported the work with the military by staffing Bible Schools, financing Bible Schools, providing the necessary funds for purchasing equipment, and providing materials.

More churches throughout the Association are corresponding with the servicemen. They are sending literature to their men and printing their names in the bulletin and newsletters requesting prayers for them. Some churches are also sending welcoming letters to new comers into the community.

This was another of those years with a great number of transfers of personnel, especially among the leadership of the churches. In some instances there was a slump in attendance and finances but God blessed these churches with many souls won for the Lord. Those returning from Vietnam give testimony that those whom we are inclined to count as a "loss" are witnessing and working diligently as "missionaries" among the Vietnamese people and conducting bible study classes with the military.

Those churches located in the military communities that are experiencing the greatest blessings are those engaged in visitation and home fellowship bible classes. There is no substitute for teaching and preaching the gospel of Christ. With most military people, this must be done in the home before they will know the joy and blessing of experiencing it in church.

A large number of the Oriental Ladies departed the area during the year. An intensive visitation program is needed among the non-Christian Orientals by the Christian Orientals to win them for Christ. With the help of the Baptist State Convention, there will be an Annual Oriental Fellowship meeting in Fayetteville beginning in 1970. This meeting will be of value in reaching the non-Christian Oriental and will afford an opportunity for the ladies and their families from area churches to fellowship together.

It is my prayer that this association will always see the military as persons. Persons with different accents, racial, religious and cultural backgrounds. I hope we will see them as coming from the homes of the rich, the poor, the white, the negro, the educated, and the uneducated. They come from every section of our country. They have been torn from home ties and placed in a world of uncertainty. They are our sons and daughters trained in the science of war. God loves them, the ones that are killed, and the ones they kill. Pray for them and for the end of hostilities among His people and His nations. Let us not only remember but let us begin to practice His Great Commission.

Respectfully submitted, James W. Sasser.

SUNDAY SCHOOL REPORT

The Sunday School Board's objective is to support the Southern Baptist Convention in its task of bringing men to God through Jesus Christ by making available Bibles, lesson courses and materials, books, films and filmstrips, music and recordings, and church supplies and by fostering education and service programs which will help the churches to establish, conduct, enlarge, and improve their ministries of Bible teaching and Christian training.

The commitment of the Sunday School Board is to provide for the present as we prepare for the future. Both provision for the present and preparation for the future will reflect greater use of Bible material in curriculum and a continued emphasis upon reaching people for Christ and church membership.

The achievement of our objectives depends upon God's gift of strength

and direction, the diligent labors of dedicated personnel, and the prayers and support of the denomination we serve.

We now prepare for a decade of aggressive and dynamic leadership as we strive to point the churches toward the trails they may blaze in performing their tasks: worship, witness, education, ministry, and application.

In reaching for the 70's, we are not letting go of the 60's until the calendar leaf is torn away. In preparing materials and programs for the next decade, we recognize an obligation to the present one. Our efforts are faithful to make provision for today while laying the foundation for tomorrow.

In grasping for the key to unlock the mysteries of changed people in a changed world, we shall never release our grasp on the eternal truths we all live to communicate. The lordship of Christ, the authority of the Bible, and the empowerment of the Holy Spirit have been, are, and will ever be the bedrock upon which all of our efforts are secured.

CHRISTIAN ACTION LEAGUE REPORT

From one standpoint this has been a very good year for those who are deeply concerned about the beverage alcohol situation in North Carolina. The 1969 General Assembly wrestled with some issues which if they had passed, would have greatly liberalized the laws relating to sales, and would thereby have increased the consumption of alcohol. Every state that has adopted liquor-by-the-drink sales has seen an increase in per capita consumption in that state.

We are grateful that the General Assembly defeated the following bills:

----The state-wide bill on whiskey-by-the drink which was introduced by Representative DeBruhl of Buncombe County. This bill was also known as the Travel Council bill.

----The Mecklenburg County local option bill on liquor-by-the-drink.

----The Moore County local option bill on the same.

----The Baugh and Carson State-wide bill on all or nothing. This bill offered two alternatives: TOTAL PROHIBITION OR A CONTINUATION of the present system plus local option on liquor-by-the-drink.

----Sen. Jack White's bill on local option A. B. C. votes in any city or town having at least one policeman.

We are rejoicing in some of the bills that were passed:

----The implied consent bill which calls for a mandatory loss of license upon refusal to take the test for driving under the influence of alcohol.

----A bill to increase taxes on beer and whiskey,

Tax on beer up from 3.5 cents to 5¢ per 12 oz. container.

Tax on whiskey up 30¢ per fifth and due to go up more.

The General Assembly is composed of men and women whom you elect to send to Raleigh. Find out their views on alcohol before the elections. Elect representatives and Senators who will vote dry.

From another standpoint, we regret that so many local bills were passed during this session granting local option A. B. C. elections in so many places. When a representative introduces and favors such a bill in his district, it is almost certain to pass. This is another reason that care should be taken in electing representatives to send to Raleigh.

This has been a fairly good financial year for the Christian Action League. We had contributions of $24,000 on a projected budget of $26,000. We need twice this amount of money each year. Only folks like you will give it. Many churches and individuals have been faithful. We solicit other churches to put the League in the budget and send in this amount annually. Special contributions are always joyfully received. We represent you in this work. REMEMBER TO pray for the work and workers; and give us your financial support.

Respectfully submitted, D. P. McFarland, Exec. Dir.

BROTHERHOOD REPORT

The Brotherhood Workshop was held at Pleasant Grove Baptist Church, November 25-26, 1968, under the leadership of the Associational Brotherhood officers and conference leaders enlisted by the state Brotherhood Secretary. Approximately 80 men participated.

The Royal Ambassador program was promoted through the following activities under the leadership of Mr. Edward Green:

An Associational Camp-Out at the Associational property, in which approximately 80 participated; A basketball league in which 80 boys from 8 teams participated; A track meet in which 15 boys participated, and from which some boys went on to the state meet at Wake Forest; A summer program of baseball in which 19 teams played in two leagues; and visits and work with R. A. leadership in 10 of our churches.

All Brotherhood and Royal Ambassador leaders and chapter counselors in the churches are asked to make plans to be present at Stedman Baptist Church for the Brotherhood Workshop on October 27-28, 1969.

The Associational Brotherhood Officers offer the following recommendation:

(1) That the men, young men, and boys of our churches be allowed to engage in the project of a thorough clean-up of the associational property near Walstone Baptist Church, and the installation of picnic tables and other provisions for camping and outings.

(2) That the organizations for men and boys in the churches be encouraged to use this opportunity for mission action participation.

(3) That the financial provisions for this project be assumed by local churches as mission action projects, or that they be legitimately provided for in existing associational budget items.

(4) In the event future development of the property demands greater expenditures of money that the needs be presented to the Associational Executive Committee for action.

(5) That an associational camp-out be held on the property on Friday night, November 7, and that the men and boys be asked to stay for the clean-up of the property Saturday, November 8. It is further suggested that the W. M. S. of each church provide food for their boys and men for the noon meal on Saturday, the 8th, and come and serve the meal at the property.

Respectfully submitted, Earl Pearson

DIVISION OF CHURCH PROGRAMS REPORT

Attempts at improvement and relevance mark the Church Programs approach to the '70's. The year ahead will find the Sunday School, Church Training, Woman's Missionary Union, the Brotherhood, and Church Music, all, undertaking to magnify meeting the needs of persons.

Three State Shaping the Seventies Conferences will be held in January in Goldsboro (19-20), Greensboro (20-21), and Asheville (22-23). These will be followed by Associational Clinics in all of the associations in the state (February and March). These efforts to help local churches to meet the needs of men in the name of Jesus Christ will be climaxed with eight Leadership Conferences:

Waynesville, March 30
Valdese, March 31
Charlotte, April 2
Elkin, April 3
Fairmont, April 20
Wilson, April 21
Greensboro, April 23
Raleigh, April 24

During the summer, hundreds of young people participated in the Convention ministries through the Youth Corps, the Listen Team, the Apostoloi, Camp Mundo Vista, Camp CaRAway, the Fruitland Conference Center and the North Carolina Baptist Assembly. This involvement of youth assures Baptists that there is a developing leadership for the church programs of the future.

NEW WORK COMMITTEE REPORT

The New Work Committee is charged with the responsibility of reporting the Missions Council any areas were new mission work and/or churches ould be considered and/or planned, making recommendations as to priority, onsorship and location.

The Committee held its first meeting on December 5, 1968. The need r a church in the College Lakes area was discussed and a committee was pointed to gather data and report their findings. In the discussion a ques- n of where money could be obtained to support such a mission and this ought to light a possible scheme to sell Bonds which is explained later in is report.

April 9, 1969, the committee met again to discuss new developments. A finite "yes" came from the group who investigated the College Lakes area. ne answer again brings to light the need for money to purchase land. The nderosa area was discussed and again we have no concrete answer, for it pears that no one established church can underwrite the needs for these d other areas. The Committee adopted a resolution here to recommend at the association budget $20,000.00 to be used in the new program. This oney would be used to purchase land or take options on land that would be ed as a possible church site.

At a later meeting, the Committee discussed new work in the area of Montclair and the continued work of the Lake Rim Mission. The feeling is that the job is entirely too big for one committee to make sound recommendations. There is a possibility of overlapping and the danger of under or over building. More information is needed as to how many people live in the area, how many would attend, and what will be the future growth of the area. When all of the criteria was considered the Committee decided that professional help was needed as well as money and with this make the following recommendations:

PROFESSIONAL: That money be appropriated to hire a team of professional consultants who will make a complete survey of the Fayetteville area and make recommendations of first, a best solution disregarding the expense; second, a solution that would keep within the budget; and third, a solution that we will call the economy route. Hopefully, this route will not be used. Along with this the churches in the Association should be advised of the needs and a special effort made to increase the gifts to the Association.

MONEY: That a Bond issue of the debenture type which will include the serial coupon, and sinking fund provisions, be authorized by the Association. These Bonds should be sold as they are needed for the purpose of purchasing land and lending assistance to missions and churches in financial need. This is not to be a gift but a loan to any mission or church of the Association and should be paid back to the Association by any borrower with interest just as under any bank type contract. The Bonds should be retired by pledges from the Association members until the Association has accumulated a fund of $250,000.00 minimum.

A report from consultants should outline where there will be future needs for mission and the Association should have the monetary strength to bargain on purchases and options of sites.

Fayetteville and Cumberland County, located in the midst of a large agricultural region, are experiencing a great surge of urban growth. The population growth in Fayetteville is the most noticeable aspect of the city. In 1968, Fayetteville was the third largest growing city in the United States. Fort Bragg continues to contribute the major stimulus to population growth in the area. Since 1967 five major industries have located in the Fayetteville area. Fayetteville is gaining in the function as a regional trade and distribution center. The Economic Development Agency of Washington, D. C. has designated Fayetteville and portions of Cumberland County as an economic growth center. Housing is continually expanding to meet the demands and a new subdivisions are springing up all over the area. There are over 100 subdivisions in the Fayetteville area and more than half of these are not served directly by a Baptist Church. The need for new Baptist Missions are more than we really can realize or vision and this committee feels that what is requested in this report is the least that can be done for our Lord and Saviour, Jesus Christ.

Respectfully submitted, R. Cecil Carlyle

Reports

SUPERINTENDENT OF MISSIONS REPORT

With the adoption of our newly structured program of work at our last Annual Session, many adjustments were needed. These have been and are being dealt with.

Two major items took a good bit of time during the first six or eight months of the Associational year and, until these items were taken care of, other things had to go undone.

These two items were the preparing and securing the adoption of Job Descriptions for the Director of Church Development and the Director of Christian Social Ministries. After the approval of the Job Description for the Director of Church Development, Rev. Bill Ross was called to fill this position. He assumed his responsibilities, 1 July 1970. We are fortunate indeed to have him lead us, during these months of change. His leadership will give us great depth in trained church leadership, as well as more effective development in every area of our work across the Association. We give God the glory for Bill and Mrs. Ross being with us, as laborers together with Him.

Two other positions were filled by new individuals during the year. Mrs. Dorothy G. Rodger became Administrative Secretary, the latter part of February, and has served very effectively in this position. Her previous experience - as an Administrative Secretary - has prepared her in a special way for the tremendous task that belongs to her. She is a member at Carroll Memorial.

Mr. L.Y. Perry became part-time Bookkeeper in January, and has done an effective job of keeping books for us. His dedication and the geniuneness of his Christian life are special blessings to all of us in the office.

Although the Job Description for the Director of Christian Social Ministries has been approved, it has appeared to be more difficult in locating the right person for this place of service. We seek His leadership in the consciousness that this person must be a very special person. He must relate well to pastors, as well as those leaders of the community. It seems he must understand thoroughly the inner workings of the church, as well as the peculiarities and uniqueness of the work of an Association.

Although much of this year has been a time of transition, much preparation and groundwork has been laid for greater effectiveness in the coming year. Concern for facilities of the Association - that the facilities be located in the appropriate place as well as have adequate space - has been ever before us. This, combined with the need for new Mission sites - and a strengthening of the work at the Shaw Heights Mission Center - presents a challenging future to all of us in the New South River Baptist Association.

Only through His leadership and under the power of His Holy Spirit can we dare attempt the impossible for Him. Join with us in prayer that as we "walk with Him" a miracle will take place - and His name be glorified in this coming Year of 1970-1971.

Sincerely,
Rev. Charles A. Stevens

DIRECTOR OF CHURCH DEVELOPMENT REPORT

There is an increasing awareness that it is undoubtedly the will of the Lord that I serve in this capacity. I find myself so happily engaged in the work that it is difficult for me to realize that I have been here these three months already.

It has been my joy to visit thirty of our churches. I have been privileged to do supply preaching in the pulpits, lead conferences for the program organizations, assist committees with their work, and offer my services as a counselor to pastors and leaders.

My pleasant beginning can only be attributed to the warmth and the welcome with which I have been received into the Association. It is my sincere desire to respond to each call as my personal strength and time will permit.

Our main objective is the strengthening of the local churches so that they may make a spiritual imprint upon this area.

Respectfully submitted,
J. William Ross
Director
Church Development

The Sunday School has assigned four (4) major tasks:

1. Teach the Biblical revelation
2. Reach persons for Christ and church membership
3. Perform the functions of the church within the constituency
4. Provide and interpret information concerning the work of the church and denomination

The Year 1969-70 has been mainly characterized by a strong, informative and aggressive program of preparation for the major changes in the new grouping-grading program effective 1 October 1970.

To implement this, elected officers of the Associational organizations attended the "Shaping The 70's Clinic" in Goldsboro, 19-20 January 1970. There were two representing the Sunday School. Upon return, Associational Clinics were conducted for leadership from churches, one on 26 January 1970, at Autryville Baptist Church and one on 29 January 1970, at Snyder Memorial Baptist Church. Sunday School Directors were the largest number in attendance. Nine (9) men were trained to assist the local church by meeting with Pastor and Sunday School Director and discussing fully the 70/70 Launch Plan.

There are to be four major divisions in the new grouping-grading plan:

1. The Pre-School	Birth through Age 5
2. The Children	Ages 5 through 11 (or Grade 1 through 6)
3. The Youth	Ages 12 through 17 (or High School Graduate)
4. The Adult	Age 18 Up (or High School Graduate and Up)

All materials and publications are being revised. New books in the church study course series are being published. This new emphasis in the Year 1970 should be the very incentive our Sunday Schools have so drastically needed in recent years.

The Lordship of Christ, the presence and inspiration of the Holy Spirit, and the authority of the Bible are, and will ever be, the bedrock upon which all our efforts and programs are secured.

Respectfully submitted,
Rev. John M. Glenn

TRAINING UNION COMMITTEE REPORT

As we come to the close of another year, we cannot help but look forward - with great anticipation - to the New Year. Our training program will be new - with all new materials - and a greater emphasis on training and leadership.

This past year has been a very good one. We had participants in Junior Memory Work, Intermediate Sword Drill, and Adult Scripture Reading, with eight (8) of our churches represented in our Associational Meeting, in the Stedman church.

Another Highlight of our work was our Association Hosting the Regional III Training Union Convention, in April, at Pleasant Grove Church, with over three hundred (300) people attending.

We had representatives from our Association present each of the three Training Union weeks at Cashwell, during July and August.

Let our Goal for the New Year be "Forward Ever - Backward Never," as we train in church membership to be better leaders, teachers, and witnesses for Christ.

May I urge each of you to become involved in the work of Christ, through our Church Training program.

I wish to thank each of you for your prayers, assistance and support in carrying on the Training program.

"Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth." II Timothy 2:15

Respectfully submitted,
Mrs. Norwood Hobbs

BROTHERHOOD COMMITTEE REPORT

There are exciting days ahead for Brotherhood work in our churches. As we look to the New Year with all of the challenge that is before us, one thing is obvious; "If we accomplish what we should for the Saviour in our churches, the male element is going to have to be involved."

The "Shaping The 70's Conference," held in Goldsboro in January, was attended by our Brotherhood Leadership. This was a valuable experience. All of our Associational Leadership for the various program organizations cooperated in two Conferences on the Associational level. One of these was held at Autryville church and the other at Snyder Memorial. These Conferences were both well attended by Leadership from the various churches.

Since our last report on Brotherhood work, we have secured the services of Brother

Bill Ross, our Director of Church Development. Bill is vitally interested in the Brotherhood program and will be an invaluable asset to our work.

We have enlisted interested and qualified people to lead our work for the New Year. They will be well trained and eager to help any church who indicates an interest. Please call on us.

Respectfully submitted,
Rev. W. Harold Bridges

WOMAN'S MISSIONARY UNION REPORT

An exciting year of change and planning in WMU work is now closed, and a new one is already to begin. For quite some time now, all age-level organizations in the WMU have been undergoing many changes, trying to prepare ourselves for new trends in WMU Work in the 70's. I trust we are ready to take that step now. I will briefly mention a few important things we did during the year.

Our Executive Council met five (5) times during the year, to plan and discuss important business of the organization.

In October, a Leadership Training Course was held at Mt. Gilead Baptist Church for two nights. There were approximately two hundred (200) ladies in attendance each night, who received their Leadership Cards for completing the Course. There seemed to be much interest among those who attended. All seemed anxious to learn the new changes in our work.

In September, every member of our Executive Council, plus two assistants, attended the State WMU Leadership Training Institute which was held in Rocky Mount North Carolina. This meeting was very informative. The new changes were explained which was very helpful to each of us.

Our Annual WMU Meeting was held in April, at Trinity Baptist Church, Fayetteville, North Carolina. The minutes of this meeting are printed in the Associational Minutes for 1970.

Sunbeam Day Camp was held for three days, 27, 28 and 29 July 1970, at the Associational Camp Site, with fifty-five (55) in attendance, representing thirteen (13) churches in the Association. There were seventeen (17) very capable counselors, who had an interesting program planned each day for the children.

MINUTES OF ANNUAL WMU MEETING

The 74th Annual Session of the New South River WMU Association was held at the Trinity Baptist Church on 13-14 April 1970.

Meeting commenced at 7:30 P.M., on the 13th, with Mrs. C. Wayne Lee - WMU Director - extending a warm welcome to those present.

The Theme for the Annual Session was "Lord, Speak Through Me."

The congregation was led in the singing of "Lord, Speak To Me," by Rev. Roy E. Walker, Pastor of the Trinity Baptist Church.

Mrs. Charles A. Stevens gave the Call to Prayer, using the Calendar of Prayer in the Royal Service magazine. The closing prayer was "Lord, Speak Through Me To Someone."

Rev. Roy E. Walker brought greetings. He then rendered a devotion, based on the Scriptures from Matthew 28:19-20, "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost, Teaching them to observe all things whatsoever I have commanded you: And lo, I am with you alway, even unto the end of the world." Rev. Walker closed with prayer.

Mrs. A.C. McInnis, Pianist for the WMU Association, introduced, "The Highlanders," and their Director, Mr. H.B. Height, who presented special music for the evening. Mrs. Lee expressed her appreciation and thanks - in behalf of the entire congregation - to the group for taking time from their busy schedule to sing for the 74th Annual Session of the WMU Association.

Announcements were made as follows:

1. April 21, 1970	Meeting at Fairmont - "New Trends in WMU"
2. April 24, 1970	Meeting at Hayes Barton - "New Trends in WMU"
3. Oct. 19-20, 1970	Fall Leadership Conference - at Judson
4. April 21, 1970	YWA Council Meeting at Autryville
5. 1970-71 Officers	Names read
6. Reports	None received by WMU Director

Mrs. James Sasser, Chairman of the Nominating Committee, rendered a report of the Nominating Committee, stating that the Officers for 1970-71 would be installed at the second Session of the Annual WMU Meeting, on 14 April 1970.

Mrs. Johnnie Rice presented revised copies of the By-Laws for review and preparation to vote on same at the second Session.

Mrs. Dennis Butler, Assistant WMU Director, introduced Miss Bernice Popham (formerly State Sunbeam Director - will be Mission Friends Director on 1 October 1970), who outlined the major changes in the overall WMU structure to be as follows:

Baptist Women	Age 30 and Up
Baptist Young Women	Ages 18-29 (College Students, Career Women, Young Married Women)
Acteens	Youth Group (formerly YWA's)
Girls in Action	Ages 6-11 (or Grades 1-6) - formerly GA's
Mission Friends	Preschool Children - Ages from birth until 5 (formerly Sunbeams)

Rev. Charles A. Stevens, Superintendent of Missions for the New South River Baptist Association presented Mrs. Dorothy G. Rodger, Administrative Secretary of the Association.

Mrs. C. Wayne Lee introduced the Guest Speaker, Mrs. R.L. Stocks - Missionary from Zambia, Africa. Mrs. Stocks was a native of Omaha and North Carolina (Winston-Salem). She held the audience spellbound, in her presentation of slides of missionary endeavors in Zambia, Africa.

Benediction was rendered by Rev. A.C. Hughes, Pastor of Spring Branch Baptist Church.

The Second Session of the Annual WMU Meeting commenced at 9:30 AM, on April 14, 1970, with Mrs. C. Wayne Lee, WMU Director, presiding.

After a welcome by Mrs. Lee, the entire congregation was led in the singing of "All Hail The Power of Jesus' Name," by Mrs. James H. Taylor, Jr., Choir Director

of the Trinity Baptist Church.

Mrs. David H. Miller offered prayer, after acquainting those present with the startling information that:

> "If all the unsaved people in the world were lined up, the line would reach around the world 30 times, and this line would grow 20 miles each day."

Mrs. Miller stated that this should be "food for thought" for all WMU members. She expressed her concern as to the use our women were making of the Calendar of Prayer, available to us in the Royal Service magazine. She emphasized the power of prayer, reminding each person that the power of their individual prayers would contribute to the witness of every missionary.

Mrs. Lee stressed the importance of all WMU Leaders having the Royal Service on hand to pray for the Missionaries by name. She added, however, that this was not the only reason for needing this magazine. It helps one to know our task in the WMU - for Circles and General Meetings.

Mrs. Carl Kennedy, WMU Director at Trinity, was presented by Mrs. Lee. Mrs. Kennedy said that she considered it a real privilege to have the 74th Annual Meeting at Trinity. She added that Mrs. Lee had been an inspiration, and that the ladies of Trinity had been drawn closer together as they prepared for this Meeting.

Mrs. Lee said that Mrs. Kennedy had been an inspiration to her, and that she had been present at most of the meetings. She stated that she did not feel that she - herself - had done everything that she should have, but added that she had enjoyed the work because she had learned much from it. She made known her hope that the WMU might someday be in a position to have a fulltime paid person in the WMU work, and thus accomplish more.

Mrs. James I. Murphy was recognized by Mrs. Lee, after which she presented the Devotion, taken from I Cor. 13:1-3. She reminded us that the Lord speaks through us, but before He can speak through us, we must ask Him to remove all hate from our hearts.

Mrs. Lee presided, as the Meeting entered into it's Annual business session.

First, Mrs. Lee stressed the need of our ladies availing themselves of the training at Ridgecrest, this year, if only one lady from each Church, during WMU Week which is scheduled for 13-19 August 1970.

Announcement was made of the Leadership Conferences scheduled for Friday, April 17th, at the Hayes-Barton Baptist Church in Raleigh, and at the Fairmont First Baptist Church on Monday, April 20th, both of which will be conducted by leaders from our Baptist State Convention of N.C. Mrs. Lee said, "They will have SOMETHING to tell us - not just for the WMU, but for the whole church!" She gave the hours of the Conferences at 7:00 PM to 9:30 PM.

Mrs. A.S. Rodger was recognized as Acting Secretary, in the absence of Miss Maxie Warren.

Mrs. Lee said she was pleased with our attendance which exceeded expectations - and the number for which programs were prepared.

Those churches not having submitted lists of their WMU Leaders were asked to get this information to Mrs. Lee, at the earliest possible date. They included:

Brown's Chapel, Highland, Lebanon, Liberty, Mary's Chapel, Lake Rim

She stated that she would continue to correspond with persons whose names were on the previous year's lists until such time as the lists had been received by her.

It was announced that there would be Associational Leadership Conferences within our own Association, 28-29 August and 11-12 September 1970. (Miss Bernice Popham

added that both would be held at Camp Mundo Vista - and would be the entire State WMU representatives)

Mention was made that Judson Baptist Church had extended our WMU an invitation for the Leadership Course, and that all churches should get their new officers nominated for 1970-71, and order the materials that the new workers would need. She suggested that each WMU Leader purchase a three-ring notebook in which to keep all materials, and take to every meeting.

Mrs. Lee expressed her dismay that only 20 of our Associational Churches were represented at the "Shaping the Seventies Clinic," which means that 55 of our churches did not have the opportunity of learning about the entire new program concept and outline. She said that we were indebted to Mrs. Mercer for having represented Mrs. Lee at the Clinic.

Announcements were called for by Mrs. Lee.

Mrs. James Sasser was called upon by Mrs. Lee, to present the New Officers for 1970-71. Mrs. David Miller presented the Officers (taking the place of Mrs. Lee in this particular instance, in view of the fact that Mrs. Lee was herself being voted upon as an officer). Mrs. Sasser expressed regret that some of the new officers could not be present for installation, after which she read an appropriate installation Scripture.

Mrs. Johnnie Rice was recognized by Mrs. Lee, after which she presented the proposed changes in By-Laws, for approval. The two main changes were as follows:

> Article VIII - Section 3 - Wherein it reads, "2/3 majority voting members shall constitute a quorum" is changed to read, "2/3 majority voting membership shall constitute a quorum." This means membership, rather than 2/3 of those present at the meeting. Quorum for Annual Session shall be considered as 50 for "membership."

Motion was made by Mrs. Rice that the By-Laws be adopted, with the recommended changes. Mrs. David E. Miller seconded the Motion, and members were unanimous in their approval.

Mrs. Lee said the Minutes were included in the Associational Minutes. Motion was made by Mrs. Rice, seconded by Mrs. Shirley Prevatte, and unanimously carried that Minutes be accepted as printed.

It was announced that copies of the Treasurer's Report had been given out to those present at the first Session of the Meeting. Those present were reminded that dues still had not been received from 30 of the Associational churches. They were asked to get these in, at the earliest possible date. Motion was made by Mrs. A.C. McInnis, seconded by Mrs. M.A. Biggs, and unanimously carried, that the Treasurer's Report by accepted as read.

Mrs. Johnnie Rice stated that she at one time had the idea of WMU having it's own Camp. However, since space, money, etc. were not available for a project such as this, she thought that we should promote Camp Mundo Vista, and perhaps use it sometime for a week-end retreat. Mrs. David E. Miller voiced the opinion that the amount of $782.77 in our Savings Account at the First Citizens Bank & Trust Company was "doing nothing for our Lord" while in the Account, and suggested that we donate at least $500 of this amount toward the debt on Camp Mundo Vista. Miss Bernice Popham described the Camp (for the benefit of those not having been there). A general discussion followed. Mrs. Johnnie Rice then made a Motion that the WMU contribute $500 (from the Savings Account) toward the debt at Camp Mundo Vista. Motion was seconded by Mrs. Betty Denton and unanimously carried.

Mrs. Lee asked if there was any further business to claim the attention of those present. There being none, Mrs. Lee presented Miss Bernice Popham, Sunbeam Director, from the Baptist State Convention of N.C. Before Miss Popham spoke, however, Mrs. Lee expressed her appreciation of the opportunities afforded her - within recent

months - to participate in other meetings with Miss Popham - and said she found it difficult to realize that so many of the WMU ladies had not enjoyed this privilege.

Miss Popham's first words were "thank you" for the $500 gift to Camp Mundo Vista. Miss Popham reiterated the major changes (as presented during the first Session on the previous evening) in the overall WMU structure, and then gave more details as to the functioning of each new group. She stressed the fact, however, that the main purpose of WMU has never changed, although the tasks, etc., may have changed throughout the years. We are still engaged in supporting our Missionary efforts through prayer and gifts, as we continue to learn more about the work actually accomplished on the Baptist Mission Fields, whether they be Home - State - or Foreign.

The "new look," as explained by Miss Popham, will be in:

1. Adjustment of WMU to the Grouping-Grading Plan.
2. Rewording of the Task Statements.
3. New Age-Level Names.
4. New Periodicals.

A question and answer period was made available to the group, by Miss Popham, upon completion of her group by group outline of the program, materials, activities, and all factors pertinent to each group.

Mrs. Lee asked Mrs. James H. Taylor, Jr., to lead the congregation in singing the first and fourth verses of "From Ocean to Ocean," after which Mrs. Lee offered special prayer for our Astronauts (who have been experiencing difficulty in their current flight) to safely return to earth.

Mrs. Lee then thanked Mrs. Mercer for the Theme, "Lord, Speak Through Me," as depicted in the Banner across the Pulpit.

Mrs. Cain was called to the platform by Mrs. Lee. Members were thrilled to learn of Mrs. Cain's plans to journey around the world, this Summer. Mrs. Lee thanked her for having shared accounts of her previous travels (to the Far East, etc.) with our ladies, and said that she looked forward to Mrs. Cain being the WMU Director, someday.

Mrs. Lee expressed appreciation to Rev. Charles A. Stevens, Supt. of Missions, New South River Baptist Association, for all the help he had been to the WMU, and then turned the meeting over to him.

Mr. Stevens first thanked the ladies for their $500 Gift to Camp Mundo Vista, adding that for too long a time we had banked too much on "things for security." He mentioned that the Association now included a Prayer Calendar on the back of the weekly Newsletter - "The World," and asked that the ladies pray for the churches on the dates indicated for each. He stated that our churches are going through some "unusual" times - and would be subjected to even more in the future. He said that there was so much that we ought to be doing - within the Association - and there is so much more that we could be doing, IF we pooled our resources for the glory of God. He added that each of us should share in any way possible - that God's name might be glorified.

Rev. Stevens then introduced Rev. R.L. Stocks - our Missionary from Africa. After rendering prayer, Rev. Stocks read Scripture from II Cor. 5:20, which he said had meant so much to him. He learned that Scripture when he was a RA in a First Baptist Church in _____, Virginia. He said that it was not his plan to be a Missionary, but he knew that God wanted him in fulltime Christian service. He served in Riegelwood for 2 1/2 years (as Pastor), during which time both he and his wife felt that they

were doing God's work. Then, in church one night, they had a World Missions Conference. Jessie Greene - a Nurse who had served with Bill Wallace in China, spoke. Rev. Stocks said he began to feel that night that God could use him in a different way - in a different location, etc. He counseled with Dr. Fletcher about what decision he should make, the advice from Dr. Fletcher being, "whatever you do - whatever decision you make - be SURE it is within the circle of God's Will." Rev. Stocks said that as he and his wife were writing out their Resumes - and life history - (as required by the Foreign Mission Board), he realized that this was just another step in God's plan for their lives. He said that a man can only share what he has in his own heart.

Motion was made by Mrs. David Miller, seconded by Mrs. Cain, and carried, that the invitations to hold the Annual Meetings at Roseboro, First church in 1971, and Faymont church in 1972.

Mrs. Lee expressed appreciation to the members of Trinity, for their wonderful assistance with this meeting, and to everyone having worked with her throughout the current year. After a delicious lunch, for which Rev. John Glenn, Pastor of the Baptist Chapel Church, offered grace, meeting adjourned.

MUSIC COMMITTEE REPORT

First, may I express my appreciation to the very faithful and devoted members of the Music Council this past year who, through sincerity and combined efforts, have started a clinical music program that will reap benefits in our churches in years to come.

The Music Council provided our special music, such as Campbell College, etc., and our musical devotional periods, at the 1969 Annual Associational Meeting. Following the "Shaping the 70's" Conferences in Goldsboro, two music Conferences were held - one in Autryville and one at Snyder Memorial Baptist Church in Fayetteville - in conjunction with other "70's" Conferences for the Association. At this time, nineteen (19) churches were added to the mailing list of the State Music Department. How - if our churches do not know of the First Timers Festivals, the Piano-Organ Hymn Festivals - can we expect to have the fullest music ministry for God, in our Association?

On May 4th, a Music Directors' Get-Together was held at Salemburg Baptist Church, with Rev. Jeff Roberts - Pastor and a former Minister of Music - giving a real challenge to the Music Directors, Organists and Pianists present. This well-attended fellowship included three sessions or sections designed to pin-point the needs of the smaller churches in our Association.

After evaluating this Clinic, the Music Council met and planned to conduct three (3) different Music Reading Clinics in different sections of the Association in the Fall of 1970.

Respectfully submitted,
Catherine L. Taylor

CAMP COMMITTEE REPORT

The Youth Camp for New South River Baptist Association was conducted at Campbell College, Buies Creek, North Carolina, the week of July 20-24, with the Reverend

Kenneth Wilson serving as Director and the Reverend Ed Rogers serving as Assistant Director. The Theme for the Camp was, "Living the Christ Life Now," the Scripture verse was Phillipians 4:13, and the Theme Song was "Isn't He Wonderful?"

There were one hundred and thirty-three (133) persons, including the Staff, attending the Camp. The Reverend I. James Murphy served as the Camp Pastor. He reports that twenty-two (22) decisions were registered. A letter of information was sent to the Pastor of each who made a decision. The Mission emphasis was led by Reverend and Mrs. Charles Wiggs, Missionaries to Korea. Camp Teachers, who led in the Bible Study, were Mrs. Ella Butler, Mrs. Jean Guy, Rev. Curtis Nester and Mrs. M.A. Williford. A number of persons served as Counselors from the various churches.

Mrs. E.H. Hollingsworth served as Camp Nurse, and cared for all the aches and pains in an efficient and soothing manner.

Eternity alone will tell the good that was accomplished during the week at Camp.

EVANGELISM COMMITTEE REPORT

The Evangelism Committee realized the need for a deeper spiritual meeting of our ministers and lay people. Several planning sessions have been held to plan projected work for 1971-1972. Mr. William C. Lamb, Director of The Divisions of Evangelism, Baptist State Convention of North Carolina, met with us on July 6, to discuss new materials on lay witnessing. These materials will be called WIN - WITNESS INVOLVEMENT NOW. Mr. Lamb indicated these new materials should be in the hands of our Baptist Book Store by October 1st, but could be delayed a month or two. Plans are being formulated for a training session in these new materials for our New South River Baptist Association.

We have had one session with the Fayetteville United Ministerial Association to discuss some spiritual emphasis on a community all-denomination level. You should be hearing more about this.

It is our prayer that each of us may be drawn closer to God in the coming year and that His Holy Spirit might engulf this area to such an extent that an old fashioned revival might be experienced.

Respectfully submitted,
Rev. James E. Hester

ANNUITY BOARD REPORT

Good Experience Credit Boosts Benefits:

"Good experience credit" is a new term in Protection Program vocabulary. "Good experience credit" means larger benefits for active and retired members as of 1 January 1970. Briefly, here is how it works.

For the active member and his family the stipulated amounts of eligible benefits in Plans A-10 and A-11 (formerly Southern Baptist Protection Plan) now are the minimum. The "good experience credit" will be extra - over and above the minimum. For 1970 the "good experience credit" will be about 2% of the retirement credits accrued as of that date. The amounts credited in the future may vary, depending upon interest earned.

Most retired members are finding the "good experience credit" in their 1970

monthly checks which are 4% larger. In addition, these members received the "13th Check" in February. The "good experience credit" and the "13th Check" are realities because interest earnings were in excess of what was required actuarially by the plans.

"13th Check" Largest to Date:

For the fourth consecutive year the Annuity Board mailed a "13th Check" to all recipients of life retirement benefits. The extra check, amounting to 13% of the annual benefit, was the largest to date.

History of Benefits Paid:

Since 1918 the Annuity Board has paid $73,717,267 in benefits to Southern Baptist ministers, agency and church employees, widows and children through the programs administered.

Highlights of 1969:

If the "good experience credit" had been the only accomplishment, 1969 would have to rank as one of the most successful years in Board history, but there were other impressive accomplishments. Here are highlights of the Annuity Board services for 1969.

Total Active Members in:

Plan A of Protection Program	24,256
Plan B of Protection Program	9,756
Plan C of Protection Program	3,358
Health Benefit Plan	14,871
Life Benefit Plan	9,336
New Group Insurance (Churches)	1,130
New Group Insurance (Agencies)	2,228
Churches Billed in Plan A	18,081
Agencies with Plans	155
New Benefit Recipients	1,059
*Retirement	643
Disability	51
Widow	139
Child	105
Education	100
Variable	21
Relief Recipients	464
Relief Payments	$176,165
Total Benefits Paid	$7,273,851

*Includes lump-sum and one-time payments

Annuity Board Programs:

A minister, church or denominational employee can create a protection program with the Annuity Board that will cover all his needs. Many churches are helping by paying dues in the retirement, health and life insurance plans. Information on any part of the Annuity Board's programs may be obtained from the State Convention

office or from the Development Division, Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

The New South River Association and fifty-four (54) churches are participating in the Protection Program.

BIBLICAL RECORDER COMMITTEE REPORT

The Biblical Recorder - official weekly publication of the Baptist State Convention of North Carolina - is one of the finest publications among the State Convention periodicals. The Rev. Morris Grant has been cited and commended for his outstanding work as Editor.

October 11, 1970 is designated - in our State Convention Calendar - as "Recorder Day."

The ideal would be that each local church budget provide for this informative periodical to be sent weekly to the homes of each family.

Respectfully submitted,
Mrs. Edna Stephenson

CHRISTIAN EDUCATION REPORT

Southern Baptists have done a better job in higher Christian education than even the fondest advocates hoped for, but there is yet much to be done. There is now - as never before - a need for constructive criticism of Christian education. Too long have we had destruction! As Baptists, we have a special concern for our colleges. As Christians, our concern goes even deeper. As sincere believers in Christian education, those of us outside the college have a responsibility both to speak to it and to listen to it. A Christian college is a community of learning Christians - professors and students - seeking to know the mind of Christ and to live Him before an unbelieving world. The Christian college operates on the basic assumption that apart from religious commitment life can have no ultimate meaning. Jesus Christ is the Foundation of all truth and provides the frame of reference in which all knowledge can be examined and used for the good of man and for the glory of God, and the two cannot be separated. Our Baptist schools are attempting to operate in a spirit consistent with the guidelines for deepening spiritual life on college campuses set forth by the North Carolina Baptist Convention in Durham in 1958. The main purpose of our Baptist schools is to give an education unexcelled by any school but from a Christian stance. Every student should come with the objective to get an education for going out to serve God through serving society.

The Christian Higher Education Council is made up of eighteen (18) members of the Education Committee of the General Board of the State Baptist Convention, seven (7) college presidents, seven (7) chairmen of boards of trustees, and the seven (7) academic deans. Dr. Ben C. Fisher, who was until recently the Executive Secretary of the Council on Christian Higher Education, is now Executive Secretary of the Southern Baptist Convention Education Commission.

One of the major problems noted recently on a college campus was the fact that our Denomination has no real plan to finance students preparing for Christian service. There is a definite need to allow these young people to participate more fully in

religious work while in college. It has been pointed out that when all costs are considered, private senior colleges are no higher in cost than public colleges. Many of our Baptist colleges now offer free tuition to pastors and pastor's wives. Ministerial students and children of ministers receive scholarships.

North Carolina Baptist now have a university - Wake Forest, four senior colleges - Campbell, Mars Hill, Meredith and Gardner-Webb, and two junior colleges - Chowan and Wingate. On Father's Day each year, we have the privilege of giving our Baptist College Day offering to be used as a means of financial support to our Baptist Colleges. Each church is urged to have a part in the special offering and to pray daily for the work of our colleges.

Respectfully submitted,
Emory Holden

FOREIGN MISSIONS COMMITTEE REPORT

The emphasis of the Foreign Missions Committee, for the past year, has been to promote Foreign Missions in each of the churches within our Association.

We have no way of knowing the exact amount of designated offerings to Foreign Missions, from our local churches. However, we have heard glowing reports of the successful efforts during the Week of Prayer for Foreign Missions and the Lottie Moon Christmas offering.

Often-times, special "Missions" programs are conducted in the churches, and we are not informed as to the number of Missionaries (on furlough) who visited the various churches.

In the future, your Committee will endeavor to promote more fervently Foreign Missions in the local church.

Respectfully submitted,
Mrs. Jasper Boone

HOME MISSIONS COMMITTEE REPORT

The Home Mission Board of the Southern Baptist Convention is observing its One Hundred and Twenty-fifth (125th) Anniversary this year, with gratitude to God for His favor, and appreciation for the support of Southern Baptists for the last century and a quarter. Though society has changed drastically and the contemporary scene is often disturbing, the Board's basic task remains unchanged - Our Land for Christ.

The basic Programs of the Home Mission Board are Evangelism, Chaplaincy, Church Loans, Associational Administration, Establishment of New Missions, Pioneer Missions, Rural-Urban Missions, Metropolitan Missions, Language Missions, work with National Baptists, Christian Social Ministries, work related to Non-evangelicals, and special supporting services. Dr. Arthur B. Rutledge is the Executive Secretary-Treasurer, and the headquarters are located at 1350 Spring Street, N.W., Atlanta, Georgia.

There are a total of 2,235 missionaries serving under the direction of the Home Missions Board. In 1969, there was a total of ninety-seven (97) new churches reported, one hundred and forty-two (142) church loans granted, and 69,359 baptisms.

The actual amount of contributions from the churches of the New South River Association is not known, at this time, but each church is urged to continue faithful support to the Home Missions Program.

Respectfully submitted,
Rev. Edward E. Rogers

HOMES FOR THE AGING COMMITTEE REPORT

God has blessed the ministry of the Homes for the Aging for nineteen (19) years in a very special way. Our five (5) Baptist Homes - Resthaven, the Hayes Home, and Nursing Care Unit, in Winston-Salem; the Albermarle Home in Albermarle; the Hamilton Home in Hamilton; and the Yanceyville Home in Yanceyville, care for one hundred and ninety-five (195) dear elderly people.

An urgent appeal was made to our Baptist people in February to help reduce the alarming deficit in the operations of the Homes; this plea was heard, and the offering of $168,349.34, from 1 July 1969 through 30 June 1970, has exceeded all other offerings in previous years. There were forty-seven (47) churches in the New South River Association contributing $2,650.62 of this offering. In view of the rise in cost of operation, we urge each church to continue their support of the Homes.

Of great interest to the Baptists is a proposed new addition to the present Nursing Care Unit. There has been a proposed gift of $80,000, if this amount can be matched by 1 September 1970. If this proposal is fulfilled, there will be ten to twelve additional rooms, to accommodate about twenty-four (24) persons.

There is no greater security for an older person than that of the Christian nurture and love offered in our Baptist Homes, and we thank the Lord - and our Baptist people - for this ministry.

Respectfully submitted,
C. Parker Poole

BAPTIST HOSPITAL REPORT

We are glad to report that the financial operations of the Hospital are now in a more stable condition. There are still serious problems, but real progress has been made. The deficit has been reduced and is now below the $1 million mark. This has come about due to a large Medicare adjustment payment and another payment is expected. The problem that remains is the number of persons who are not eligible to be certified by a sponsoring agency and yet cannot pay the full cost of the care they need.

The pre-admission policy of getting necessary information and making financial arrangements in advance, except in emergencies, has been a help to both the patients and the Hospital. It saves time for the patient at the time of admission, and helps the family to estimate more realistically what its financial responsibility will be. The advance payment not only assures the Hospital of the money, which it often does not get on promises, but it puts the money in hand. The Hospital, therefore, does not have to borrow it to cover the cost of the patient's care.

The Mother's Day Offerings are now $21,000 more than what they were at this time last year. As of September, thirty-five (35) Associations have already given more than

they did for the entire Year of 1969. In our Association, sixty-three (63) churches gave a sum of Six-Thousand, two hundred and sixty-two dollars and eight cents ($6,262.08) from January through August of this year.

Each church is urged to support the ministry of the Baptist Hospital.

Respectfully submitted,
R.B. Spell

STATE MISSIONS COMMITTEE REPORT

The month of September was designed to focus our attention on the State of North Carolina as a Missions Field. In Acts 1:8, Jesus commands His followers "to witness in Jerusalem, Judea, and Samaria." Truly, our witness begins in the local church and Association, but it must be extended to the State.

Dr. Howard J. Ford is the Director of the Division of Missions for the Baptist State Convention of North Carolina. The Department is further divided into the Dept. of Metropolitan Missions, with Ernest C. Upchurch as Secretary; Roy J. Smith, Secretary of the Town and Country Dept.; Corbin L. Cooper, Secretary of Dept. of Interracial Cooperation; Jerry Potter, Secretary of the Dept. of Deaf Ministry; and Gary Harthcock, Administrator of Fruitland Bible Institute.

The State Missions Offering undergirds the total work of the Baptist State Convention. The Goal for September 1970 was $250,000. The first $170,000 will be spent for basic needs, the next $30,000 will be applied toward the retirement of the Debt at Fruitland, and $50,000 will be used for special needs.

Through our gifts to the State Missions Offering, we extend our witness beyond the reach of our local churches in making Christ known through Missions Vacation Bible Schools and preaching points, assisting troubled families, Juveniles who are in trouble, alcoholics, etc. We assist in making available loans and grants for purchasing lots on which to build churches. Salaries of Pastors are supplemented through these funds. Possible resources and training are made possible for those in need of same.

Some of the Missions Offering, from September 1969, was used within our own Associational area. Each person in our Associational churches is urged to pray for State Missions in North Carolina, and give a worthy Offering every September.

Respectfully submitted,
Rev. James Ponder

STEWARDSHIP COMMITTEE REPORT

Unique is our time and unique the opportunities that are washed to our doors. It is a day that demands the deepest devotion that we can bring to it. This means an increasing sensitive attitude toward the hurts of the world of persons around us. There seems to be a gradual awakening of awareness on the part of God's people to the enveloping spiritual darkness that threatens to blanket this planet. However, if this awakening is not given some instrument through which it can move into the lives of others, it will stagnate.

Our denomination has provided for us some tools by which we can reach out to the festering needs about us. There is a variety of programs available, among which are

the following:

Forward Program of Christian Stewardship
Tithers Enrolment Week
Family Stewardship
Growth in Christian Stewardship
Weekend Stewardship Revival
YIS - Youth in Stewardship

Our Association had the privilege of promoting two Stewardship meetings through the year, with Brothers Harold White and Cleve Wilkie directing the Conferences. It is important that we keep up with the latest material our Denomination is printing as a help for the churches in their Stewardship programs. The above materials can be ordered from the SBC Stewardship Services in Nashville. You may also contact Mr. Harold White at the Convention offices in Raleigh. Our local Associational office will also be glad to assist you in any way with material or information.

Resptectfully submitted,
Rev. Dwight W. Cooper

MILITARY MINISTRIES COMMITTEE REPORT

The first act of business, for the year, was the election of a Vice-Chairman, to assume Chairmanship upon retirement of the Chairman.

Suggestion was made to each church within our Association that they organize a Military Ministries Committee within their individual churches.

Ministers of our Associational churches, and Chaplains on duty at Fort Bragg, were encouraged to participate in "pulpit-switch" Sunday.

Chaplains, who are members of the Military Ministries Committee - as well as other Chaplains at Fort Bragg, serve as "supply pastors" in many of the Associational churches, as called upon.

Members of the Committee assisted in the acquisition of the services of Rev. Toshiaki Kumagai (a student at Wake Forest) to work among the Japanese ladies and their families throughout the greater Fayetteville area. Bible Study classes are held, monthly, at several of the churches, with Rev. Kumagai spending one week-end each month in Fayetteville.

Coordinated the Oriental Fellowship Supper, held at the Fort Bragg Religious Center, 8 May, 1970. Attening were oriental ladies and their families, local pastors and their wives, representatives of the Associational office, as well as Rev. Toshiaki Kumagai of Wake Forest, Dr. Howard J. Ford of Baptist State Convention of N.C., Dr. Willis A. Brown of the Home Mission Board, SBC, and Chaplain Charles H. McCloy of Fort Bragg.

Associational churches were requested by our Committee to support President Nixon - and his efforts for world peace - through their prayers and an official letter to the President. It was also suggested they give special recognition to all military personnel attending their services on Memorial Day. "A Soldier's Faith" was recommended as an appropriate topic for the day's sermon.

Information was furnished all Associational churches, pertinent to a possible "commissioning" service for all military personnel (among their membership) transferring from this area, or for civilians entering military services.

Rev. James T. Lawrimore

SEMINARY EXTENSION COMMITTEE REPORT

Serious Bible Study is a possibility for you. Did you know that you can engage in a serious study of the Bible in your own home? The kind of help needed to accomplish this task is made available through your Baptist Convention. The Bible is the primary textbook of all Seminary Extension courses, and additional textbooks are made available at a nominal charge.

Arrangements for individual, group, or center studies can be made. The areas of study include: Biblical, Theological, Historical, Practical, and a few special courses. New courses are appearing.

It is the sincere desire of your Committee to arrange some group, or center studies for the new year.

Respectfully submitted,
Rev. James H. Parsons

STUDENT WORK COMMITTEE REPORT

The Committee on Student Work has attempted to involve the students in our schools - and especially the Methodist College students to become involved in Co-operative work. Several sessions were held at Methodist College, to find areas of interest in which the student and Association could work together. The presence of "dailey commuters" and "week-end commuters" at the college precludes any successful (in numbers) effort of helping students attend church in the Fayetteville area.

The work of the Committee must find more vigorous support in contact with local students in high schools and developing a helpful area-wide work through the churches.

The program of the future - with college students - should be directed toward helping them to become involved in projects of service in areas of need throughout the City. It is hoped that a Springtime Retreat can be provided in the coming year.

Respectfully submitted,
Rev. Roger Benton

BAPTIST CHILDREN'S HOMES REPORT

Under the impact of the life, ministry and teachings of Christ and under the leadership of the Holy Spirit, North Carolina Baptists, eighty-five years ago launched a Christian ministry of child care. This has grown considerably and is widely recognized for its qualities of service and pioneering spirit. Sons and daughters of the Children's Homes are scattered throughout the world. They are actively engaged in all walks of life and are making a significant contribution to the uplift of mankind as a result of their early Christian training made possible by North Carolina Baptists and other friends.

Baptist child care and family services for Eastern North Carolina are coordinated through the office of the Superintendent of Kennedy Home. The main campus, located on a 1200 acre farm five minutes west of Kinston, has twelve cottages which accommodate from ten to twelve children each. The campus at Odum Home and regional

offices in Raleigh and Fayetteville are additional points through which these services are administered. An area of great growth in recent years has been the increase of foster homes from one to fourteen in number.

Recent construction has provided two of the most modern brother-sister residences plus two individual houses for staff families. Currently being completed is a new infirmary of modern design, and a new multi-purpose recreational building.

The most exciting development for this section is the TEN STAR BUILDERS PROGRAM which proposes to raise two and one-half million dollars for immediate and long-range expansion of child care and family services in the East. This will permit the renovation or replacement of old facilities and will result in a greater quality and variety of services.

The contribution of our Baptist people through the Cooperative Program, the Thanksgiving Offering and special gifts are essential to our continued operation and are received with deep appreciation. An increasing number of friends are finding a rewarding stewardship opportunity through the establishment of trusts for the Homes and by means of wills and estate planning for the needs of dependent children. Members of the staff are available for consultation in estate planning and the preparation of wills.

Members of the Board of Trustees and members of the staff of the Homes are dedicated to a program of child care that will merit the undivided loyalty and support of our people and that will be worthy of the blessings of our Lord. We covenant with you to face the future as we have in the past: to offer Christian nurture to children in distress in the name of Christ our Saviour and Lord.

HUMAN RELATIONS COMMITTEE REPORT

In nearly every survey conducted to ascertain the greatest problems confronting the United States today, the problem of Race Relations will be near the top of the list. Recognizing this as a major issue of vital importance to not only our Nation, but to the Christian movement as well, your Human Relations Committee has been conducting discussion - or "rap" sessions with our Christian brothers of the Union Baptist (Negro) Association.

Prior to May of this year, some concerned members of the New South River Association began meeting with those of like-mind from the Union Association for breakfast. As a result of these meetings, a two-day Inter-Associational Conference was held at First Baptist Church, Moore Street, Fayetteville, on 19-20 May, 1970. At this Conference, Dr. Kelly O.P. Goodwin - a Negro Minister - and Dr. W.R. Griff - from our Home Mission Board - were principal speakers. Dialogue and fellowship were stressed in addition to the joint worship service.

Although this Conference was not sponsored by the Human Relations Committee, it served as a launching pad for the joint meetings between the members of the Human Relations Committees of the Union and NSR Associations. At these meetings, we have learned to speak frankly and honestly about all subjects. We have opened our meetings to all who are concerned about improving our fellowship with other Christians.

We are optimistic of another public meeting this year, at which time issues confronting the races can be discussed. We are moving cautiously and yet trustlingly as we seek to let God lead us in this endeavor. We plead for your prayers in the days ahead, but we also plead for your active participation in seeking to accept one another in God's Love.

Respectfully submitted,
Rev. Ronald Loftis

INSTITUTIONAL & CHAPLAINCY COMMITTEE

The Institutional Committee has worked this year on an individual church basis, working closely in cooperation with the Cumberland County Coordination Council on Older Adults and the Senior Citizens Club of Fayetteville.

A survey was made - in most of the churches in our Association - to determine the physical, spiritual, and social needs of our older members, and if financial assistance was needed in some special cases.

The Junior Choir of Trinity Baptist Church, Pattie and Janet Taylor, and the inspiring Youth Choir of Walstone Baptist Church sang for the Annual May Picnic, held at Rowan Street Park, sponsored by our churches, the Nursing Home Operators and the Fayetteville Recreation and Parks Commission.

Many of our churches have enlisted volunteers, who on special occasions have birthday parties, teas, etc., at the Nursing Homes. Some of our churches have enlisted workers who give one night weekly to visiting in the Nursing Homes, to help counsel patients - as well as conduct devotionals and, in some instances, worship services.

At the request of the Cumberland County Coordination Council on Older Adults, several churches held a special picnic or supper to honor their older members. If a survey of the needs of your older members has not been made in your church, please see that one is made immediately and mailed to your Institutional Chairman or The Council for Older Adults, at once. The outreach of this ministry is boundless.

Respectfully submitted,
Catherine L. Taylor

NEW WORK COMMITTEE REPORT

Major emphasis this year has been given toward some joint efforts through the Long-Range Planning Committee. Much hinges upon securing response from our churches, sufficient to launch out in faith to begin many areas of new work.

Much needs to be done and much more must be done. This can be achieved, not only in seeking to know His divine will, but in the personal commitment to the absolute will of our Heavenly Father. Let us continue in prayer for increased faith "to ask and to receive."

Several meetings were held in an effort to come to a decision concerning land in the Lake Rim area, in order to relocate the Mission there. Choice property of about four (4) acres has been secured and purchased. A temporary building - donated by Eutaw Heights - has been moved onto the property, and the "go ahead" has been given to a builder, for the construction of a new 24' X 60' Chapel, to be utilized by the Lake Rim Mission. We look forward to the time when this Mission will be relocated in it's continuing witness for Christ.

Another area which has been of much concern is that of the "exploding" Ponderosa area. After having a Mission Bible School in this area during the Summer, the First Baptist Church of Fayetteville realized that something should be continued with the possibility of a new Mission and future church being located there. They voted recently to sponsor some continuing week-day activities (in the afternoon) to begin with and to use this interest as a "springboard" in the future development of a Ponderosa church.

How grateful we are to God for this vision and willingness of First Church, Fayetteville, to sponsor a work in this area teeming with multitudes.

Respectfully submitted,
Rev. Boyd Lambert

SHAW HEIGHTS BAPTIST MISSION CENTER REPORT

A COOPERATIVE EFFORT - Shaw Heights Baptist Mission Center is a cooperative effort of the churches in the Association attempting to meet the needs of a highly transient population on the very edge of the Fort Bragg Reservation. Worship services are held at the Center with organizational structure similar to that of any church. Distinguishing features of the Center are the outreach and specialized ministries emphases.

CHILDRENS PROGRAM - Sixty children (ages 3-5) of different nationalities are being ministered to through the Kindergarten and Week Day program. The Childrens Program is self-supporting. The fees paid by the parents of the children take care of small salaries of the workers, supplies, minor upkeep and cleaning of the building as well as some specialized Teacher Training. The eight trained teachers have been instrumental in enlisting 35 Kindergarten parents actively in the Mission Center program.

OTHER MINISTRIES - The Mission Center pastor and leaders counsel several parents per week. The clothes closet meets needs of an average of 8-10 individuals per week. During the summer 140 children and young people are involved in a summer-long Bible school and Bible study program. Eight to ten women attend weekly Bible study sessions in different homes of the community.

CHURCHES HAVE BEEN INVOLVED - About 25 churches in the Association have been involved in the ministries at the Shaw Heights Center. Clothes have been furnished for the clothes closet, food has been provided for the pantry, supplies for children's work have been donated, cabinets have been donated and other have been made for the center, several hours of labor for painting equipment has been donated by young people, literature and books have been given, finances have been provided. Recently the Brotherhood from Cedar Creek voted to provide funds for a telephone at the mission. Without all this concern from the churches and individuals in the Association the quality ministry at Shaw Heights would not be a realization.

Until this year the Association has not been financially involved in the support of the work at the Shaw Heights Center. The State Convention through State Missions and Cooperative Program funds has been undergirding the pastor's salary for the last three or four years. Missions Investors Club funds have been used previously to give temporary support in emergency needs. The Association has been involved in this work through "shared leadership" and leadership guidance.

OUR GRATITUDE - How grateful we are that God has seen fit to bless the ministries at the Mission Center this past year. There have been twenty-one professions of faith; families have been strengthened, homes reunited, alcoholics reclaimed.

Through the untiring efforts of the few permanent dedicated people and the transient families committed to His service the Shaw Heights Mission Center is meeting a great spiritual need. And yet there is so much yet to be done! Pray that this year there will be greater fruitfulness than ever before at YOUR MISSION CENTER.

RADIO AND TELEVISION COMMISSION REPORT

Few Southern Baptists realize the full scope of the work they are doing through their Radio and Television Commission. Do they, for instance, know that from 1960-69, the Commission received through the Cooperative Program a total of $7,419,000 for operating purposes? Or, that in return, their Radio and Television Commission obtained a total of more than $37,000,000 in free time from the radio and television industries?

Do they know that the total weekly programming level, foreign and domestic, during 1960-69, rose from five programs and 844 broadcasts in 1960 to 44 programs and 2,783 broadcasts at the end of 1969? Or that Southern Baptists carry on a massive ministry through the Armed Forces Radio and Television Network to our men and women in the military all over the world? Do they know that Southern Baptists, through this Commission, have the largest electronic ministry of any religious group in the world?

These and many more distinctives set this ministry apart as one of the most vigorous and productive of all the programs in which our denomination is engaged.

The Radio and Television Commission reached deeper into the potential audience for its programming in 1969, and took hold of a larger segment than ever before. With the origination of new radio and television programs, it was possible to initiate a broadcast somewhere in the world on the average of every three minutes, for a total of 152,002 separate broadcasts.

Commission productions increased from 32 to 44 during the year and the total number of programs aired weekly reached 2,783, an all-time high.

POWERLINE, the "top 40" radio program for teenagers, is currently on 356 stations; and COUNTRY CROSSROADS, featuring a magazine format, and based on "country and western" music and its well-known performers, is on 193 stations. These two accounted for a majority of the year's new stations.

THE CENTURYMEN is a newly organized 100-voice male singing group composed of ministers of music from Southern Baptist churches. Devoted to providing music for the Commission's broadcast programming and to representing the denomination internationally, the choir made its premier performance on the National Broadcasting Company television network on December 28, 1969, and appeared several times in person at the Southern Baptist Convention in Denver, June 3, 1970.

Ten hours of broadcast time was given by the networks at an average value of $70,000 per hour in 1969. The total number of programs produced by the Commission for the radio networks (ABC, NBC, and CBS) during the year came to 62, and the time to fifteen and one-half hours.

Southern Baptists have a massive ministry to all the children of the world in JOT, the animated children's program for television. The number of stations carrying this program will rise from 40 to 100 during 1970. The JOT films are also available for church use through the Film Centers of the Baptist Sunday School Board.

Next year will bring changes in THE ANSWER series, with the name and style phased out, to make way for a shift from drama to live and film documentaries in a series called THE HUMAN DIMENSION. To date, eight of the programs for this series have been produced.

Last year an advertising agency concept was begun by the Commission under the name of TimeRite, Inc., for the general benefit of the entire denomination. Three TimeRite representatives are now operating out of offices in Wilmington, North Carolina; Dallas, Texas; and Fresno, California, to service the radio and television needs of local churches, associations, state conventions, and other agencies of the Southern

Baptist Convention.

J.P. Allen, former pastor of Broadway Baptist Church and president of the Commission's trustees, was appointed director of the Audience Response Division of the agency. This action reflected a new concentration by the Commission on the spiritual problems and Christian growth of those who respond by mail to its radio and television programs.

COOPERATIVE PROGRAM

Hundreds of churches, including every size church, increased Cooperative Program giving last year. One thousand and seventy-three churches increased Cooperative Program giving by ten percent or more over the previous year. This increased sharing will enable all to have a greater part in the healing of the sick, feeding the hungry, clothing the naked, visiting the imprisoned and preaching the gospel to the poor. Congratulations are in order to every individual and church making this ministry possible.

Helping churches advance in stewardship and missions is one of the basic aims of your Stewardship-Cooperative Program Chairman, General Board member, Superintendent of Missions, Moderator, and the Division of Stewardship Promotion of the Baptist State Convention. Do you need help with Annuity and Insurance for your pastor and/or other staff personnel, Week End Stewardship Revivals, Growth in Christian Stewardship Program, The Forward Program, Study and Preaching Program, Tithers Enrolment Week, Planning a Budget, Youth in Stewardship Program, Family Stewardship Program, Visual Aids, Communications, Developing a Special Stewardship Program, Principles of Family or Church Budgeting, Setting up Better Financial Record Keeping for your church or leaflets and other information on the Cooperative Program, State Missions, and Family or Church Finance?

The Cooperative Program is the main channel of supporting World Missions, Christian Education, Social Services, and ever increasing State Missions programs. The Goal for these causes this year is $7,000,000.

As dedicated Christian stewards will you try to lead your church:

1. To use a stewardship program to help subscribe your own church budget?
2. To increase the percentage of the offering plate dollar given through the Cooperative Program?

Your Associational Officers and your Division of Stewardship Promotion personnel are delighted to offer friendly service to aid your stewardship program, Cooperative Program sharing, visual aids or annuity requests. On your invitation we stand ready to assist in every possible way.

INTERRACIAL COOPERATION REPORT

North Carolina Baptists have a wide variety of attitudes toward an all inclusive ministry. They range from churches who seek enthusiastically to evangelize and witness to people of all races and cultures, to congregations who refuse to allow their pastors to make mention of the need for better race relations in the community.

The Department of Interracial Cooperation has the primary purpose of promoting more cooperation between the two Baptist State Conventions in North Carolina. The

objective is to aid Southern Baptists and National Baptists in North Carolina in their efforts to reach all people with the good news of the gospel. An increase of the spread of the gospel in all parts of the world depends on loving cooperation across racial lines at home.

A record number of sixty-three (63) representatives from the General Baptist State Convention attended the annual statewide Vacation Bible School clinic at Wingate College in January. These represented seventeen (17) of their fifty-seven (57) Associations. A future goal is to invite representatives from all Associations.

A new seminary extension class enrolling 35 ministers was held in Rocky Mount in March and April, 1970. Classes held at Shaw University enrolled one hundred and eighty (180) ministers. Additional classes are being planned for various areas throughout the state.

Conferences on human relations were held in April at the Blackwell Memorial Baptist Church, Elizabeth City, First Baptist Church, New Bern, and the Wilkesboro Baptist Church, Wilkesboro. The Reverend John Fleming, Professor of Shaw University, Raleigh, and Dr. Henry Turlington, Pastor of the University Baptist Church, Chapel Hill, assisted with these Conferences. In May, the Department participated in a successful two-day Interracial Conference, planned and executed by leaders in the New South River Association and the Union Association. All Associations have been encouraged to conduct similar type meetings, utilizing the Department of Interracial Cooperation for resource materials, assistance with program personalities and other services.

Also in May, a survey was made to determine what Associations and Churches within the Baptist State Convention were doing toward promoting a program of work with General Baptist churches. The responses were collected, summarized and copies were sent to all Associational Missionaries.

Scholarship aid was provided for twenty-three (23) students at Shaw University, Fruitland Bible Institute, Hood Theological Seminary, Southeastern Seminary, Saint Augustine's College, and North Carolina Central University. This number of scholarships could not have been made available without the assistance of the Howard Memorial Christian Education Fund, Inc., Buies Creek, N.C.

During 1970, the Department appointed twenty-eight (28) young people and adults who served as summer missionaries in a variety of positions. Four of these were sponsored by the Home Mission Board. These workers helped to conduct fifty-five (55) Vacation Bible Schools throughout the State. The enrollment reached 4,817 with one hundred (100) professions of faith. In addition to this, the summer workers served with Bible camps and youth groups in Asheville, Brevard, Durham, and Winston-Salem, and a week-day ministry - known as "Camp Amigo" in Charlotte. Total enrollment for these latter ministries reached over four hundred (400).

Those who serve with the Department, in addition to the Secretary, are Mrs. Mary E. Washington, Office Secretary; Reverend C.C. Craig, Raleigh; Reverend J. Z. Alexander, Raleigh; Reverend Benjamin Daniels, Winston-Salem; and Mrs. Alcobia O. McCall, Asheville. In December, 1969, the Reverend Marvin Williams, Rocky Mont, resigned his position after nine years with the Department, to accept a pastorate in Virginia.

Respectfully submitted,
Rev. Corbin L. Cooper

CITY AND METROPOLITAN MISSIONS

The objective of the City and Metropolitan Missions Department is to strengthen and assist churches in extending the missionary outreach through the programs of

research and special studies, church extension, Christian Social Missions, and work with non-evangelicals, sectarian and world religion.

During the year of 1970 several major achievements have been accomplished in three areas of work.

I. ASSOCIATIONAL AND URBAN CHURCH

A. An Urban Seminar has been promoted in cooperation with the Southeastern Baptist Theological Seminary and Home Mission Board of the Southern Baptist Convention. Thirty-two students were privileged to attend this Seminar, each of which prepared a paper on some phase of the Urban work of the Research Triangle area of the State. The outcome of this project was considered by all the co-sponsors as a very successful event.

B. The State-wide Metropolitan Missions Conference, held in Winston-Salem, this year, was an overwhelming success. We had a representation of many churches of the State in attendance. Many of the people were so interested in the subjects discussed that they remained the full two days of the Conference. This was quite a successful event for all those who participated.

C. A Shopping Center ministry is conducted in the Raleigh North Hills area. This is a cooperative work with Southeastern Theological Seminary, Raleigh Baptist Association and the Home Mission Board.

D. Pastoral Aid - The Department has assisted thirty-one (31) churches with Pastoral Assistance in the amount of $37,058. Some statistics concerning work done through Pastoral Aid include: Sermons preached, 2816; Other addresses, 1313; Visits, 11,349; Number baptisms, 386; Additions by letter, 167; Conversions, 385; Restorations, 6, and Church membership, 4340.

E. Lot Aid - The Department has assisted 16 churches with Lot Aid gifts in the amount of $33,000.

II. CHRISTIAN SOCIAL MISSIONS

A. Baptist Centers - The workers in the Baptist Centers gave the following reports of work done this year: Sermons and other talks, 179; Literature distributed, 567; Professions, 24. The Department has ministered through Mission Centers and modified Mission Centers in five cities in the State of North Carolina.

B. Youth and Family Services directors are located in four cities in the State of North Carolina, three of whom are only part time. One other Association is considering the employment of a part-time director of Youth and Family Services. Youth and Family Services reports reveal: Sermons and addresses, 49; Conferences, 128; Court Sessions, 52; and Tracts and Bibles distributed, 28.

C. Associational Christian Social Ministries - There are four Associational Christian Social Ministries programs in our State. These are conducted in the following Associations: New South River, Gaston, Raleigh, and Pilot Mountain. Even though there are only four, we need ten in the State of North Carolina.

The Associational Christian Social Ministries program includes work in the following areas: the Church-Community Weekday activities, beginning with the preschooler and continuing through the aging; the Baptist Center Program - both in the Center and the modified Centers; the juvenile and adult delinquents, the ex-prisoner and the drug-addict.

D. Literacy - The Literacy work is designed to reach the non-reader, non-English speaking person, and the Church-tutoring program for the under-achiever at school.

E. Migrant - The Migrant missions program is centered in the eastern and western part of the State. This is a spiritual ministry for the agricultural migrant who works through our State each year.

F. Disaster Relief - This is another phase of Christian Social Ministries designed to assist in emergency situations within our State.

II. WORK AMONG NON-EVANGELICALS SECTARIAN AND WORLD RELIGIONS

Assistance here is rendered to churches and associations in focusing ministries o people of other faiths and international students families. Some of our colleges n the State of North Carolina have hundreds of international students that are waiting or some Christian to share their experience with them. We appreciate what many of ur churches are doing related to this work, and hope that others will do likewise.

V. THE FIELD STAFF MEMBERS OF THE CITY AND METROPOLITAN MISSIONS DEPARTMENT

BAPTIST FOUNDATION

The fact that The North Carolina Baptist Foundation, Inc. has tripled its assets uring the past eight years is proof that this service arm of the Convention has found avor with North Carolina Baptists.

Since the Foundation was reactivated in 1966, assets have increased from $350,000 o more than one million dollars. This includes trust funds and real estate.

THE FOUNDATION advances the Kingdom of God in two major ways: by serving ndividuals and by serving Baptist agencies and institutions. This includes the Cooperative Program, Missions, Higher Education, the Baptist Hospital, and Baptist Homes for the Aging.

SPECIAL EMPHASIS ON TRUSTS AND WILLS

THE FOUNDATION has again this year put a major interest on the making of ills.

Many churches have used the facilities of the Foundation to conduct Will Clinics,

and reports from these clinics indicate that they have been very successful.

THE FOUNDATION also has an opportunity to counsel with many people concerning their own wills, and in some instances has provided the information and direction necessary for inclusion of Baptist causes in their will.

THE BAPTIST FOUNDATION has had a most successful year, is on the move, and is rendering service to individual Baptists in a concrete way.

New South River Baptist Association
Fayetteville, North Carolina

Dear Sirs:

We have made a limited examination of the books and records of the New South River Baptist Association for the fiscal year ended September 30, 1970.

The following schedules are submitted:

Schedule "A" Statement of Recorded Cash Receipts and Disbursements.
Schedule "B" Statement of Recorded Cash Disbursement and Budget Comparison.
Schedule "1" Statement of Contributions from Churches.

Our examination was directed primarily to the verification of the financial condition of the Association, and included a general review of the Income and Expense accounts, for the purpose of preparing the Financial Statement for the fiscal year ending September 30, 1970. It was made in accordance with generally accepted auditing standards applicable in the circumstances, and comprised such test of the accounting records and supporting evidence and such other auditing procedures as we considered necessary

In our opinion, the accompanying statement presents fairly the recorded cash receipts and disbursements of the New South River Baptist Association on a basis consistent with that of the preceding year.

Respectfully submitted,
Julian C. Odom
Public Accountant
